

PREDICTIONS AND RESULTS

JOCK TALK

At the first of this year we warned new Panther Rooters that the way would not always be easy and, when we wrote this, we had no idea that our statement would be verified so soon. This past weekend we wone none and lost four in regular sports and, in the other, faded away like the snow in Spring. To add to our own woe, as we peck away at this, the Expo's appear to be rained out in a game they need to win and Philadelphia has scored three in the first against Chicago.

In Soccer our boys found Nova Scotia most inhospitable as they dropped a 2-0 close one to Saint Mary's on Saturday and were then whumped 4-0 by Dalhousie on the following day. They will be back in the friendly confines of MacAdam Field Saturday afternoon against Saint Mary's at 3:00 and then on Sunday at 2:00 when Dal will be the opposition. Hopefully they'll get a lot of fan support.

In Field Hockey the news isn't very good either. Last week Coach Mullally opined that what her girls REALLY needed was the FIRST score and she urged this policy change on her charges. Carolyn Drake, following Barbara's instructions, netted the ball early in action against Moncton and it looked as though the Pantherettes were on their way. Unfortunately Babrara wasn't as successful in her instructions as to what to

do after the initial score and Les Dames from the U. de M. scored freely before the action ended and we lost 4-1. On Sunday, our girls played well against Memorial, but the end result was still a 1-0 disappointment. Patti Bradley was very unfortunate when her shot, that would have tied the match, skimmed over the top of the net. Mary Morrison played well and Heather MacDougall was very good in goal..the sad part was that the Memorial goalie was also very good. This weekend the girls face a tough schedule as they travel to St. F.X. and then on to Dalhousie. We wish them well. We must not forget to apologise to Barbara Mullally for commenting on her shouted instructions to her team. We now find we were mistaken in our observation as the Coach is prohibited from sideline coaching in Field Hockey! We have now been told that Barbara was explaining the fine points of the game to the spectators! Sorry Coach. Expo's now playing and trailing!

In Golf our team of Brian Ostroski, Lee Bramner, Zippy Taylor and Jim McInnis travelled to Fredericton for the annual inter-collegiate tournament (which we won in 1978) and ended up the first day in second place 7 strokes behind the eventual winner, Dalhousie. Alas, the second day was a sad one with everything going wrong so we wait

until next year.

In Hockey, we learn that Duane Sprague, the towering and rugged defenceman, from whom much is expected this year, injured his ankle walking across campus and is now limping about and will not be able to practise for quite some time. We consider that we are experienced and expert in the ankle department and will be quite willing to give advice or help.

We have sneaked into the gym a few times and watched the Basketball Boys going through their workouts and we have high hopes that our sad succession of recounting losses will end when they get into action. Much as we would hate it, it must be easy to write for S.M.U.!!! Back in the old S.D.U. days they had a sort of a second team in both hockey and basketball that played in what was then called the "City

League". This practise gave good experience to marginal or young players. We commend Dave Nutbrown for going back to this old practise and inaugurating a freshman team at UPEI that will play in the local league. This should develop young players and give them lots of action so that, hopefully, they'll become intercollegiate Panthers in the future. Expo's rally to win!! We feel better!

Final Year Students

Today, the chartered accountant is not only an auditor but a valued business adviser. Challenge, opportunity and responsibility are all part of the career path of those who choose to enter this demanding and exciting profession. Discuss career opportunities with Clarkson, Gordon representatives, on campus

Nov. 6

Arrangements should be made through the Student Placement Office.
