

ACROSS THE ISLAND

Ice Boat Days Are recalled

By NEIL A. MATHESON
MY MIND went back to the hardy men who braved the elements and took wintry storms in their strides, even on exposed ice-filled Northumberland Strait...

Started Under Captain Campbell
THERE WERE five boats, six men to a boat, with an over all captain in charge of the operation. There was also a coxswain in charge of each boat...

'Disaster' Occurred in 1883
'THE DISASTER' that is being recalled, occurred back in 1883. I find after checking with Helen Herring whose father, Montague Campbell and her brother, Horace, were in the boat...

Two Stories Are Interesting
THERE ARE many stories in the mind of this friendly Island man covering his wintry trials. Here are two of them...

Canoes At Wood Islands in 1775
THE ICE boat crossings were inaugurated back in 1775 at the urging of Walter Gower, the first Governor of the Island...

FARM FEDERATION NEWSLETTER

Federation Brief Stresses Potential of Agriculture

On 29 occasions the Federation of Agriculture presented briefs to the members of the legislature and over the years these briefs have brought forward many matters for consideration on which public policy has since been developed. The advantages of appearing in the legislature lay in the fact that a public forum was created with private members being given the opportunity of taking part with quite wide publicity by result.

one of organized marketing and of being able to bargain on terms of reasonable equality with the buyers of farm products. The present briefs lean rather heavily in the direction of requesting the setting up of committees to study certain problems and of surveys for specific areas of our citizens. To quote with private members being given the opportunity of taking part with quite wide publicity by result.

Smart Look for now or later SUITS
When the man of the house steps out in the Spring parade, he'll do himself and the rest of the family proud if beforehand he takes a look around Moore & McLeod Men's Wear.

relation to agriculture be seriously considered and either approved or rejected on its merits. Referred to in the brief are the importance of education for the growers of crops for processing and the plants. Willingness to help in the setting up of a Highway Safety League is expressed and the importance of much stronger leadership in the potato industry emphasized.

POTATO MEETING
The decision to sponsor and hold the potato meeting on March 30 was made after very careful consideration by the executive of the federation. The meeting is set for 2 p.m. Monday, March 30 in the new Vocational Institute on the Malpeque Road. An institution which itself is well worth visiting.
