

# Juvenile Abbies Score 11-4 Victory In Series Opener With Kensington

The Paul Williams' coached Juvenile Abbies exhibited a little too much power and speed for the Kensington Juveniles at the Forum last night when they sent them down to a decisive 11-4 defeat in the opening game of their best of three series finals for the P.E.I. Juvenile Hockey Championship and the Ed Garnham Challenge Trophy.

Lead by the sharpshooting of Charley Kennedy and Lorne Hennessey who racked up nine of the team's eleven goals, the Abbies went wide open in the second and third periods to outshoot their opponents nine goals to three after both teams had battled to a very closely contested opening period which saw the Abbies only manage to hold a 2-1 edge over an aggressive Kensington aggregation.

Kennedy was the leading goal-getter with five to his credit while Hennessey ran him a close second with four. Dempsey Gregory and Don Clarke picked up one each to account for the other two tallies.

Ralph Champion was the big power on the Kensington roster, accounting for two of his teams four goals, while R. MacCarville and W. Harding split one each for the remaining counters.

## Second Game Saturday

The second game of the series will be played at Kensington on Saturday night.

The game was a close checking, but fast breaking affair right from the opening whistle, that gave the large crowd of fans in attendance plenty of action and excitement, and although the play came up with hard body contact, it was cleanly played, with only four penalties being handed out, all of them going to Abbies, one a major and the others for minor offences.

The first period opened at a fast clip, with both teams jumping to the attack, that saw some near scoring chances in the first minute of play, but nobody was able to dent the twines until the 2:45 mark when Kennedy made a smart solo effort from centre ice to open the scoring.

Playing a heads-up game of hockey, Kennedy came roaring back with Glover just 30 seconds later to send the Abbies out in front by two goals and garner his second of the night. But that was the end of their scoring in the frame. Playing the puck all the time, the Kensington boys started to force the attack themselves and gave the Abbies some really hot sessions inside their own blue-line, which paid off for them at 12:22 when Harding teamed up with MacMurdo in a power attack around the net, the former getting the goal to make the score read 2-1. Although there was no further scoring in the period, both teams made some smart scoring attempts in a very nip-and-tuck battle, and both goals, Rogers of Kensington and Don Large of Abbies had to come up with some spectacular saves to keep down the scoring.

It was a little different story in the second and third periods, however. Taking advantage of their ability to break faster than their opponents, the Abbies went wide open on the play, banging home three goals in a little over eight minutes of play, two of them only eight seconds apart and take charge of the situation for most of the period. Kensington came through with their lone tally in the second period when they put on a desperate rally while Abbies were one man shy, Carver getting five minutes for unnecessary roughness at the 16 minute mark that left them short for the remainder of the period. Ralph Champion scored the goal only 35 seconds after Carver went off, but although Glover was also sent off for tripping at the 18 minute mark to leave the Abbies short, the visitors were not able to capitalize on the situation for any further scoring.

Recovering from a quick goal by Kensington that came at the 38 second mark of the final period, the Abbies struck hard with all

their power, and coming up with some really smart teamwork and passing plays, definitely overshadowed their opponents to bang home six goals in a row without reply by the time the 17:27 mark had been reached.

Kensington got their final tally while the Abbies were again short-handed in the dying minutes of the game, R. MacCarville banging it home at 19:05 in a gang attack around the net.

The following are the lineups and summary:

Abbies — Goal, D. Large; defence, Burgess, MacMillan, Coyle, Fields; forwards, Hennessey, Carver, Flanagan, Kennedy, Glover, Dalziel, Gregory, Howatt, Clark.

## Navy-Army Game Adds Something New In Hockey

Any resemblance to a hockey game was purely accidental when officers from H.M.C.S. Queen Charlotte and the P. E. I. Regiment collided at St. Dunstan's rink Tuesday night.

It was one of the maddest games ever seen as service protocol demanded that only commanding officers were permitted to score. The referees "Horn" MacMillan and "Bony" Higgins had forgotten both the rules and how to skate so they checked opposing forwards to make up for it.

On the two teams were greybeards, baldheads, doctors, city councillors, postmen and ordinary servicemen. Opposing each other as team leaders were Naval Captain J. J. Connolly and Lt. Col. A. W. Rogers. Each of them scored twice in the bitterly fought tie.

