DOWN THE BACK STRETCH

One of the best race cards and the biggest crowd of the season saw some very close finishes at the Charlottetown Raceway Saturday night. The many friends of Lorne Kelly were delighted to see him win the DD Trot with his namesake, Lorne Budlong, and lower his record to 2:16 3-5. He looked capable of 2:14 and perhaps will hit that mark before the season is over. He is really well bred being by Calumet Budlong 2:02 3-4, dam Tara Hanover 4, 2:16 by Bunter 2:04 3-4, dam Roma Dillon 3, 2:17½ by Dillon Axworthy 3 2:10¼. Tara Hanover was bred by Hanover Shoe Farms Hanover, Pa. and her owner, who is also the owner of Lorne Budlong, is S.J. MacDonald of Souris. Lorne had another win with the pacer Marion T., owned by C. O. Ellis of O'Leary. Time, 2:1-5-3-5.

Ray Stewart who is reported to have handed out considerable cash in trade for the 4-year-old Taurida Bay, must have felt that he had made no mistake after watching his horse, driven by Cyril Smith, win both dashes in the A Pace from Yuta. Premier J. Walter and others. The first dash was in 2:12 with the last half in 1:04. Another pleased owner was Luke Praught whose Lanadale, teamed by Emmett Bernard, closed up with the leaders to finish in front and take a record of 2:15 3-5. Elmer Smith also got a good hand from the crowd when he won the CC Pace with Famous Boy in 2:14 2-5—a full second off his record—and Jolly Bud (H. Cudmore) was a very close second.

Dr. R.F. Seaman was a visitor at Sackville Downs Saturday night and said the attendance was close to 4,000 and the racing real good. He was pleased to see the Island horses doing so well there and brought back with him a photo finish of a dead heat in the D Pace Invitational in which Sport Volo, driven by Ray O'Brien, and Just Betty's Mark, owned by Mrs. Don Seaman and driven by Don Seaman, were pictured for first place. Time, 2:16—a new record for Just Betty's Mark.

The Free For All was of course the big drawing card because of the appearance of Convair 2:01, owned by Harry Hirsch of Sydney, with such other stars as Dave Grattan 2:05, Newport Chief 1:59-3-5 and Josedale Clansman 2:-07 1-5. Convair was 1-1, Dave Grattan 2-3, Newport Chief 4-2 and Josedale Clansman 3-4. Time, 2:08 4-5, 2:07 1-5, which equalled the track record that he made on June 25th.

Horsemen are speculating that given good conditions at Charlottetown Old Home Week Convair may equal or lower the record of 2:05½ set up by Bud Wenger August 20, 1936, driven by Earle Avery. Don Seaman also had to his credit the winning of the CC Trot with April Bud in 2:16 1-5, Real Fingo (O'Meara) 2, Mack Fingo (Moreside) 3.

The last summary we have seen from Cape Breton was for the night of July 25th. Winners were: Races 1 and 4 Judy Richards (G. MacDonald) 1-1, Ace Fingo 2-6, Lady Reamore 6-2. Time 2:22 2-5. The winner is owned by Rod Andrews, Port Morien.

In the Classified Trot and Pace Lowetta Lee (Chiasson) was 1-1, Prairie Pete 2-2, time, 2:19, 2:18. In races 3 and 7, W. Abbe (J. Reid) was 1-2, Black Majesty (P. Gaum) 3-1. Time, 2:17 2-5, 2:16. Shining Hour won both dashes in the fast class for driver Worrell Lewis, Scotty Boy 2-3, Dan Budlong 5-2. Time, 2:13 2-5, 2:15 3-5. Shining Hour is owned by Dan MacSween, Sydney.

The 4-year-old trotters Galaphone and Scott Frost had another trotting duel at Roosevelt Raceway Friday night and it ended up in a photo finish so close that the judges took several minutes before they could decide that Galophone had the best of it. The time was 2:00 1-5, which erased the former world's record for 4-year-old trotters over a half mile track made by Star's Pride at Saratoga Springs in 1951. It was 2:00 3-5.

Yonkers Raceway, the most costly half mile oval in the world, gets under way tonight and racing will be continued there until November. Its first opening was in 1950. It holds the attendance mark for night harness racing of 33,359 set on May 9, 1953.

