*Holloway's Pills.*—Nervous Irritability—The very perfection of the human body renders it like a complex machine, very liable to be thrown out of order—a state that is a once made manifest by the nerves. Holloway's Pills are always the reasonable and reliable remedy; they relieve every ailment, which is not mortal, in the human system. As alternatives, stomachics, tonics and aperients, these Pills occupy a proud pre-eminence, from which no other medicine can dislodge them; they restore health and strength which nervous dyspeptic sufferers have failed to discover elsewhere. Holloway's Pills act so directly upon the organs of digestion, assimilation and circulation that they immediately arouse torpid organs, augment diminishing vital power and support failing energies.
