"WEDDING OF INTEREST — Of interest to a wide circle of friends in Montague and vicinity is the marriage of Rev. Arthur Long, a former pastor of Trinity United Church, Montague, and Miss Eleanor Butland, of Saint John, N.B. The wedding took place in Wesley Church, Hamilton, Bermuda, on October 29th. The bride wore a suit of white Bermuda cloth with white accessories and a beautiful corsage of mauve orchids. The church was tastefully decorated with flowers and ferns by the ladies of Wesley Church. Following the ceremony, a reception was held at the parsonage of Central Circuit of Flatts arranged by the ladies of that circuit. Rev. Mr. Long, who held pastorate in Montague, P.E.I., and Saint John, N.B., was recently inducted as minister of Central Circuit of the Wesleyan Methodist Church in Bermuda.

"Last week the Dramatic Society held the High School drama festival. One act plays were presented by Grade XII, Grade XI and Grade X. All the plays which were presented were enjoyed by the audience and showed that High School could play an active part in dramatics.

"Grade XII presented a drama, directed by Edward Baird. We particularly liked the acting of Joe Coffin, Eugene Mooney and Art Seaman in this play. Grade XI chose a rather difficult play to present. It was a miracle play of the fifteenth century England and was directed by Dominic MacDonald.

"Grade X was the only class of the evening that made use of 'actresses' in their play. It is understood that there are no co-eds in High School, but when Lloyd Murphy and Cuthbert Kilbride walked upon the stage, they really had the audience fooled for the moment.

"At the end of the performances, the judges gave their decision unanimously in favor of Grade XII's presentation. In his remarks, Dave Kennedy, president of the Dramatic Society, criticized the plays and pointed out that we could look forward to certain actors of the night becoming top-notch performers in the future.

"At present there is rivalry between the Juniors and Sophomores for first place in the Intramural Basketball League. Each team has lost only one game since the schedule started. There are six teams in this league—Four College year teams, Grade XII and Grades XI and X combined. In the juvenile league, the teams captained by Allan MacDonald and Leonard Shea seem to be among the strongest.

"The hockey team has been holding practices in the Forum every Thursday afternoon. Many of the new-comers to the team look like promising players for the coming season.

"It has been just brought to our attention that we never mentioned before that the hockey manager for this year is J. J. Murphy—a capable man if ever there was one. Oh well, that is just another reason why we are confident the Saints will ice a good team this year.

"Before we conclude our notes for this week, we have a pleasant announcement to make. The term exams have been posted and will begin on December 10th.

"Until next week, from all of us at S.D.U. to all of you, health and happiness.

Trainer and Mr. Somerled Trainor to express the reasons for their decisions in the debate. The main reason why the St. Dun's debaters were decided the winners, seemed to be the systematic and clear-cut way in which they presented their arguments and their fitting rebuttals. Congratulations are extended to the team and to Father Cass, the moderator of M.I.D.L. activities on the campus.
