

WELCOME BACK!

To the President/ Chairperson

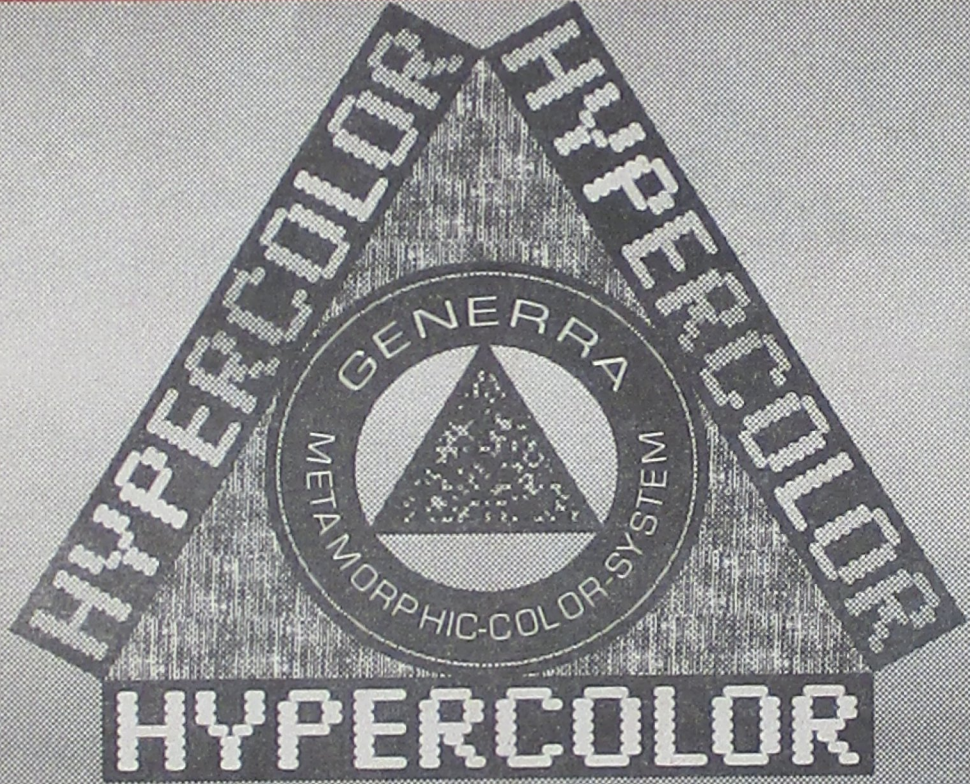

We're in full swing here at U.P.E.I. and it's time that you and I and the rest of the sub organization heads get together and talk about the school year. I will be giving you a list of dates available for pubs as well as the low down on how our system works(i.e booking bands,etc.). I held an informal meeting Monday, September 16 at 7:00 pm at The Barn, second floor. We discussed how the year is going to shape up entertainment wise as well as discussed how you and I will work together. As the Vice President of Operations it is my duty to oversee all the sub-organizations on campus.If you have any beefs regarding how you,as an organization, are being

treated I would like this brought to my attention at this time. I am presently trying to compile a list of all the sub-organizations and the contact person for each. I will try to have this list ready for you as soon as possible. I tried to get a hold of as many of you as was humanly possible. I will be holding another meeting so that we all can get together. This meeting will be held on Tuesday September 24 at the barn. I hope to see you all at the meeting ! I would appreciate it if you could get a hold of me at the Barn or leave a note with Betty If you can't attend please arrange for a member of your organization to be there . If you have any questions feel free to contact me at The Barn at 566-0670. See you soon!
