

Some Useful Hints.

Use common salt when sweeping carpets, and it will brighten the colors wonderfully. To prevent a bruise becoming black and blue, rub first in sweet oil, then in spirits of turpentine. To remove coffee stains, put thick glycerine on the wrong side of the article and wash out in lukewarm water. To take out iron mold stains, wet with milk and cover with salt. The latter also rubs egg stains from spoons. If your sewing machine runs hard and your oil is empty, try as a substitute equal parts of clean lard and kerosene oil. If there be much sickness on the neighborhood, boil the water which is used in babies' food, for boiling kills all the animalcules contained in the water. Cool it before using. Cabbage leaves deprived of their coarse nerves (ribs) make an excellent dressing for wounds of various kinds and obstinate ulcers. Apply night and morning with a bandage over them. To remove paint from windows, take strong bicarbonate of soda and dissolve it in hot water. Wash the glass, and in twenty minutes or half an hour rub thoroughly with a dry cloth. To clean bottles, put into them some kernels of corn and a tablespoonful of ashes half fill them with water and after a vigorous shaking and rinsing you will find the bottles as good as new.

Odds and Ends.

The march of righteousness should be played on an upright piano. "Yes," said the literary man with a sigh, "style is a fine thing for a writer to have, but when his wife's got it too it takes all the profit away." Artist—"I am thinking seriously of presenting one of my paintings to some public institution. Which one would you suggest?" Candid friend—"The Asylum for the blind." "Wherever you go, whatever you do, cling to the home that cultured you. Keep closely in communication with those at home, and, whether business or society demands much of you, don't forget the letters that bring light to your mother's eyes and send up a "God bless him!" to the throne above."

A Wonderful Flesh Producer.

This is the title given to Scott's Emulsion of Cod Liver Oil by many thousands who have taken it. It not only gives flesh and strength by virtue of its own nutritious properties, but creates an appetite for food. Use it, and try your weight. Scott's Emulsion is perfectly palatable. THAT TERRIBLE PARESIS.

Are the Canadian People Becoming a Nation of Lunatics?—The frightful increase of this most peculiar insanity and how it is cured. THE BRAIN (from a photograph.) In Healthy Condition. With Paresis Lesions. There are many well known men confined in our Asylums who but a short time ago were prominent among our business and social circles. Why are they there? Paresis! Did it come on at once? Not at all. It was a gradual but positive growth. They overtaxed nature. The drain on their vitality, their nerve powers, their brain tissue, was too great, and they gradually but surely sank under it. The things they did to bring this sad end about are precisely the same things that are being done by thousands of men and women to-day. It is not necessary to name them. They all end disastrously unless checked or regulated. Prof. Phelps, of Dartmouth College, knew this fully when he began his experiments which resulted in the discovery of the wonderful Paine's Cereby Compound. He realized that paresis (consumption of the brain) was our great National weakness. He knew that the brain and nervous system must be fortified to meet the great strains which modern life bring upon it. He saw that men were becoming debilitated, and women weakened by the pressure and demands of life, and he sought and discovered the remedy Paine's Cereby Compound, if rightly taken, will renew the brain and build up nerve tissues as fast as they become exhausted. It is not a narcotic. It contains no drugs, no nostrums. It is perfectly pure. It is absolutely harmless. The high character of its discoverer guarantees this, and the indorsement of the medical and chemical professions prove it.

\$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure. SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharge falling from the head into the throat, soreness of the throat, and acid, at other times, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, heaving or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression; a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "Cold in the Head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 75c per cent.

"Untold Agony," from Catarrh." Prof. W. HADEN, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. My throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent." "Constantly Hawking and Spitting." THOMAS J. RUSHING, Esq., 292 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months I could not breathe through my nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now well again. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure." Three Bottles Cure Catarrh. ELI ROBBINS, Runglan P. O., Columbia Co., Pa., says: "My daughter had a catarrh which she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw a permanent cure. She is now eighteen years old and sound and hearty."
