William Pryde, Edinburgh Has Milo Farewell Party

Friends and neighbours gathered at the home of Mr. and Mrs. Blanchard MacIsaac to bid farewell to Mrs. MacIsaac's father, Mr. Wm. Pryde, Edinburgh, Scotland, who had been visiting on P. E. I. for four months.

A very pleasant evening was enjoyed by all present. Many old songs were sung including a few Scotch songs sung by "Pop" as Mr. Pryde had come to be known by young and old alike during his stay here. Mr. Charles Milligan supplied the violin music. At the piano were Mrs. MacIsaac and "Pop".

A very prettily decorated cake baked by Mrs. Albert Milligan was cut by "Pop" in the traditional manner. The cake was topped by a sailing ship, a Union Jack and bon voyage inscribed on top.

Several flash pictures were taken at this happy event. On behalf of the guests Mrs. David MacNeven presented "Pop" with a beautiful leather zipper utility case, and a beautifully worded speech was read by Mrs. Charles Milligan wishing him a bon voyage home and told how pleased they had all been to have his company during his stay here.

Pop was taken completely by surprise but he did manage to express his sincere thanks to all. A leather billfold was also presented from May and Blanchard family, after which all sang "For He Is A Jolly Good Fellow".

A delicious lunch was served. Shortly after all joined hands in the traditional Scottish manner and sang "Auld Lang Syne" and this pleasant evening came to a close by the singing of "God Be With You Till We Meet Again".

All departed to their homes wishing Pop, safe crossing over the sea, and expressing the hope of seeing him back on P.E.I. for another holiday in the near future.

Remembrance Day Address Is Given At St. Mark's

The Rev. L.M. Murray, Rev. E. H. Bean and Rev. Waldo Elliott, attending were the veterans, High School student, and protestants from all churches in the area.

The Rev. Father Callaghan was in charge of the Remembrance Day service at the Roman Catholic Church.

At the conclusion of the church services the congregation assembled at the Soldier's Monument, where wreaths were laid on behalf of the various organizations as follows—Next of kin, George Watson; Representative Mother, Mrs. Joseph Watson; Town of Kensington, Mayor Everett Champion; Canadian Legion, Donald Baker; Ladies Auxiliary, Mrs. Ruth Carr; St. Mark's W.A. and

"And Moses said unto the people, 'Remember this day,' were the words on which the Rev. W. Eric Ingraham based his Remembrance Day address at St. Mark's Church, Kensington, on Tuesday morning. He said, "Remembrance Day is not new. It is one of the oldest services in religion." "The newest part of it is because of the hope that belongs to Christians because of Christ's resurrection".

In a thoughtfully prepared sermon, Mr. Ingraham remembered those who have lost loved ones, as well as those who still lie on beds of suffering, all because of war. He drew attention to the feelings experienced by those observing the day, that of happiness that right had prevailed, sorrow on the loss of loved ones, thanksgiving for those who had stood by their Christian principles, and hope for the future.

He pointed out that the greatest sorrow for a Christian, might be to have no cross. "For then Christ has no use for us".

Assisting in the service were Vessey, his father, and Mr. McPhee), Constable Fischl said that he was summoned Dr. Prowse and an ambulance. Both arrived soon after and Dr. Prowse pronounced Mr. Currie dead.

Verdict Is Expected Today In Theft Case

SUMMERSIDE BUREAU OF THE GUARDIAN

The crown completed its case against Gerald William DesRoches of Toronto, formerly of Day's Corner, in Supreme Court Summerside yesterday, as no defence witnesses are anticipated it is expected the case will go to the jury early this afternoon after addresses by counsel and the charge by Mr. Justice G. J. Tweedy.

However, if the pair of gloves found by the RCMP at the DesRoches farm house at Day's Corner are admitted into evidence, the crown stated it would recall two witnesses. No ruling was made on the admissibility of the gloves yesterday.

DesRoches is charged with theft of a safe and \$60 from the J. P. Gaudet store in Richmond on September 8th. Lawrence Emmett Powers is awaiting trial on the same charge. J. Watson MacNaught, Q. C., represents DesRoches. D. O. Stewart is crown prosecutor.

N.C.O. TESTIFIES

In his evidence T. J. Keefe, N.C.O. in charge of the Summerside Detachment RCMP, stated he had cut two slivers of wood containing green markings from the L-shaped section of framework that evidence earlier revealed had been built around the safe in the Gaudet store.

Sgt. Keefe said he took these two small pieces of wood, along with a notched section of wood and the two pieces of two by four that were spiked together, which also contained green markings to the RCMP crime detection lab, Sackville.

Corporal G. R. Humphrey, who is in charge of the identification section RCMP Charlottetown, testified he had examined the interior of the store on September 8th for fingerprints with negative results.

He said he took several photographs as well. The witness stated he placed the L-shaped wooden framework (that had been built around the safe) back to Charlottetown and was present when Sgt. Keefe had removed the two splinters from the tongue section of the groove and tongue boards of which it was made, and which contained the green markings.

After further questioning on the chemistry of paint and other related subjects, Mr. MacNaught asked the witness if she could tell whether the paint on the various articles all came from the same can. She replied she could not say the paint came from the same can.

Norman Cameron, Summerside who located the missing safe on the Allen Road, October 12th told of finding the 500-pound safe accidentally in a ditch.

Linus Heffel, an employee of Muttart's Service Station, Summerside testified he had serviced the DesRoches car on the morning of September 8th and was paid in change by the accused. The bill he stated amounted to \$4.20 and added he remembered being paid in quarters, dimes and nickels, 15 quarters, five nickels and two dimes, he stated.

The case was adjourned until this morning at 11 o'clock.

injuries received as a result of being accidentally struck by a truck driven by Garfield Irving McPhee on the night of November 12, 1958 at approximately 5:30 p.m. and we, the jury, are of the opinion that the driver did all in his power to avoid the accident.

Members of the jury included Douglas Durber (foreman), Eddie Michael, Myron Bell, Harold Larter, Sidney Stead, Arnold Bruce and Hugh Simpson.

Mr. McPhee told the court that he was proceeding towards the Trans-Canada Highway on the North River road when he saw the deceased, James Currie, walking on the side of the pavement and the next thing he saw was Currie put his hand up as if to hitchhike and then take a step into the path of his truck.

Having no time to apply his brakes, Mr. McPhee said that he swerved into the path of the oncoming automobile but struck Currie.

Miss Coffin, the driver of the other car, said that she noticed the man on the road in the headlights of the truck shortly after she turned off the Trans-Canada highway on her way home. She went on to say that the truck swerved towards her and she thought that it had missed the man so she continued on her way home.

READ REPORT

The information was volunteered the next morning after Miss Coffin read the accident report in the local newspaper. She said, and the fact was later confirmed by Mr. McPhee, that both vehicles dimmed their lights when approaching each other.

The autopsy report submitted by Dr. Craig indicated that Mr. Currie died as a result of a fracture of the skull and brain damage below the skull.

The report also indicated that the deceased had received several fractured ribs which caused damage to the underlying lung tissues, a fractured collar bone and damage to the right kidney which resulted in considerable hemorrhaging.

He also stated that a blood analysis revealed that there was considerable alcohol in the blood stream and that the deceased was certainly intoxicated at the time of his death.

It was noted that it would be hard to determine whether Mr. Currie died as a result of his impact with the truck or as a result of being thrown to the pavement.

SAW VESSEY

Mr. Vessey, who resides almost directly across the North River road from where the accident occurred, told the court that he had seen the
