SPECIAL DESPATCHES TO THE EXAMINER.

A DISTRESSING ACCIDENT.

THREE BOYS DROWNED.

DALHOUSIE, Sept. 23. One of the most distressing accidents which has ever occurred here took place last evening, in the death, by drowning, of Jos. Barberie, George Edward and Lawrence McHugh. The boys had spent the afternoon on the Bon Ami rocks in front of the Inch Arran Hotel, and when returning in the evening, about seven, the boat must have upset. Their cries for help were heard by two or three who, for some reason not yet explained, could not go to their assistance. The boys clung to the boat and all three came to the shore with her. It was thought they were too much exhausted to come out of the surf and perished.

LATER.

It has been ascertained that the parties who heard the cries of the unfortunate boys did make every exertion to get to their assistance, but owing to no boat being within reach it was impossible to do so. There was a heavy sea and it was too dark to see their position and the cries soon ceased.

Yellow Fever.

JACKSONVILLE, Sept. 23. There were 138 new cases of fever and 10 deaths to-day. Ninety of the new cases were colored people.

MERIDIAN, Miss., Sept. 23.

The board of health to-day ordered that no persons be permitted to get off any trains in the city, and after 12 o'clock to-morrow no train be permitted to stop in the city, but to run through with locked doors at a speed not less than 20 miles an hour. There is no yellow fever here.

T. Jeffrey, General Manager of the Moncton Central Railway, is in receipt of despatches from many points along the road in Kentucky, Tennessee, Mississippi and Louisiana, concerning the reports of terror which prevail in consequence of the prevalence of yellow fever. The excitement is widespread at many points. The perturbed feeling has resulted in completely stagnating business and preventing traffic. Mr. Jeffrey said to-day that there are probably one hundred and fifty places along the Illinois Central lines, where the people have taken matters into their own hands and established an embargo so complete in a number of instances as to even shut out the mails, medicines and physicians.

Distinguished Visitors.

OTTAWA, Sept. 23.

The Chinese Minister of War and the Minister of Punishment and Pardons are in the city and were courteously shown through the various departments yesterday by Hon. Mr. Bowell. Owing to their nationality, they were sent here in bond from New York; but were, on their arrival, freed from the restriction. They seemed to view the matter as an excellent joke when it was explained to them through their interpreter. They state that they are travelling to acquire information regarding the government of foreign countries.

A valuable gold watch belonging to M. K. Foo was stolen from his room in the Russell House, along with other valuable jewelry belonging to the rest of the party.

TORONTO, Sept. 23.

Two cases of smallpox have been discovered in this city, and one can be traced to a woman from Buffalo, where the disease is prevalent. Every precaution has been taken here to prevent the spread of the disease.

Rev. J. Hudson Taylor and eighteen missionaries for China addressed an immense farewell meeting here to-night. They leave on Tuesday. More than half of them are ladies.

HALIFAX, N. S. Sept. 23.

The Council of the Barristers' Society have suspended King and Barrs from the society for six months for unprofessional conduct. Their judgment is a lengthy document, and finds that the firm had an arrangement with W. K. Ferguson, who is not a solicitor, that he should share in all costs of suits that he gave them to collect.

Celery is an article of food that is coming more into favor as its medicinal properties come to light. Are you nervous, irritable, or out of sorts? Do not, I pray you, fly to quack mixtures, or destroy the nervous system by a too liberal use of the pipe or cigar. "Come, let us reason together." Throw your medicine to the dogs; the loss of a stray canine or two would not be missed in our now over-populated dog life. Are you a smoker? Throw your black poisonous saturated pipe in a tub to soak, and for one month bid good-bye to medicine and pipe, and try a judicious, systematic use of Gay's pure white celery, (unadulterated, as nature provides), and if you are not benefited by the experiment, there must be something radically wrong in your composition. A fine retail supply on hand at our stalls, Market House, Charlottetown. Orders taken now for winter supplies. Address, JAMES J. GAY & SONS, Pownal. sep13 mon & thur fr

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind. [April 1 '88]