In between periods the pride of the Navy the "Bugsy Magpie" was destroyed by a toy jeep with a Bren gun mounted forward. The cardboard flat top offered no resistance. The game began with a blaring fanfare from the Recce Band and a board of strategy carried Col. Rogers (All Rogi) in a sedan chair to center ice where he faced off with Capt. Connolly. The Navy goalie had an outside attack to stop the puck while goalie Rogers thoughtfully blocked his cage with a sheet of beaverboard. When that was endangered he acted with great presence of mind and turned the open side of the net into the boards. This effectively blocked all shots. Navy retaliated in the second session by seating their goalie on "The Heads". The game was played in all its fun before a large gathering of fans and promises to become an annual feature event.

PAGE SIX THE GUARDIAN, CHARLOTTETOWN MARCH 9, 1950

Coming through to chalk up a 9-7 victory over Prince of Wales College at the Forum Tuesday night, the Vince Grant coached Summerside Crystals made sure of their fourth place spot in the Island Intermediate A Hockey playoffs by taking the home and home, total goal extra series by a liberal 18-13 count.

With the exception of the first period, it was a rip-roaring game all the way, but at the same time producing one of the cleanest games we have witnessed in the league this year, with only three penalties being handed out, two going to Summerside in the first period and one to P. W. C. in the second, all for minor infractions.

It was a free scoring game too from the second period on, with both teams hammering away at the attack, the Crystals picking up four goals in the canto and Welshmen two, with the teams really outdoing themselves in the final frame to make the red light flash eight times, splitting even for four goals each. The first frame was the only low scoring part of the game when both chalked up a tally each.

Although the high scoring might indicate a weakness on the part of the goalies, it was by no means the case, as both Sprague and Lund came up with some sensational saves during the game to turn back many scoring attempts which came fast and often all through the encounter, that kept the two squads from sending their scores into the double figures. It was that sort of a game, wide-open with fast breaking attacks that go hand in hand with plenty of goals.

It was a heart-breaking game for P.W.C., who went into the fray three goals down, and although they went into the lead in the first and second periods, and deadlocked the score midway in the final session, Summerside seemed to have that canny knack of either getting the equalizing goal or the one that put them out in front again.

Playing one of the smartest games as a team we have seen them turn in all season, the Crystals earned their victory, but it was a close battle all the way, and although there were few penalties handed out as mentioned above, the lone one handed out to P. W. C. was one that we figure cost them the game. Deadlocked at 2-2 early in the second period, defenceman MacLeod was waved off for bringing up his knee while checking an incoming Crystal forward. Taking full opportunity of the one-man advantage, Summerside drove home their attack that netted them two goals in thirty-three seconds to put them out in front for the first time in the game, and were never headed from then on although Welshmen did tie the score at 6-6 midway in the last period.

However, it wouldn't have been enough in any case to overcome the three goal lead carried over from the last game by Crystals, and the Western team would still have their playoff spot, and after all is said and done, that is hockey every time. The Welshmen had the odd man advantage twice in the opening frame but couldn't capitalize on it, which indicates that Crystals were just the better team, taking in everything, break for break.

Regarding the forthcoming playoff, another decision was reached

## Intermediate A Semi-Finals Open Friday

It was announced officially last night that the semi-final playoffs in Island Intermediate A Hockey League competition between the Charlottetown Victorias and the Summerside Crystals will get underway at the Western Capital tomorrow night.

It was originally planned that the Victorias and Saint Dunstan's University teams, who had ended up in a tie for second place at the end of regular scheduled play, would play a sudden death game at the Forum tonight to decide the second and third place positions in the playoffs. Later in the day, however, it was decided to flip a coin for the positions in order to speed the playoffs along. The coin tossing resulted in the Victorias getting second place and the Saints third.

This means that Vics and Crystals meet in one semi-final series and Saints and Abbies in the other. Both semi-final groups will be home and home, total goal contests with the winners meeting in a best two out of three game finale. It has not been announced yet when the Saints-Abbies series will commence.

Yesterday when Victorias and Saint Dunstan's solved their problem of a second place tie by flipping a coin to decide which would be the second and third place teams in order to get the semi-final playoffs underway.

The result of the toss between the team managements gave Victorias second and Saints third in the final league standing. This means that first place Abbies will meet third place Saints, while second place Vics meet fourth position Crystals in home and home, total goals to count, semi-final play, for the right to advance into a best of three game series finale. It was believed last night that the Crystal-Victoria series would commence at Summerside tomorrow night.

## Juvenile Vics Defeat "Y" In Hoop Game

The Juvenile Victorias Basketball team humbled the Y.M.C.A. team in an exhibition game played on the Prince of Wales College gymnasium last night by a score of 65-24.

The Vics playing heads up ball, after a slow start in the first half, capitalized on numerous occasions but missed out on others when they lacked the finish around the mesh. Once again they pulled off the step-ladder play much to the delight of the fans in attendance. Ralph MacPherson hoisted stop of Ian MacNevin's shoulders sank Bill MacAndrew's pass into the basket in the latter minutes of the second half.

