SCOTT PORTLAND.

Wilbeck Abbey, May 31, 1842.

Copy of a Letter from the Most Hon. the Marquis of Westminster, K. G. Lord Westminster has just received Mr. Holloway's Medicine, for which he returns him his best thanks.

Eaton Hall, Cheshire, Feb. 12, 1842.

This Inestimable Medicine being composed entirely of Medicinal Herbs, does not contain any mercurial, mineral or deleterious substance. Benign to the tender infant, or to the weakest constitution, prompt and sure in eradicating disease from the most robust frame, it is perfectly harmless in its operations and effects, while it searches out and removes Complaints of every character, and at every stage, however longstanding or deeply-rooted.

Of the Thousands Cured by its agency, many who were on the verge of the grave for a considerable period, (by persevering in its use) have been restored to health and strength, after every other means failed.

All Diseases, (and whatever may be their symptoms, however they may declare themselves, yet one cause is common to them all, viz., a want of purity in the blood and fluids), are cured by this Wonderful Medicine, which cleanses the stomach and bowels, while its balsamic qualities clear the blood, give tone and energy to the nerves and muscles, invigorate the system, and impart strength to bone and sinew.

The Afflicted need not give himself up to despair, as one without hope; but let him make a proper Trial of the Mighty Powers of this astonishing Medicine, and he will soon be restored to the blessings of Health.

Time should not be lost in taking this remedy for any of the following Diseases:— Ague, Debility, Indigestion, Scrofula or King's Evil, Asthma, Dropsy, Inflammation, Bilious complaints, Dysentery, Jaundice, Stone and Gravel, Blotches on the skin, Erysipelas, Liver complaints, Tic-Douloureux, Bowel complaints, Female irregularities, Lumbago, Tumours, Colic, Fevers of all kinds, Rheumatism, Worms of all kinds, Constipation of the Bowels, Gout, Retention of the Urine, Weakness, from whatever cause, Consumption, Head-ache, Sore Throats, &c. &c.

THESE truly invaluable Pills can be obtained at the establishment of Professor Holloway, near Temple Bar, (where ADVICE MAY BE HAD GRATIS) and of most respectable Vendors of Medicine throughout the civilized world, at the following prices: 1s. 1ld., 2s. 9d., 4s. 6d., 11s., 22s., and 33s. each Box. There is a considerable saving by taking the larger sizes.

N. B.—Directions for the Guidance of Patients in every Disorder are affixed to each Box.

Sold wholesale and retail by GEORGE T. HASZARD, Agent for Prince Edward Island.

A RARE OPPORTUNITY of combining every kind of Mercantile Pursuit with Fisheries and Farming.

TO BE SOLD, by private contract, WATER LOTS 23 and 24, in GEORGETOWN, comprising more than Six Town Lots, and more than one acre and a half, having three fronts—

one on Victoria Street, extending more than six chains; on the Harbour, an extent of 168 feet; the same on Water Street. At the corner, formed by the intersection of the two Streets, stands a two-story House in progress, 32 feet by 29, conveniently laid out for the accommodation of a Retail Trade, and a suitable Residence for a respectable household. The land is sound, and of an excellent description. Here is sufficient room for the most extensive Warehouses for storing Grain, Fish, Transit or Commission Goods, and Cargoes of Vessels arriving late in the season and shut out from other ports by the ice, as well as a Retail Store; but the Retail business must be only a secondary consideration in the future commerce of Georgetown, as there is no great extent of back country to supply. The most frequented entrance to the Town will be by the Jail, for persons on business coming from the Northward and North East. The best holding ground, the most screened anchorage, and the boldest water for a Wharf, are off Victoria Street, and there is no locality more adapted for a Fishing Establishment, should a Company be formed—as no doubt there will be—than this property.

To prevent trouble, the price is £400. It has been the disingenuous and unmanly practice of some—who said they would get it for a song—to attempt, on all occasions, to depreciate the importance and value of this property, and deter intending purchasers. Let such, in future, examine and judge for themselves.

The Subscriber also offers for sale, Pasture Lots Nos. 2, 3, 4, 21, 22 and 23, comprising Forty-eight acres. The very best and best situated of any block of Land in the Royalty of Georgetown—most approximate to the Town—a good fertile soil—fronting 30 chains on the Common, which contains several hundred acres. There is a fine Spring on Lot 23, and on Lot 2, close by, a beautiful site, on rising ground, for a Mansion House. A great part of the land is covered with fine Hardwood. This property, in connection with the above, is well deserving the attention of capitalists who desire to invest money on very improveable landed security; or of any Company who might be desirous of combining Fishery with General Commerce and Agriculture. Price, £600 corenory, or £12 10s. per acre, which cannot be deemed unreasonable, when its peculiar advantages are duly estimated; nor is it at all figurative and illusive to anticipate that its value will rise to £100 per acre; and, in the event of a Fisheries' Company being established, the time may not be remote when it will form a pleasant suburb to Georgetown. For a view of the Premises, apply to Mr. George Parker, Lot No. One; and to treat, to the Proprietor, at Woody Grove, Township Sixty-one.