A list of the leading Grand Circuit drivers as of last week showed William Houghton in the lead with 25, Joe O'Brien second with 12, Del Miller 10, Sanders Russell 8. Of course Joe is only starting on the Grand Circuit and there is a long way to go and he may possibly overcome his rival's lead.

In a downpour of rain at Vernon Downs last week the Thomas W. Murphy $11,100 Trot wound up in a tie as the Castletown Farm colt Darn Merry and the S.A. Camp entry Bond Hanover each took a first and second. In the first dash Darn Merry driven by Wayne Smart, took a photo decision from Bond Hanover (J. O'Brien) in 2:07 3-5. It was reversed in the next mile by Bond Hanover showing best in the photo. Time 2:07 4-5. The track was considered several seconds slow.

The Strange Case Of The Missing Baseball Squad

The biggest mystery to hit Charlottetown in the past number of years is the Case of the Missing Baseball Team. Not being Earle Stanley Gardner we would attempt to solve it but we might present he facts as we k w them for perusal of our readers. Most of us know by now that the Philidelphia Sepia All-Stars failed to show up here for a game last Thursday night. We, along with about 1,000 fans, Abbie officials and players, waited for over an hour for their arrival but all efforts to locate them proved futile.

Why they didn't show or why haven't contacted the Abbies with explanations since is still Scotland yard Stuff. As far as we know they haven at even answered a telegram sent to their headquarters in Sharon Hill, Pennsylvania Saturday.

Anyway this is how the proposed game came to be arranged Brig Bill Reid first heard from this outfit early last spring when the snow was still flying. 'fter kicking the matter around a bit with the Abbies it was finally decided to arrange for an appearance and in June letters were exchanged which seemed to leave both parties in complete understanding of each other as to playing date, guarantee, etc.

In their final letter to the Abbies the All-Stars, through manager Dick Mays, said that they had an open date on Sunday, July 29th also. The Abbies replied that a Sunday game could be arranged if the All-Stars would be willing to split the gate, without a guarantee. In the same letter the Abbies once more confirmed the Thursday, July 26th, date. That was the last that anyone around here ever heard of the Philadelphia All-Stars.

Now is is almost inconceivable that a baseball team could afford to travel from the U.S. to P.E.I. without having a few exhibition games arranged with teams in other Maritime centres. With this in mind we contacted some other Maritime newspapers Thursday night. The verdict was unanimous. They had never heard of the Philadelphia All-Stars. For this we have no explanation.

this could happen unless they simply got their dates mixed. In which case how come there has been no answer to Saturday's telegram. Possibly they couldn't arrange for other games throughout the Maritimes. If so, how come they didn't contact the Abbies and cancel the appearance here

The Abbies were left out on a limb after having sold so many tickets for a game that didn't come off. About all they could do was offer a refund o anyone who wanted it. Since then arrangements have almost been completed for a game here Sunday with Springhill. Anyone wishing to use their ticket for that game may do so.

We think the saddest part of it all is not so much that anywhere from 800-1,000 people paid 50 cents for a game that failed to come off but that a great chance was lost to give baseball a real shot in the arm. It has been a long time since such a crowd turned up at Memorial Field for a baseball game and that game might have been just what was needed to bring them back to the local games. Even though it had rained earlier in the evening it was an ideal night for a ball game. The weather was quite warm and Memorial Field was in perfect playing shape, thanks to some fine work on the grounds by Earl (Diver) Riggs. We probably will never know for certain now but it is quite possible tat a good percentage of those fans might have been bitten once again by the baseball bug and once again Charlottetown baseball would be booming.

If anyone is interested in seeing the correspondence between the Abbies and the All-Stars we have all of it here in our desk at the Guardian.

In the report on Monday night's harness racing card at the Driving Park we flubbed in putting the finger on the horse who stumbled slightly just behind the starting gate as Prudence Hy. This was in error. Actually the horse was Queen Primrose. Our appoligies to that fine harness driver Ike Moreside, the driver

We don't know how a thing like of Prudence Hy.

Band Concert And Track And Field Meet Tonight At Park

Track and field fans will be treated to something more than just another track meet if they turn up for activities slated for Memorial Field tonight.

In addition the usual 100 yard dashes an broad jumps those in attendance will be treated to a fine band concert by the P.E.I. (17th Recce) Regiment band. The concert, which will include martial music and many old favorites is scheduled to b gin at 7 p.m.

The performance will be under the lights on the ball diamond.

