AIR CANADA FLYING OPERATIONS SUSPENDED...

The strike by more than 5,000 Air Canada employees, members of the International Association of Machinists, has forced the airline to cancel all flights.

Air Canada's ticket offices and telephone reservation facilities will remain open on a selected basis to provide all possible assistance to airline customers. For advice on travel planning, contact your travel agent or local Air Canada office.

Air Canada deeply regrets this inconvenience to its customers, and will continue to seek an early and equitable settlement of the current dispute. Please monitor all regular news media for future announcements.
