March 18. The Vice President, Rolly Larkin called the meeting to order.

Eighteen members answered roll with an Irish Joke. Robert Orr extended a welcome to new members Mark and Lawson Gallant. The treasurer reported \$35 on hand.

The Education committee reported that Dr. George C. Fisher, Alan Palmer, the Fire Marshal and Harold Clay have all been contacted for guest speakers in the near future. Dr. Fisher will be in attendance at the next meeting.

FINANCE

The responsibility for allotting shares in the Recreation Centre when it is incorporated is in the hands of the committee made up of Ralph Dickieson, Rolly Larkin and Robert Rackham.

The Fire Department have organized the area that has not previously been canvassed. Three teams made a start in the South Rustico area where \$140 has been collected on Tuesday and Wednesday evenings. The Department is grateful for the good response. The money from this canvass will be used to extend the fire hall and put a foundation

NEW GROUPS

It was stated that any farm boys and girls or young married couples interested in starting a Junior Farmers group in

under a Fire extinguisher for the department are under consideration.

Five keys for Recreation Centre door have been made. These will be placed in the hands of the directors.

Correspondence will be sent by the president to Roy Grant of Maritime Co-op Service Ltd., Moncton, N.B. and Dave Peacock of the Department of Agriculture, Charlottetown concerning the projects for the future.

A hot plate will be secured, for use in the canteen, by Elbert Orr. Insurance on the Recreation Centre has been increased by \$1,000 bringing the total to \$2,500.

The remainder of the evening was spent painting signs for the Recreation Centre and district markers. All proceeded to the home of Mr. and Mrs. Ralph Dickieson where a social hour was spent and a delicious lunch served.

their area may write to Mrs. Robert Rackham, Hunters River, sending a stamped, self-addressed envelope. The age group is 16-21 and both girls and boys attend. All letters will be answered promptly as received including all information possible to assist in groups. It is not essential to have 4-H members but it can be very helpful. Letters should state some of the interests of the young people in the area; the prospective meeting place such as school, hall, and the community around which other dis-

tricts could participate

All assistance possible was promised, to such new groups.

An invitation was extended to any interested young farm people of the area surrounding New Glasgow to attend the meeting of April 1st to hear Dr. George C. Fisher.

Remember His Words." Luke 24, 2.

The women had come to the tomb that first Easter morning filled with sorrow. Then as they made the startling discovery that Jesus' body was gone, their grief gave way to perplexity and fear. Then, "they remembered His words"—and the joy of the living Christ began to dawn. How often has the experience of the women at the tomb been repeated in our own lives! Overcome with sorrow, perplexity and fear, we have "remembered His words"... and all has been well.

"Why should my child memorize Scripture passages?" a parent recently asked a Sunday School leader. The leader recalling his own recent sorrow replied, "Sometime he will remember these words of Scripture and be glad to know them by heart."

The Bible Society strives to give the Word of God to all men everywhere, and millions have found it a source of guidance, comfort, and... a "steadier" far surpassing the many drug store sedatives and tranquilizers. Millions too, are following the words of the Psalmist when he said, "Thy Word have I hid in my heart that I might not sin against Thee."

We help in this great mission when we remember the Society in our prayers and with our means—and on Prince Edward Island we also help when we purchase material at The Bible House, the profits of which are used to maintain and develop the work.