The main feature of the evening is the Junior Track and Field meet. All events have been graded for boys 16 and under, 18 and under and 20 and under. There have been several entries received from Antigonish and other Island centres will be represented besides Charlottetown.

There are no trophies for high team aggregate nor the all-round athlete but gold medals will be presented to the winners of the various events and silver medals to the second-place finishers.

There are 14 track and field events n the agenda. Earl Nicholson will be the starter for the track events and George Walters will look after those in the field category.

The meet is being sponsored by some of Charlottetown's merchants.

Starting time again is 7 p.m.

Abbies And Barry's Play To 9-9 Draw In Opener

Barry's Lions and the Abbies battled to a thrilling 9-9 draw on the Parkdale Diamond yesterday evening in the opening game of the City Softball League finals for the Bevan Bros. Trophy.

The game will not go into the record books but will be re-played at the end of the series if it is needed, it was decided by the League executive. The series will continue on Thursday evening with Barry's playing the Abbies on the Old Diamond.

First baseman Garth Crockett, lacing a single off pitcher Art Ballem's arm into right field, drove homg two runners in the top of the seventh inning to enable the Abbies to come from behind and earn a draw. Crockett's blow scored Frank Dunn and George Schleyer.

The lead see-sawed back and forth during the exciting and well played game. The Abbies jumped into a 1-0 lead in the second inning as Schleyer 'igled and scored on an outfield fly by Garth Crockett.

Barry's came to life in the fourth as they combined singles, smart base running and costly Abbie errors for six runs. None of the Lions runs was earned.

Tiger Bradley opened the inning by reaching first on an error. Art Ballem flied out but Reggie Hughes was safe on another error. Mike Connolly, Willie Dunn, Duke MacCallum and Dick Carroll then produced singles and George Bradley kept the rally alive by reaching first on an error. Angie Carroll and Tiger Bradley both flied out to George Schleyer to end the inning.

But the Abbies came back with a bang in the fifth inning as they scored six runs to go ahead 7-6. Elmer Mahar started the rally away with a clean single. Charlie Ballem reached on an error but was fored at second on Paddy Shephard's grounder. Jack Hennessey and Vern Blanchard then hit singles and Bull Dunn walloped a triple George Schleyer walked and Billy Acorn laced a double Crockett flied out to end the inning.

Then in the last of the fifth the Lions sent three more runners across the plate on singles by Duke MacCallum, George Bradley and Angie Carroll.

In the first of the seventh with the Abbies at bat Vern Blanchard walked and Bull Dunn hit a sizzler down to third that Dick Carroll pulled down in brilliant fashion and prevented extra bases. Schleyer forced Blanchard at third and Acorn struck out but Crockett with two striked on him delivered the blow that tied the game.

Barry's threatened in the last of the seventh with two out. George Bradley, swinging a mean bat, cracked out a sharp single and Angie Carroll came through with his second hit of the game to put two runners on. Tiger Bradley lifted one deep over first but Crockett raced back to make the grab and end the game.

Art Ballem ailed for the Lions and was touched for nine hits while striking out two and walking two. Brother Charlie Ballem was the Abbies pitcher and also gave up nine hits.

Duke MacCallum, George Bradley and Angie Carroll each had two hits for the Lions. Jack Hennessey, Bull Dunn and Elmer Mahar had two hits for the Abbies.

Stanley Blanks Dodgers With One-hitter

Young Billy Stanley hurled the Flyers to a 14-0 victory over the Dodgers with a 1-hitter in Little League play yesterday morning at Memorial Field.

Stanley walked only two, sent 10 batters down swining and faced only 23 batters in his stoul 6-inning performance.

Schleyer, Rice and Freddie MacDonald did the mound duty for the Dodgers, with Schleyer the loser.

Ronnie Rice got the only single of Stanley.

Jim Molyneaux paced the 10-hit Flyer attack with a pair of doubles. Ross clipped a double and single and Franke Dow hit a double.

Jamie Kennedy made the defensive play of the game when he speared MacKinnon's liner at second base.

This morning it will be the Dodgers and Yanks. A bantam practice will be held this afternoon at 3 o'clock.

NEW YORK (AP) — Ray Jablonski's three - run homer triggered a five-run fifth inning as Cincinnati bounced back to defeat New York 7-3 Tuesday night after the last-place Giants had ended the Redlegs' five-game winning streak 5-1 in the first game of a twi-night doubleheader.

