HOLLOWAY'S OINTMENT.
 Its adoption in the most famous public hospitals at home, and in most of our colonies, and the voluntary testimonies of persons in all quarters of the globe, who have given it a fair trial, have established a world-wide reputation for this purifying and healing Ointment. It penetrates, with marvellous power, to the seat of an internal disease; and in all external disorders, its application has a rapidity and completeness of effect that resembles magic.

ERYSIPELAS AND SCROFULOUS SORES
 Are two of the most common and virulent disorders prevalent in this country. For these the Ointment is an absolute specific. It first eradicates the venom and then completes the cure, if of 20 years standing.
BAD LEGS, OLD SORES, AND ULCERS.
 Any of the above class of cases that have pertinaciously refused to yield to any other medicinal application, invariably succumb to this benign, yet powerful Unguent, which soon removes Elephantiasis and the worst forms of skin diseases, prevailing in this part of the globe.
ERUPTIONS ON THE SKIN.
 Arising from the bad state of the blood, damp, or exposure, are eradicated, and a clear and transparent surface regained by the purifying and restorative action of this Ointment. It will be found to cure any eruptions on the head or other parts of the body of children. No skin disease, whatever, common to any part of the world, can withstand the mighty power of this wonderful Ointment. It is famous in the bite of mosquitoes and other insects.
PILES AND FISTULAS.
 Every form of these prevalent and stubborn disorders is eradicated by the use of this emollient; warm fomentations should precede its application. It effects in a short time a certain, thorough and permanent cure. Rheumatism and gout are also instantly relieved.
BRONCHITIS AND ULCERATED SORE THROATS.
 Extract of a Letter from Mr. James Downing, of Paris-street, Exeter.
 "To Professor Holloway.
 Sir,—Your Ointment and Pills have effected upon me a perfect cure of a dreadfully diseased throat, arising from cold, which ultimately terminated in bronchitis. The medical aid I received was unable to combat with the disease, and I was rapidly sinking under its influence. At this stage, I had recourse to your medicines, which, in a few hours relieved me, and I am happy to inform you that in less than a fortnight I was entirely cured by them. In changeable climates, these medicines should be always at hand."

CHARMING FACES FOR LADIES.—A CLEAR SKIN.
 A word to the ladies.—Ladies anxious to preserve a brilliant complexion, often go to the perfumer, when they should go to the Chemist, and ask for astringent lotions, when they should take alteratives and aperients. The only genuine and really safe and harmless yet thoroughly efficacious cosmetic now sold in London or elsewhere, is Holloway's Ointment. If this inestimable preparation be applied externally to all pimples, blotches and discolourations, while the blood is being purified and the depraved humors corrected by the Pills, not only will the face be beautified, but the whole system be cleansed, improved and strengthened, and the effect will not be temporary and superficial, but thorough and permanent.
CONTRACTED AND STIFF JOINTS.
 Extract of a Letter from Mr. Joseph Rogerson, of the Pottery Fields, Hants, near Leeds.
 "To Professor Holloway.
 Sir,—I suffered for months with a very bad knee, and tried every remedy, likely to benefit me, but without success. The joint was quite stiff, and so swollen that I became seriously alarmed as to whether I should ever regain the use of it. However, by the use of your Ointment and Pills the swelling was soon completely reduced, and in two weeks was completely cured, and I was enabled to resume my work. Any one suffering from stiff and swollen joints should do as Mr. Rogers did—send for Holloway's Pills and Ointment."

Both the Ointment and Pills should be used in the following cases:
 Bad Legs
 Bad Breasts
 Burns
 Bunions
 Bite of Mosquitoes and Sand
 Cooch-bay
 Chieffo-foot
 Corns (Soft)
 Cancers

NEW ZEALAND.
FREE GRANTS OF GOVERNMENT LAND.
THE Provincial Government of the Province of Auckland, New Zealand, by an Act passed in March 1858, to encourage Emigration, have authorized me, as their Agent for Prince Edward Island, to grant to all persons (male or female) who will emigrate from this Island at their own cost, for the purpose of settling in the Province of Auckland, Free Land, according to the following scale, viz:—
 For every person, 18 years and upwards, 40 acres; and for every person upwards of 5 and under 18 years of age, 20 acres. Provided always, that in any case in which a child shall accompany the parent, the grant shall be given to the parent, and not to the child; and in any case in which a servant shall be taken, at the sole expense of the master, the allowance shall be made to the master, and not to the servant.
 The parties eligible to these grants are Farmers, Farm Laborers, Mechanics of all kinds, Servants, and some Professional men. None need apply except those of good moral character, and of sober, industrious habits.
 Residents of this Colony, intending to emigrate far Auckland, direct or otherwise, will deprive themselves of the benefit of these Grants unless they take their Land Orders from the authorized Agent here, previous to their leaving the Island.