J. L. LEWELLIN.

Should the above Town Property not be disposed of before the Spring, it will then be offered by Auction in Eight Building Lots; or the Advertiser may relinquish his favourite pursuit—Farming (as his continued and unrewarding efforts to advance this most important avocation have met very little countenance or co-operation)—and accept the invitation of his friends, to assist in forming an Establishment such as is above alluded to.

N. B. Sometime since a Town Lot, without any water privilege, was purchased for £100—not many years before, it sold for Four Pounds!! Recently, Half a Town Lot, with a store on it, or low building, realized at Auction, about £200. This does not look like depreciation!!! Georgetown has a free port.

FOR SALE OR TO LET, THAT pleasantly situated Dwelling House and Premises, now in the occupation of Mr. T. B. Treman, in Water Street. For further particulars apply to D. WILSON.

THE FAMILY LIFE MEDICINES.

THE celebrated Life Pills and Phoenix Bitters, prepared and sold by Dr. Wm. B. Moffat, 375, Broadway, New York may now be said to be the most respectfully established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their astonishing effects in many varieties of acute and chronic disease, but what is far better, these medicines have recommended themselves, and fully and fairly achieved the distinguished and now certainly pre-eminant position which they now occupy in public and domestic estimation. They are proved by their works, and make no appeals to vulgar credulity. If the proprietor were disposed to make an injudicious comparison between these self-established medicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the Life Pills and Phoenix Bitters. If it be admitted that sufferers are the best judges as to whether a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residences, unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when other medicines had been long employed in vain, viz: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholice, and every conceivable variety of bilious affections; Marasmus Tabes, or Decline, and Marasmus Phthisis, or Consumption, in more advanced stages than any on record; Dyspepsia, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons; Diarrhoea, both serous and bilious; Costiveness, both habitual and occasional; Fever and Ague, in its three principal varieties, and intermittent and remittent fevers, of all kinds; Hypochondriasis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Erythema, Erysipelas or St. Anthony's fire, and scall, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head and side; affections of the bladder, kidneys, spleen, throat, and pleura; jaundice, dropsy and gout; together with those general affections of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effectual laxatives, cure so great a variety of formidable diseases, is that while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and unprecedented variety of choice and exquisite ingredients, some of which are almost unknown to the profession, which exert a specific action upon many complaints, without in the slightest degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and they should be procured both by individuals and heads of families, and constantly kept on hand, not only as remedies but as preventatives of disease. They are prepared and sold wholesale and retail, by Dr. WILLIAM B. MOFFAT, 375 Broadway, N. Y., and also by the AGENTS—NEW YORK: COOPER & BREMNER. Agents for Prince Edward Island.

PARR'S MEDICINE, ALL THAT IS REQUIRED.

THE fine tonic properties it contains usually restore the stomach to a healthy appetite, so much envied, but so seldom enjoyed by the invalid; the gently stimulating powers it possesses assist the stomach to properly digest the food it receives; the balsamic powers it bestows, dispose both mind and body to healthy exercise, and the varied duties of life are performed with pleasure. It, in addition, contains a fine sedative quality, and instead of long and weary nights, gives sound and refreshing sleep. It acts as the mildest and most agreeable purgative, and by its cleansing powers totally eradicates a redundancy of bile, and completely removes all obstructions of the intestinal canal. The powerful balsamic and invigorating effects on the whole blood and fluids produced by these Medicines is almost miraculous; many who have kept their beds for years have been so speedily reinvigorated, that their reappearance amongst their fellow-beings, who had given them up as incurable, is looked upon as the greatest of the many great wonders of this wonderful age. Diseases of every description have been cured simply by the use of PARR'S LIFE PILLS, thus showing that what has been considered different disorders, and requiring different treatment, all originated in the same cause, and can be cured by one uniform treatment. PARR'S LIFE PILLS, although powerful in conquering disease, yet are pure and harmless as new milk, and may be administered with confidence to the invalid, however weakly from long ill-health, who will soon enjoy those delightful symptoms of a return to strong health, viz: good appetite, sound sleep, and an increase of animal spirits. Those who have been the instruments of restoring the long-lost secret to the world, feel confident, when they make the assertion, that none need despair that, if only a fair trial be given, the result will be a restoration to health and happiness.

The Life and Times of Old Parr, who lived to be 152 years of age, 32 pages, with engravings, anecdotes, &c., and Remarks on Disease, Health, and the means of Prolonging Life, may be had gratis of all the Agents for the Sale of PARR'S LIFE PILLS.