The split edged the second place Redlegs to within two games of the National League leading Milwaukee Braves, who were beaten by Brooklyn 3-2.

PITTSBURGH (AP) — Manager Bobby Gragan benched slumping first baseman Dale Long and shook up his lineup drastically but it all went for naught Tuesday night as the St. Louis Cardinals clobbered the skidding Pittsburgh Pirates 7-0, sending them down to their 6th straight defeat.

Veteran Murray Dickson, who formerly pitched for the Pirates, applied the whitewash brush as he scattered five singles.

DETROIT (AP) — Frank Lary pitched Detroit Tigers to a four-hit victory over Boston Red Sox Tuesday night and Al Kaline and Ray Boone cracked home runs in the Tigers' 6-4 triumph.

CHICAGO (AP)—Dick Donovan wild-pitched home the decisive run here Tuesday night as the Washington Nationals defeated the Chicago White Sox, 4 to 3. Lou Berberet, who had singled and reached third on a single by Pedro Ramos and an infield out, scored on Donovan's wild toss in the fourth inning.

PHILADELPHIA (AP)—Monty Irvin drove in five runs with a home run, single and double as the Chicago Cubs defeated the Philadelphia Phillies 9-4 before 13,788 at Connie Mack Stadium Tuesday night.

Mrs. Willett Defeats Wanda MacMillan For Tennis Title

Mrs. Elizabeth Willett retained her Island closed Tennis singles crown at the Charlottetown Club Monday by defeating Wanda MacMillan in two straight sets 6-3, 8-6.

Both sets were nip and tuck and Miss MacMillan, a perennial runner-up, gave the perennial champ

In a mixed doubles match played last evening Wanda MacMillan and Walter Cullen teamed together to down Paul Kays and Marj. Jardine in three close sets 6-2, 4-6, 8-6. The win enabled the team of MacMillan and Cullen to advance into the final round.

This afternoon the men's doubles championship will be decided when Andy Anderson and Jimmy Johnston tangle with Mark MacGuigan and Bud MacAleer at 4 p.m.

Tennis club officials have inaugurated instruction classes for each Monday, Wednesday and Friday mornings during the summer. There has been a fine turnout of youngsters to the classes and a need has arisen for more racquets. Anyone having an old racquet lying unused about the house would help the cause of Island tennis along immeasurably by loaning to the Charlottetown Club for these classes.

Anyone wishing to lend a hand with a racquet they are not using should contact the Charlottetown Club clubhouse or phone Paul Kays.

Dodgers Thump Flyers 13-2 In City Baseball Loop Tilt

Forbie Kennedy's hard-hitting Dodgers hopped into a tie for first place in the City Baseball League by manhandling the Flyers 13-2 last night at Memorial Field.

Scoring one run in the top of the first inning the Flyers held a 1-0 lead for four frames but in the fifth the roof came tumbling in as the Dodgers teed off on Jack Burke for 6 hits which along with two errors and a wild pitch gave the Dodgers 7 runs and the ball game.

The Dodgers got another runner home in the sixth and added four in the seventh and one more in the eighth for their big total.

SHEPHERD INJURED

Frank Shepherd, Flyers hustling catcher became the second casualty of the baseball season when he injured his leg attempting a steal of second base. A doctor on the scene reported a possible broken ankle but nothing definite could be learned last night.

Jack Burke went 6 innings for the Flyers before being taken out for reliever Jack (Spy) Ready in the seventh after the 9th, 10th, and 11th Dodger runs came in with none out. Ready was tagged for only 1 hit during his 2-inning tenure.

Burke gave up only 9 hits but his teammates played some shaky baseball behind him and contributed 6 errors to the Dodgers cause. Bruke struck out 5 and walked only one.

Ronnie Stanley went the route for the Flyers to pick up his fourth win against two defeats. Stanley gave up but 8 hits and was at his best with runners on the sacks, leaving nine Flyers stranded there. The Dodger hurler struck out and walked only 1.

Irv MacKinnon was the big man with the willow for the Dodgers as he crashed out a long 2-run triple in the 5th inning uprising and started off the Dodgers on the route to four more runs in the seventh with a lead-off single. Coach Kennedy knocked in one run with a long double and also clipped a single in five trips. Bobby Lund and Buck Whitlock each came through with two singles and young Harry Callaghan and Ronnie Stanley had bunt singles.

