ACCIDENT.—On Saturday evening last Mr Milton Whitehead, Stanley Bridge, met with an accident which cost him the top of the forefinger of his left hand. He was firing a gun when it burst with the above result. This should be a warning to young boys to be more careful when handling firearms.

VALUE OF COLD STORAGE.—Martin Bros. received by the Gaspeia a quantity of poultry ordered over 100 days ago. Though 80 days en route it is still fresh as if killed yesterday. The shipment was preserved by cold storage, and demonstrates the value of this means of preserving perishable goods or fresh meats, and also the necessity for its introduction in other steamers coming here.—St. John's Nfld. News.

NEWS NOTES

Great Britain has considerable of a little war on in Kow Loon, the new district over from Hong-Kong leased from China. The natives seem to have the same objection to modern rule as is shown by the Filipinos to the U. S. spreaders of civilization. When they are licked and ruled for a while they may know more.

A number of horse handlers in St. John N. B., have been attacked by a curious disease. It takes the form of small abscesses or boils in the glands, very painful and difficult to treat, and is confined to men handling horses affected with a form of equine variola.

SIR RICHARD'S LITTLE TEST.

(Mail and Empire.)
Sir Charles Tupper never appointed any relatives to the public service: but Sir Richard Cartwright used to charge him with nepotism because his son had carried a constituency and entered the Cabinet, while a son-in-law had been appointed, on the recommendation of the Imperial Government, to the management of the Kingston Military College.
Mr. Davin, in his recent speech gave Sir Richards own record as a nepotist, thus:
His brother, chaplain to the Kingston penitentiary.
His son, Robert, assistant Adjutant-General.
His son, Frank, Inspector Mounted Police.
His son, Henry, Ontario Civil Service.
His cousin, James, position in O-goode hall.
His cousin, John, Deputy Attorney-General, Toronto.
Second cousin, M. O'Hara, Dominion Civil Service, and secretary to Sir Richard.
Second cousin, Straubenzie Cartwright, Military school.
It is a pity Sir Richard raised the nepotism question and tried to affix the stigma of selfishness to Sir Charles.
Sir Charles Tupper is anything but selfish.

RAILROAD....

KIDNEY A Disease Peculiar to Railroad Men, which is readily Cured by

Dr. Chase's Kidney-Liver Pills.

Did it ever occur to you that most railroad men die of kidney disease?
Such is the fact, however, and the disease is known among railroaders as "railroad kidney."
The first and most marked symptom is a weak, lame and aching back. You may think at first that you are only tired; but as this trouble increases day by day, kidney disease, with all its terrors, is fast claiming you as a victim.
Mr. Geo. Cummings, for over 20 years engineer on the Grand Trunk running between Toronto and Allandale, says: "The constant duty with my work gave me excessive pains in my back, racking my kidneys. I tried several remedies until I was recommended by my fireman, Mr. Dave Conley, to try Dr. Chase's Kidney-Liver Pills. Two boxes have completely cured me and I feel to-day a better man than ever. I recommend them to all my friends."
Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c. a box, at all dealers, or Edmanson, Bates & Co., Toronto.
