THIS WEEK AT SDU

Model Parliament Activities Dominated College Scene

By WINSTON MacGREGOR
The dominating concern for the past week has been undoubtedly political. The Model Parliament campaign was so well fought by the two parties, Liberal and Conservative, that seventy-five per cent of the students turned out to make known their will.

The Liberals won the election taking eighteen seats out of a possible thirty while the Conservatives took the other twelve. The Liberal leader and Prime Minister is Weston MacAlear while the Conservatives will have Philip MacDonald head Her Majesty's Loyal Opposition.

The campaign contained many events and surprises for all students as both parties staged many attractions and gimmicks in the vigorous battle. These included campus radio, rallies in the Coffee Shop, posters and placards, all indicative of much work on the part of the organizers.

The Model Parliament opens on Friday night, March 11 with the usual pomp and the reading of the throne speech by the Governor General and concludes Saturday evening. All sessions are to be held in the Provincial Legislative chamber.

RENEWAL
The latter part of this week has been caught up in contrast with a university renewal program beginning last Thursday evening. The director of the spiritual renewal is Reverend Edward Boyce, C.S.S.R.

The theme of this renewal is "Can Faith Meet the Challenges of the Modern World." It will continue through Friday and Saturday with students of all denominations invited to participate. There has been a very good response to the program to present.

EDGE
The Saint Dunstan's varsity hockey club edged over the Mount Allison "Mounties" 4-3 in a "neck and neck" game at home. The win placed Saint Dunstan's in second place standing in the M.I.H.L. Two key players, Mike Kelly and Glen Hughes, were out with injuries for this game, but the Saints held on and took the victory.

The varsity hoop squad pulled through a much cherished victory in their last game of the season by trouncing the Mount Allison team 88-53 last Saturday night in the S.D.U. gym.

EDITION
The new editor of the Red and White, Richard Martin, published his first edition this week. The policy of the paper has changed somewhat with more emphasis on adequate coverage of news events on campus. Best

Lawlor, Charlottetown, and Rev. John S. Sherrin, Montague.

The 1961 model Valiant operated by Mr. Lawlor was travelling west on Fitzroy Street while the 1964 model Comet was proceeding north on Prince Street. Damage to Mr. Sherrin's car was in excess of \$100. There was no estimate of damage to the other vehicle.

HALIFAX (CP) — The weather office says rain associated with a disturbance stretching from the Dakotas to the New England coast had reached Yarmouth late Friday. Clouds were spreading over the rest of the district.

The disturbance will move eastward today while a new disturbance is expected to form south of Nova Scotia and move eastward. As a result, intermittent rain should spread over the entire district this afternoon. The precipitation may begin as snow or freezing rain in northern New Brunswick. Temperatures will remain mild.

Slightly colder air will flow into the district Sunday to give cloudy skies and a mixture of snowflurries and rain showers.

Regional forecasts:
Northern Nova Scotia, Eastern Shore, Prince Edward Island, Eastern New Brunswick Counties: Clear becoming overcast early today with intermittent rain and drizzle. Temperatures similar to Friday. Light winds increasing this afternoon to easterly 20. Low-high at New Glasgow and Goshen 25 and 40. Charlottetown 20 and 35. Moncton 25 and 35. Outlook for Sunday, cloudy with snowflurries mixed with rain showers and colder.

High tide today at Charlottetown 9:50 a.m. and 9:12 p.m. At Rustico at 5:48 a.m. and 4:30 p.m. High tide Sunday at Charlottetown 10:38 a.m. and 10:19 p.m. At Rustico at 6:13 a.m.

Brigadier A.W. Rogers outlined the proposal to the Council at a regular meeting of the executive. The proposal includes chartered dormitory cars to and from Montreal by Canadian National, camping in one of Quebec Council Boy Scout camps and traveling back and forth to Expo daily under a bus shuttle service. Boys will camp under canvas and eat breakfast in camp each morning. Other meals will be eaten on the grounds at Expo.

It is estimated that the total cost per person will be \$75.00 and all members who have spent one term in the boy scout programme will be eligible. Leaders will be drawn from both Wolf Cub and Boy Scout ranks and will be required in the ratio of one leader to six boys.

Brig. Rogers estimated that 300 to 400 boys and leaders would take advantage of this proposal.

of luck to the new editor and his staff in their efforts.
The foreign students of St. Dunstan's are staging a variety concert in the S.D.U. gymnasium this Sunday night. This show has always been very popular with everyone in the past and this year's show will be just as good, if not better, than in years past.

The Social Committee, headed by Mike O'Brien, is presenting a folk concert with the Sons of Erin and the Toppers on Saturday, March 12 in the S.D.U. gym. This presentation should provide everyone with an opportunity to hear and enjoy the best folk songs.

A general meeting of all members of the S.D.U. Students Union will be held next Wednesday. Any proposed amendments to the present by-laws must be made public three days before the meeting.

Elections for the position of president, vice-president, secretary and treasurer of the Student's Union are to be held on March 15. It is speculated that several candidates will offer to contest each position.

Some professors have held "on the spot" exams in their respective classes during the past week. The reason for these short quizzes is that reports of unsatisfactory work must be delivered to the administration for evaluation of the students work to be present for this term.

Scouts, Leaders Have Chance To See Expo

Boy Scouts and leaders from Prince Edward Island will be given the chance to spend four days at Expo in 1967 under sponsorship of the Island Council, Boy Scouts of Canada.

Brigadier A.W. Rogers outlined the proposal to the Council at a regular meeting of the executive. The proposal includes chartered dormitory cars to and from Montreal by Canadian National, camping in one of Quebec Council Boy Scout camps and traveling back and forth to Expo daily under a bus shuttle service.