Jack Ready, fast regaining his batting eye, boomed out a prodigious home run over the right field fence near the 350 foot mark to provide the Flyers with their second run in the 6th frame. Ready also had a single in four trips. Earl MacKinnon and Jack Burke each hit two singles.

15 - year - old Harry Callaghan, making his debut with the Dodgers gave a fine performance at first base. Harry handled 8 chances flawlessly, had a hit, worked Burke for the only walk he gave up and made about the finest defensive play of the night when he dug Joey LeClair's low throw out of the dirt to nail Cuker Pineau at first in the sixth.

Bob Bedard Moves To Quarter-Finals

By PETER BUCKLEY
Canadian Press Staff Writer

VANCOUVER (CP)—Bob Bedard, 24-year-old first-ranking Canadian from Sherbrooke, Que., dragged his heels before an unranked - but - steady Californian Tuesday but moved into the quarter-finals of the men's singles at the Canadian lawn tennis championships with a 6-2, 9-7 victory.

Dark-haired Bill Beale of Hayward, gave the Canadian some rough moments, particularly in the second set.

Bedard himself appeared off form and almost lazy at times. He played much of the match from outside the service line and netted more than his usual number of returns.

However, he tightened up enough as the second set lengthened to assert his authority as second-seeded player in the tournament.

Other top seeds in the men's singles advanced with a minimum of effort.

Lean Bob Perry of Los Angeles ran through a 6-2, 6-0 victory over Art Jeffery, of Vancouver. Perry, 23, and seeded first in the tournament, displayed strong control and a deadly serve to outmatch his opponent from the start.

Third-seeded Noel Brown of Los Angeles, 30-year-old former professional, dumped Vancouver's Bud Silvester 6-1, 6-0.

Don Fontana of Toronto, The Can-

Pete Kelly of New Westminster, B.C., fell victim to fourth-rated adian Davis Cupper took the match 6-0, 6-2.

Paul Willey, Canadian Davis Cupper from Vancouver who is ranked eighth, knocked out Don Schroder of San Francisco, 6-2, 6-3 in his third-round match.

From the doubles, Bedard moved into the mixed doubles and suffered his first setback of the tournament.

Girl Falls Mile Short Of Goal

TORONTO (CP)—Shirley Campbell, 20-year-old stenographer and model, was pulled exhausted from Lake Ontario Tuesday night, less than a mile from completion of an agonizing swim across the tough, 32-mile lake.

The attractive marathoner from Fergus, Ont., had been in the water more than 18½ hours. Defeat by the belligerent lake came as thousands of persons lined the waterfront at the eastern entrance to Toronto harbor to cheer her to victory.

She was taken out of the water around 8:40 p.m. EDT after battling against a strong current that swept her in an easterly direction along the lakefront.

Minutes after she was hauled into her accompanying boats, a storm broke, sending seven-foot waves crashing over some of the smaller craft as they hurried for protection in the harbor.

SECOND DEFEAT

It was the second time the lake, conquered only twice, dealt its cruel blow of defeat to the five-foot-nine swimmer. She got to within three miles of Toronto last year before she was forced to give up.

Miss Campbell dived into the water at Niagara - on - the - Lake, Ont., at 1:56 a.m. Tuesday.

She was swimming so strongly that it appeared certain she would not only complete the grind but also smash the record time for the crossing set by Toronto's Marilyn Bell in 1954. Marilyn's time was 20 hours, 56 minutes.

However, the currents pulled Miss Campbell away from shore in the last half mile. When she quit, she was two miles east of her target.

Shirley's gallant attempt gripped the city with a fever similar to that of Miss Bell's epic journey. Thousands of people cheered the pretty blonde on as searchlights stabbed the dark sky to guide her home.

TO GET $5,000

Thousands of dollars in prize money, clothing and other personal gifts awaited Shirley if she had completed the grind.

However, she will get at least $5,000 even though she failed. The Star, Toronto newspaper which sponsored the swim, paid Shirley's expenses and offered her $5,000 if she was successful. The Star said Tuesday night it will give Shirley the cheque anyway.

Miss Campbell complained of shoulder pains when she slipped into the water Tuesday. Her early stroke—56 to the minute—slackened later, but never dropped below 50.

She stopped frequently the latter half of the swim for food and rest and a swim crew of pacers—including Gretta Anderson, Danish Olympic champion—dropped into the water from time to time to keep her company.
