Dorothy Dix's Column—

seems witty. As you come to realize that this form of humor elicits an unfavorable reaction and that it is alienating you from friends, and probably irritating your family, you'll get over it. In the meantime, of course, damage might be done. You must make a determined effort to conquer the falling. To help you to do so, I suggest a list of good, inexpensive pamphlets. A self-addressed, stamped envelope will bring it to you.

DEAR MISS DIX: I'm 17, and in love with a boy, 18. He says he loves me and wants to marry me when I finish school. However, he doesn't want to be tied down to steady dating in the interim. He wants to be free to date as he likes, BUT, he wants me to stay home waiting patiently for the year to end.

ANSWER: Of all the gall! Tell your Romeo that girls have advanced since the middle ages. They are no longer obliged to sit spinning in towers while their would-be loves wander the countryside. You'll brand yourself as a fool if you acquiesce to the proposition this lad has offered. If he loves you—and I assure you he doesn't—he'd be only too happy to forego dating others. He's selfish and uncouth and should be given his leave immediately.

Miss Nissen cannot reply personally to readers but will answer problems of general interest through this column.

MONTREAL, May 14—Mmmm! Don't you love the smell of fresh washing hung outdoors to dry? And you'll love the look of it, too, when your white things are really white. How can you get them that way? With Blue! Yes, washing will make clothes clean, but even a washing machine can't make them white. That is the special property of Blue. True whiteness is made up of all the seven colors of the rainbow and if blue is missing, white turns to dingy yellow. That's why washing needs that last rinse with Blue to restore sparkling whiteness. And remember, Blue is kind to the finest fabrics. So use safe Blue to keep your white things white. Costs just a few pennies a month. Yes for the whitest wash, use RECKITT'S BLUE.

'Tis The Merry, Merry Month of May . . . but you can't be cheerful if you're suffering a painful, burning corn. What to do? Do try new BLUE-JAY Corn Plasters with Phenylum. Phenylum gets under your corn and helps push it out from underneath . . . the first really new medication for corns and calluses in over seventy years. As a matter of fact, in actual tests it went to work 33% faster . . . and acted 35% more surely than any other leading remedy. I'm not surprised that three out of four corn-sufferers who try new Blue-Jays say . . . "They're the best corn remedy I've ever used!" You will, too! Ask for Blue-Jays with Phenylum at your favourite drug counter today.

Danger Ahead! There's sure to be trouble with the family if I forget the HEINZ TOMATO KETCHUP at mealtime. But that's not often, because I use it as much as they do. Heinz Ketchup adds spice, variety and exciting tomato flavour to every dish it touches. And what tomato flavour! It's the real, rich flavour of ripe, red "Aristocrat" tomatoes, spiced and seasoned to perfection by Heinz' experienced chefs. Just try it . . . see what it does for food at the table and in the kitchen. I always buy two bottles at a time . . . one to set before the folks at mealtime—one to cook with.

Found: Large Sum of Money . . . I always get a kick when I read this in the newspaper because it's proof of someone's honesty. But, unhappily, it doesn't happen very often. Usually, money lost is never found, to the great sorrow of the loser. That's why I don't take chances. Just before I leave on holiday, or set off on a trip, it's become second nature for me to change my funds into B of M Traveller's Cheques. That's the safest, soundest way of carrying money that I know. You see, Traveller's Cheques are only good when their owner signs them a second time—when the cashier then or makes a purchase. Only you can use your B of M Traveller's Cheques. So don't let money lost—or stolen—spoil your holiday. Be wise and have a grand vacation—get Traveller's Cheques at your BANK OF MONTREAL before you begin your trip.

May Meeting of P.E.I. Presbytery

The May meeting of the Presbytery of P.E.I. was held on Tuesday in the Church Hall at Summerside with the Moderator, the Rev'd. Donald Nicholson in the chair and the clerk, the Rev'd. T. H. B. Somers, at the desk. The following were also present: Rev. F. N. Young, Rev. D. A. Campbell, Rev. E. S. Hales and Rev. M. C. Currie, together with the following Elders: Mr. W. C. Lawson, Mr. Preston Campbell, Mr. E. A. MacInnis, and Mr. Jas. Marchbank. The Clerk reported the inability of Mr. Murdoch MacPhee and Mr. A. A. MacDonald to attend the General Assembly in Toronto in June and Mr. W. C. Lawson and Mr. Preston Campbell were appointed in their place. Final steps are now being taken to complete the entire purchase of Camp Kelt, free of debt, in the name of the Trustee Board in Toronto. Further progress was also reported in the establishment of a memorial cairn to mark the Gor-

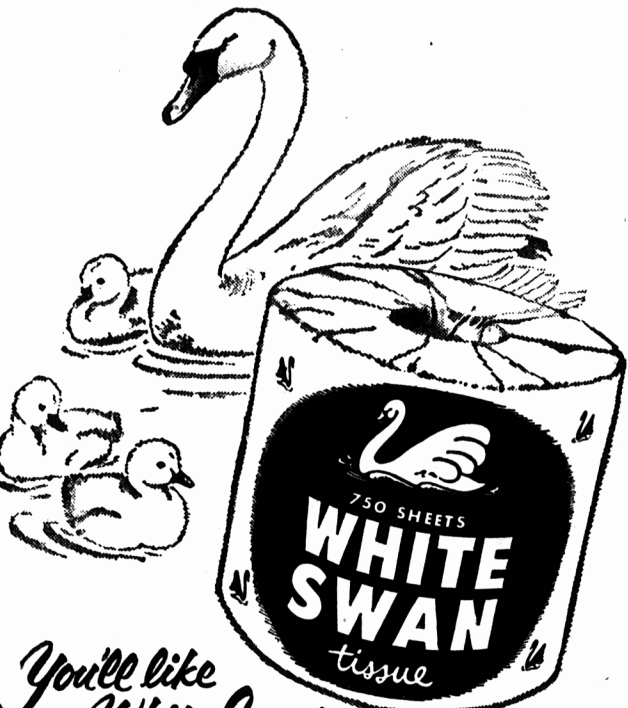

don Homestead at Alberton. A call was sustained from the Alberton Charge in favour of the Rev. W. G. Lewis of the Parish of Boiness in West Lothian, Scotland. A student, Mr. Gerald Doran will serve this field for the summer months. All the fields will be manned this summer—Mr. Goodwill MacDougall will serve at Breadalbane and Mr. Alfred Williamson at the Tyne Valley Charge again. The Brookfield Charge is to have the services of the Rev'd. Laurance Bialkie who will be ordained in the Brookfield Church on June 25th; the Marshfield Charge is to have the services of the Rev. Lee M. MacNaughton who will be inducted there on May 26th; the Belfast Charge is to have the services of the Rev. J. E. Heatherwood who is to be ordained and inducted on July 2nd, consequent to his reception into the Canadian Church by the General Assembly in June. The next stated meeting of the Court is appointed to be held in St. John's Church, Belfast, in July.