Boys will camp under canvas and eat breakfast in camp each morning. Other meals will be eaten on the grounds at Expo.

It is estimated that the total cost per person will be \$75.00 and all members who have spent one term in the boy scout programme will be eligible. Leaders will be drawn from both Wolf Cub and Boy Scout ranks and will be required in the ratio of one leader to six boys.

Brig. Rogers estimated that 300 to 400 boys and leaders would take advantage of this proposal.

The following are the results of the card play held at the Community Centre Thursday: ladies' first, Mrs. V. Shephard; second, Mrs. Ray Garnham; men's first, C. Vessey; second, J. A. Gallant; consolation, Annie Doucette and Joe McEntee; door prize, John Hegarty; special prize, A. L. Ellis, freeze-out, Josephine Blanchard and Peter Costello.

LEAVE TODAY
Four Murray Harbor men Ray Brooks, John Machon, Lloyd Hawkins, and Elmer Brehaut leave today for Moncton, N.B. where they will leave on

The 12th annual Older Boys Model Parliament opened in the legislative chamber of the Provincial Building last night. Superintendent of L Division of the RCMP, A.S. McNeill and acting Lieutenant-Governor for the model parliament discusses ceremonies leading to the speech from the throne with: (FROM THE LEFT) Gerry Hopkirk, speaker; Cyril Moise, deputy-premier, Don Linkletter, clerk; Allan Darby, premier. The parliament will sit throughout the weekend with about 30 young men from all over the Island participating.

Operation Of UNESCO Is Discussed At Meeting

Dr. Henry Hicks, president of Dalhousie, chairman of the Canadian Commission for the United Nations Economic, Scientific and Cultural Organization and member of the Canada Council discussed the operation of and work of UNESCO at a public meeting in the common room at Montgomery Hall recently.

He explained that UNESCO is the oldest established special agency of the UN and its work actually started before the UN. Any nation may belong to UNESCO and all have equal voting rights, said Dr. Hicks.

He dwelt at length on the 13th general assembly at which he headed the Canadian Delegation. He traced the steady increase in the UNESCO budget and predicted its increase from its present fifty-million to seventy-million dollars next year. This does not cover the costs of projects as member nations contribute much more for special projects. Canada contributes three per cent of the budget, but should contribute more, stated Dr. Hicks. The United States contributes 30 per cent.

EAST-WEST SPLIT
Dr. Hicks stated that an east-west split develops on every proposal and that the west is a consistent loser in the voting. The

small nations that contribute less than 10 per cent of the budget control the vote and use it to squeeze more money for themselves out of the big contributors. Dr. Hicks thinks that they are well aware of their power, but less aware of their responsibility and that herein lies a danger for UNESCO and also for the UN.

Dr. Hicks regretted the political wrangling in the UNESCO general assembly and stated that this body has little direct influence for peace. But in developing the educational and technical facilities of the backward nations UNESCO develops the minds of men and it is in these minds that peace must originate.

Dr. Hicks was sponsored by the United Nations Association and by the Canadian Federation of University Women.

Prayer Service Is Held Recently
The theme of the World Day of Prayer service held recently at the Canoe Cove Presbyterian Church was "Ye are my Witnesses." It was prepared by the Scottish committee for the World Day of Prayer.

The leader for the service was Mrs. Roy MacPhee assisted by Mrs. John MacEwen, Mrs. J. MacKenzie, Mrs. Donald MacEachern, Mrs. Albert MacDonald, Mrs. Barrett and Mrs. J.B. MacDonald. Prayer was offered by Mrs. Malcolm MacNeill, Mrs. Dan MacPhee, Mrs. Albert MacDonald.

A message on the theme was given by Mrs. Reynolds followed by prayer by Rev. R. Gillis. A duet, "I Love Him Better Every Day," was rendered by Nancy and Vaunda MacNevin accompanied by Mrs. Albert MacDonald.

CITY AREA FUNERALS
BUCHANAN FUNERAL — The funeral for Dan Buchanan was held Friday, March 4, 1966 from the Andrews Funeral Home to Rose Valley United Church, where service was conducted by Rev. W.E. Hare. Congregational hymns were: "The Lord's My Shepherd" and "O Love That Will Not Let Me Go." The charge attended in a body as honorary pallbearers. Active pallbearers were: Murdoch MacKinnon, William MacDonald, James MacKenzie, James Macintosh, Everett Dickson and George Dickson. Flowerbearers were: Stewart Reeves, Robert Smith, Donald MacKinnon, Alton MacLean. Interment took place in Springton Cemetery.

SDU Professor To Quebec City

Professor Joseph Revell, MBA of the commerce department of St. Dunstan's University leaves tomorrow for Quebec City where he will represent SDU at the third joint meeting on Corporate Aid to Higher Education sponsored by the Association of Universities and College of Canada.

The sessions will begin on Sunday and run until Tuesday. Focus of the conference will be the report of the Royal Commission on the financing of higher education in Canada, the role of business in assisting universities and the relationship of the Universities with the provincial and federal governments as far as monetary aid is concerned.

Space Heater Causes Alarm

GEORGETOWN — The explosion of an oil space heater in the Georgetown Fire hall at about 12:30 a.m. Friday brought residents to the scene when the alarm was sounded by Barry McConnell who was returning home from Georgetown rink and

had noticed smoke escaping from the hall.
The space heater was used to provide heat to the fire hall and was thermostatically controlled.
It is thought that the electric motor which operated the fan must have seized up resulting in the space heater filling with soot when the explosion occurred.
A considerable amount of soot was spread over the fire hall's contents and equipment.
No serious damage resulted other than to the space heater.
