ham is a native of Charlotteville and is extremely well liked by management and spectators, and does an excellent job, both as an announcer and a sifter. The Saint John management has an ambitious plan for improving the racefield, the grounds and making it one of the best raceways in the Maritimes. They have done wonders with the track, and we won't be surprised to see it couple of seconds faster in the not-too-distant future.

been left as formerly with no serious consequences. I inquired of one of the reduced daily limit sponsors as to why recommendation was forwarded and he replied: "It was just a gesture". The implementation of a sustained "Feed Shelter" feeding program will help the coveys survive the winter. I will have kept in touch with many of my contacts I have met over the years. Here is the gist of a conversational had with a farmer from the Belair district a week or so ago. "I was in a barber shop today setting prettied up — everyone was talking about how scarce the Huns were — I played right along — I didn't tell them there were two coveys, one of 18 and one of 14 on mine and my neighbor's properties." "Moral: No farmer is going to advertise in a barber shop how many Huns he has on his farm. This week a farmer from across the river met me with this question: "Who said we have no Huns?" He went on to tell me he flushed a covey of approximately 25 out of his back potato patch and he couldn't tell the old birds from the young at the front of his farm was a covey of 13 about half-grown. These are just a couple of samples.

Incidentally the farmer from across the river mentioned he never saw a Hun on his farm last fall until a week after the season closed when a nice covey showed up. From whence it came he had no idea. The Huns were down last fall but not nearly so far as some contended. The reduction in the Hun bag limit works no hardship on the columnist but what will be the reaction among the Non-resident hunters who visit the province to hunt Huns every October seeing there is no reduction in Non-resident hunting licenses — twenty-five dollar for Maritimers and thirty-five dollars for all others. The only answer is for us to wait and see.

turning in a splendid performance. Charles McIsaac pitched the first game for Vernon River and although hit hard, pitched steadily last Monday afternoon. The second game and turned in a magnificent performance, striking out eleven batters. J. MacDonald played outstanding ball defensively for Cardigan. C. Cronin turned in a good game offensively. H. Hughes, catcher for Cardigan, played his usual fine ball.

with anywhere, and sent the writer a personal invitation to be present at the above opening. WELL BRED Our congratulations to H. Leslie Stiles, Woodstock, N.B., for the splendid performance of his four-year-old pacer Hal's Gal at Fredrickton last Monday afternoon, when she won the 3rd and 7th dashes from a fast field in 2:12 3-5 and 2:10 1-5. She was driven by Bert Morey of Woodstock, who has given her all her training.

At various meetings of the U.S.T.A. directors, we have admired Walter J. Michael, proprietor of Pickwick Farms, Bucyrus, Ohio, for his clear and well thought out opinions on important matters. Now we have greater reason to admire him, as on page 794 of the Harness Horse, August 26, is a photo reproduction of an opening night look at the 360-foot grandstand and clubhouse at Ohio's newest and finest night racing track — North Field Park. It is the newest night racing track in the United States and cost two million dollars, and is represented in the Harness Horse as an amazing triumph over all kinds of obstacles by Walter Michael and his associates in the construction of the new track, stands, stables, etc., etc., in a little over three months. The layout is beautiful and it has the latest and finest of appointments. It is a difficult thing for us to realize that such a monumental task could be completed in such record time, but we have been told about Mr. Michael and other giant tasks he had accomplished so we were prepared. We may also say that Mr. Michael is one of the friendliest men to be met

Our friend J. L. Read has sent us a marked scorecard of the Truro Raceway program for Labor Day night. They had a large crowd and the events were exceptionally well contested. In the 1st and 4th dashes, Just Barbara (G. Willis) was 1-2, Taurida Bay (C. Smith) 2-1, time 2:12, a new record for Just Barbara. Just Barbara is owned by Harold Woodside, Kensington; Taurida Bay owned by Ray Stewart, Murray Harbour, P.E.I. In races 2 and 6, Billy June (C. Smith) was 1-5, Jolly Jim (Daniels) was 7-1, Joceline Volo (MacLeod) 2-7, Halcyon Alpha (Comors) 3-2, time 2:14 and 2:12 4-5, a new record for Jolly Jim. In the third race, Mr. Price (LeBlanc) was 1, Lucky Bet (Daniels) 2, time 2:14 2-5. Mr. Price is owned by McChasles and Hatfield, Truro. In the 5th dash, Progress Brand, owned and driven by G. H. Willis, Kensington, was 1, L. G. Hal (J. Conroy) 2, Vera Signal (C. Smith) 3, time 2:12 3-5. In the 7th dash, Ginger Will, owned by Arnold Weeks, Fredericton, P.E.I. and driven by C. Smith was 1, Hoosier Henley (Pinkney) 2, time 2:15 4-5. The 8th dash was won by Newfie Girl, owned by W. Piers of Pugwash and driven by K. Pinkney, Laura Budlong (Shea) 2, time 2:18 1-5. Among the horses starting at Truro in the above events were seven by Abner T. Clegg, six by Jolly, one by Ginger, one by Argot Pointer and one by Calumet Budlong. REVIEW Our friend Frank Power was very kindly in sending the writer a splendid account of the races at Sackville Downs Monday night. Frank's familiarity with the sport traces back to the days when he accompanied his father, the late James W. Power, to the races. Mr. Power's column was widely read throughout the Maritimes, and his annual review of Maritime racing was looked forward to, not only in the Maritimes, but also in the United States. "Frank was greatly interested in the free-for-all Monday night, and we quote from his column. "Jimmy Given's chestnut pacer, Fred Scott, with Art Porter in the sulky, and Harry Hirsch's Convoir from Sydney with "Tiller" Mauger on the reins, divided summary honors in the Maritime championship free-for-all at Sackville Downs before 5,000 spectators, but the locally-owned Scot' horse took the championship trophy as he had paced the fastest mile — 2:06 4-5. Fred Scott was paraded into the winning spotlight where B. C. Cruikshank, president of the Downs,

happening, and occurred in the three-year-old Trot Stake, when Lady Lakeburn, that took a new Maritime record for three-year-old trotters at Charlottetown on the night of August 24, was beaten in the last few strides by the very much-overlooked Palacoona, that took a record last year as a two-year-old of 2:19 4-5. The time was 2:14, a new record for Palacoona.