Sold, wholesale, for the Proprietor, at Morton's Medical Warehouse, Halifax, Nova Scotia, and at the Store of Messrs. LYDIARD & FINLAYSON, Charlottetown.

OPINIONS OF THE PRESS.

(From the New-York-Evangelist.)

"This is a work possessing many novel and uncommonly attractive features. Its appearance is beautiful. Its biographical sketches embrace the most interesting incidents and events in the lives of the principal personages of the Scripture History, woven together in a pleasing and sprightly narrative, and faithfully accompanied with excellent practical lessons. Its chief claim, however, to popularity, consists in its multitudinous pictorial embellishments.

"Something like five hundred engravings on wood are contained in the volume, many of which are costly and elegant, and in a high style of art, and none discreditably to the theme or the work. These relate to numerous ancient and oriental customs, scenes, manners, history, &c.; and while they add great spirit and interest to the objects which they illustrate, form of themselves a pleasing and profitable study. The work is a rare combination of the useful and attractive—adapted at once to engage the attention and affect the heart. We should regard its possession by families—whose children may obtain, from its striking representations of biblical truths and events, lasting impressions of their reality—as highly desirable. The Appendix contains thirty brief but comprehensive and excellent essays upon the Evidences and Archaeology of the Scriptures, which add greatly to the value of the work, as designed for the instruction of youth and families.

(From the New-York-Christian-Intelligencer.)

"This work is an attractive one, not only from the very numerous neat embellishments which pervade it, but from the interesting matter which it comprises. It furnishes lives of the principal characters of the Old Testament, with accounts of the Creation, Deluge, Dispersion of Mankind, &c., and an extended life of the Saviour, comprising the outlines of the Gospel History. The whole is in a spirit and form well adapted for practical usefulness and spiritual improvement. The numerous historical and landscape illustrations of the sacred volume introduced into this work, will prove both amusing and instructive, to the young, especially, and it will be an entertaining and useful volume in the family. The illustrations are neatly executed on wood. The last hundred pages contain Thirty Dissertations on the Evidences of Divine Revelation, from Timson's Key to the Bible, &c., and are exceedingly valuable. The work is in large octavo, with closely filled pages, and highly decorated by the very numerous illustrations and the binding. It will no doubt meet with a popular demand."

(From the Boston American Traveller.)

"SEARS'S BIBLE BIOGRAPHY is even more finely illustrated and beautifully ornamented than his previous works. The typography is clear and plain, the paper and binding handsome, while the gilded figures give it a rich and tasteful appearance. The literary contents are connected biographies of all the principal characters in the Bible. These are well written, and the whole illustrated with several hundred engravings.—An appendix is also added, containing some interesting essays upon subjects of importance."

"This work, from the information it gives respecting Eastern Habits, Manners, Countries, Animals, Scenery and People, all of which are doubly illustrated, by language and pictorial representation, will prove a valuable addition to Sabbath School and Family Libraries.

"There is no series of works, at the present day, of more practical importance, and deserving better encouragement, than that of Mr. Sears'. His design is to add to, and extend the interest of the Bible—to place its truths and valuable precepts in an attractive light. It is often remarked, that the young of the present age, though so intelligent, know less of the Bible than children fifty years ago. The reason has been, that their hands have been filled with popular and pleasing books, adapted to their capacity, and rendered attractive by illustrations and beautiful executions, while the Bible has laid neglected by all its golden tales, and thoughts, and truths, concealed in the sober and formal phraseology of King James's long-winded divines. Mr. Sears, by giving them a popular form, has conferred a great favor upon the young, and indeed upon all classes."

From the Boston Transcript.—"Altogether it is one of the most elegant works of the season, and must prove the most useful ever issued from the American press."

From the Boston Times.—"An elegant work of five hundred pages, and containing about 500 engravings. The contents of the volume appear to be sound, judicious and interesting. If this book meets with a circulation commensurate with its merits, it will be found in every dwelling in the Union."

Persons in the country would do well to procure a subscription book, and obtain at once the names of all their friends and acquaintances, at least, as subscribers to this valuable sacred gem. Will each Christian friend who complies with this request have the kindness to inform the publisher how many copies will be wanted for his neighbourhood, by mail, (post paid,) as soon as possible? It is the publisher's intention to spare neither pains nor expense to introduce this entirely new and original volume into every family in the British Provinces, where the Holy Bible is read and respected.

This beautiful and interesting Work consists of one large octavo volume, of about 500 pages, printed from new and elegant Bourgeois type, on the finest paper. The price is fixed at \$2 50 per volume, handsomely bound in gilt, and lettered.

All Postmasters and Newspaper Agents, throughout the British Provinces, are respectfully requested to act as Agents. The book may be procured at New York prices, by the quantity, on application to G. & E. Sears, St. John, N. B.
