

**NERVOUS PROSTRATION**

is only a failure of strength. It takes strength to get strength. Get strength of stomach first. Your stomach will then look out for your body. Scott's emulsion of cod-liver oil enables your stomach to get it from usual food; and this is the way to restore the whole body.

We'll send you a little to try if you like.

**NOTICE TO ELECTORS.**

**QUALIFICATION OF VOTERS, AND HOW TO VOTE.**

In electoral districts of this Province the voting takes place by ballot. There is no registration of voters here.

Every male British subject of the age of 21 years and upwards who has for six months previous to the 9th day of October, A. D., 1900, been in the possession either as owner, tenant or occupant of a house or piece of land of the yearly value of six dollars shall be entitled to vote.

**IN ADDITION TO ABOVE.**

In country districts every male British subject of the age of 21 years who being liable to perform Statute Labour, has performed such Statute Labour or paid his commutation money for the year 1900 shall be entitled to vote provided he has resided for twelve months in the electoral Division.

**IN THE CITY OF CHARLOTTETOWN.**

If a person cannot qualify as a tenant or owner, he may vote on his poll tax,

**IF**

He has resided for twelve months previous to the 9th day of October, A. D., 1900 either east or west of Great George Street, and has paid his poll tax or 75 cts of it for the year 1899. OR HE CAN VOTE ON HIS POLL TAX RECEIPT FOR THE PRESENT YEAR 1900. This tax may be paid at any time before the election, but not on election day.

Every resident voter must vote in the polling district where he is living on election day.

We warn poll tax electors to be prepared with their poll tax receipts, before they go into the polling booths. If you do not produce them, your votes will not be taken and you cannot again enter the booth. Tenants and owners do not require receipts.

Barrister-at-law

**ONLY MAKE A CROSS.**

Mark your Ballot as above indicated. Simply place a X in the space containing the name of *William S Stewart*, the people's candidate for West Queen's. Place no other mark upon the ballot.

The cross must be made with a BLACK lead pencil. No other kind will do.

**Following Irregularities Held Fatal to Votes.**

- 1.—A single stroke instead of a cross.
2. A mark which in itself is a means of identification, such as initials or some other mark known as used by him.
- 3.—Two single strokes not crossing.

NO PERSON who has voted at the election shall in any legal proceeding be required to state for whom he voted.— See Sec. 97 of the Election Act.

The election law of the Dominion provides for perfect secrecy of the ballot, except in case of a scrutiny before two judges of the Supreme Court. Before a scrutiny can be held, the person desiring one must deposit in Court one thousand dollars as security that he will be successful. No ballot can be examined until it has been first proved that the voter has no vote, and no vote under any circumstances can be examined unless it has been marked objected to before the vote was given. No vote can be marked objected after the voter has received his ballot.

The ballots after being counted are sealed and sent to the Returning officer who without opening the packets or breaking the seals transmits them to the Clerk of the Crown in Chancery, and whilst in the custody of the Clerk of the Crown in Chancery no person is allowed to inspect them.

Besides the polling officers and the agents of the candidates, only one elector may enter the polling booth at a time; he MUST mark his ballot in secret, he MUST hand his ballot folded to the polling officer, who MUST place it in the box without opening, and there is a penalty for displaying the ballot in any way that would afford a clue as to how the elector is voting.

**GREETING TO OUR HEROES.**

Welcome, soldiers! All welcome home?  
Returned again from the land of strife,  
Returned again to peaceful life,  
Safely back over ocean's foam.

We've watched you close and watched you long,  
Thro' your deeds of dash and daring,  
And now, the Empire's glory sharing,  
Deign accept our welcoming song.

To fight for the right you left us  
Nerved with that fire that heroes makes,  
For the gruesome game that deals lives takes,  
That of some dear ones bereft us.

Though borne not back on crimson shields  
To mourning friendships heaving breast,  
They've fought the good fight and peaceful rest  
Mid the scenes of your glory-fields

You've proven Britain's world-wide might  
By your Colonial blood free shed,—  
Power held by the world in dread  
Protecting Freedom, Justice, Right.

An endless Empire's grand acclaim  
Shall praise you for evermore  
Of deeds of heroes from Canada shore,  
And ever keep bright your deathless name.

To our brave "boys no more to roam  
In that far-distant troubled land,  
To her brave sons that heroes stand,  
Prince Edward Isle greets "Welcome home!"  
Discipulus.

**WASP WAISTS**

Are not much in evidence among American women. The women of America are workers, and a weak waist handicaps a worker. But woman has a greater handicap than a weak waist. She may have a perfect form, beautiful and strong in all its lines, and yet be weak because her strength is undermined by diseases peculiar to her sex.

There is no room for argument as to the weakening effect of these diseases. There is also no room for argument as to the power of Dr. Pierce's Favorite Prescription to cure them. It regulates the periods, stops unhealthy drains, heals inflammation and ulceration, and cures female weakness. It is a purely vegetable preparation, and cannot disagree with the weakest constitution. There is no alcohol in "Favorite Prescription," and it is entirely free from opium, cocaine and all narcotics.

Sick women suffering from chronic forms of female diseases are invited to consult Dr. Pierce by letter free, and so obtain the invaluable advice of a specialist in the diseases of women. All correspondence strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Words cannot tell how grateful I am for your kind advice and good medicines," writes Mrs. John Cooke, Hastings, Northumberland Co., Ontario. "I had been in poor health for four years back, and this spring got so bad I could not do my work. I went to the doctor and he said I had ulceration and falling of the internal organs, but I thought I would try your 'Favorite Prescription.' I took five bottles and three of the 'Golden Medical Discovery' and one vial of Dr. Pierce's Pleasant Pellets, and I can safely say that I never felt better in my life. I have spoken well of your medicines wherever I have been."

Dr. Pierce's Pleasant Pellets keep the liver healthy. They assist the action of "Favorite Prescription" when a laxative is required.