The winners were minus two of their best guards in Donnie Burgess and Charlie Kennedy.

## P. W. C. Co-Eds Swamp S' side In Hoop Game

Playing in their first game of the season, the P.W.C. Co-Eds basketball team swamped the Summerside Academy's team by a score of 54-3 in an exhibition game played on the P. W. C. floor before a large crowd of fans last night. The Earl Nicholson quintet led by the sharp shooting of Joan Wood, Phyllis Cutcliffe, Carol Creelman and Kay MacKinnon, proved to have too much know how for the hard fighting Summerside team.

The luckless visitors did not manage to score one basket on the winners as they accounted for their points by way of three free throws.

Wood led the way for the winners as she accounted for 17 points with Cutcliffe next with thirteen and Creelman and MacKinnon each having ten. The local lassies played a hard fighting, aggressive game and were more accurate in their shooting, notching a total of 26 baskets and adding two more foul shots.

The score at the end of the first half was 24-0 in favor of the high flying Co-eds and they added 28 more in the final canto while limiting the visitors, coached by Jack Murphy, to a measly three points.

Besides the four high scorers for the winners, Heather Lantz played a standout game for the Co-eds as guard, Elderkin, Melkie, B. Inman and Dewar were the best the Summerside team could offer. Referees were Jack MacAndrew and Ralph MacPherson while the timer was Fred Hine and the scorer Bill Leonard.

Summary: P. W. C.: Wood 17, Cutcliffe 13, Lantz 2, Creelman 10, MacFarlane, Sudbury, MacKinnon 10, L. MacLeod, A. MacLeod, 2. Total 54. Summerside: Melkie 8, Inman, E. Inman 1, Dewar 1, Morrison, Burns, Elderkin 1, Johnson, Tobin. Total 3.

The high flying Meteors were leading 3-0 at the end of the first session and added two more in the second without a Monarch return. Reversing the tables in the third session the Monarchs took command of the play but could only score twice against Miller in the Meteors' net.

Both teams skated and checked like fiends throughout the sixty minutes but a better passing game by the Meteors in the first two sessions paid off. The Monarchs were without the services of their star goalie Billy Pierce and defenceman Keith Johnston.

H. Scott of Cornwall won the player of the night award. He had three goals and an assist to his credit. Cal MacDonald scored a brace while Louis MacLeod got a single. Hennessey and Walthon were the Monarchs' marksmen.

## Ontario Rinks Tied For Top Spot At End Of 5th Round In Bonspiel

By ARCH MacKENZIE

VANCOUVER, March 8 — (CP) — Ontario's victory march in the Canadian Curling Championships was choked off at four straight today when the Kitchener rink was defeated 11-5 by the all-miner Northern Ontario outfit from Kirkland Lake. It left the two rinks in a first-place tie, each with four victories in five starts.

The all-Ontario fifth-round contest, the feature of the 10-rink round-robin tournament to date, appeared to be Northern Ontario's from the start and the skids were put to Ontario in a big three-rock eighth end by the northerners. Carl Assmusen's Kitchener rink could only peek away with singles in the second, sixth, ninth, 10th and 12th ends.

Four other rinks — Nova Scotia, Alberta, British Columbia and Quebec — remained in contention with fifth-round victories which gave them 3-2 win-loss records. New Brunswick, Prince Edward Island and Saskatchewan, all on the short end of today's afternoon round scores, followed with one victory each against four defeats.

Nova Scotia whipped Saskatchewan 13-7 but the big score of the day was toted up by Cliff Manahan's Alberta rink which humbled Prince Edward Island 21-4. The Edmonton rink counted a six in the eighth end, highest so far of the tournament and a rare score in the Dominion finals.

Quebec pulled one out of the bag, counting seven points in the final six ends to edge out New Brunswick 8-7 while British Columbia squeezed out a 6-5 verdict over Manitoba.

The sixth round, to be played late tonight, brings together Alberta and British Columbia, Manitoba-New Brunswick, Nova Scotia-Quebec, Ontario-Prince Edward Island and Saskatchewan-Northern Ontario.

Both teams have been coming up with some really close games this season and there is expected to be plenty of action when the two teams meet tonight in the sudden death encounter.

An exhibition hoop game between Saint Dunstan's University and the Y.M.C.A. Juvenile squads will also be held this afternoon at the Y at 2:30.

Both teams competed in regular scheduled play, the Saints finishing in second place, two points behind the first place Vics, while the Y.M.C.A. finished at the bottom of the schedule in fifth place.
