

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS
Toronto: Market higher; heavy trading.
New York: Market irregularly lower; active trading.
Montreal: Market higher; quiet trading.

CURRENCIES

MONTREAL (CP) — The United States dollar in terms of Canadian funds was unchanged at 81.97%.

NEW YORK

The stock market showed an initial burst of enthusiasm over the U.S. Treasury department's decision Wednesday when first-taking up and in the list ended with irregular trading.

Brokers said Wall Street was "fairly well" in the first part of the way, even though it straw votes had fairly well pointed the final result.

The Dow Jones Industrial average which had been trading at 2.48 at the end of the first hour, ended with a decline of 1.62 at 873.82.

Volume was 4,700,000 shares compared with 4,430,000 on Monday.

The Associated Press average of 60 stocks dipped 1.12 points to 322.8 and utilities up 1.12.

General Motors, holding an 80% and utilities up 1.12.

Prices worked irregularly lower on the American Stock Exchange, Canadian Exchange and First 156, Fargo Oil gained 1-16.

What stocks did: Wed. Mon. Advances 533 611 Declines 575 503 Unchanged 1,085 1,081
