Holloway's Pills are the finest medicine for dilapidated constitutions, disordered liver, bile, and indigestion. The wonderful efficacy of this salutary medicine, and the good effects produced in patients suffering from the above complaints, would appear incredible if not confirmed by daily proofs of the cures effected by them, and the permanent benefit derived from their use. They are composed of vegetable extracts, unmingled with a grain of any mineral or noxious substance. They may therefore be given with the utmost confidence, and with perfect safety, to delicate females of young children. They cannot do harm.
