NEWSLETTERS are normally published quarterly on recycled paper. Articles, notes, reports, drawings, bird sightings, plant records, etc. are welcomed from members and non-members. If you have seen anything unusual, please share it with us. It is important to have your observations recorded so that others may learn from them. All contributions should be sent to:

Dan McAskill, Newsletter Editor, NHSPEI
Charlottetown RR # 5, Donagh, P.E.I. C1A 7J8
E-mail: nhspei@isn.net

The next newsletter deadline is January 25, 2001.

Illustrations: The Society extends a special thanks to Jacqueline Badcock, Donald Wilkinson, and Dover Colouring Books for their illustrations.

The Natural History Society gratefully acknowledges support from the Department of Education and Human Resources which enables distribution of newsletters to schools and libraries desiring it. The Natural History Society is an affiliate of the Canadian Nature Federation and has representation on the board of the Island Nature Trust. The Society is a registered, non-profit organization (Part 2, Companies Act). Tax receipts are issued for donations to the Society and these funds are used to further the work of the Society.

Reprinting: Editors of other newsletters and teachers wishing to copy classroom materials are welcome to reprint articles from the Island Naturalist (except when copyrighted). Due acknowledgment must be provided to the Island Naturalist, the author and illustrator.

Cover Illustration:

This month's cover features the Cardinal, a rarity in Prince Edward Island that is normally seen here during migration periods. A few years ago, there were many sightings through the early winter period. Prior to and since that time, sightings have been quite unusual.
