Hits High Ball In Ladies Softball Series

Marion Rogers of Andy's Aces drives a high ball into right field in the second game of the finals between Andy's Aces and George's Gals for the Summerside Ladies softball championship. Marion later was called in as relief pitcher when Marie Peters was injured in a collision at home plate after running in from the mound in an endeavour to tag Wanda Chappell sliding in from third base. So evenly matched are these two teams that both games ended in a 5-all tie leaving the best three out of five games still to be played. Spectator interest in this series is very keen and a large number of fans are always on hand to cheer the spirited playing ability of the girls. Andy's Aces who are capably coached by Walter Peters and Stuart Grady will meet George's Gals equally coached by Layton Schurman and Tiddy Phillips in their third straight encounter tomorrow evening. Blood Clinic At Wellington Proves Success

The first of the week's Red Cross blood donor clinics to almost reach its objective was held in Wellington Station hall last evening with an attendance of 82 donors. This was Wellington Station's first clinic of this kind and much credit for the large attendance goes to the residents of Egmont Bay parish as the largest percentage of donors came from this area. The mobile team was assisted by the Catholic Ladies' Aid of Wellington Station who provided refreshments of the donors as well as additional workers. The total number of donors registered in the first four of the week's clinics was 289 on an objective of 400. This means that an all-out effort will have to be made at the remaining clinics at the R. C. A. F. Station and at Crapaud today, and at Eldon and Montague tomorrow in order to come anywhere near the 950 objective required.

Worthy Citizen Marks 84th Birthday

On Saturday August 15, Mr. William Smith, one of Bloomfield Station's oldest and most highly respected residents, reached his 84th milestone. Mr. Smith, though a retired farmer, still lives on the homestead where he was born and takes a keen interest in the work on the farm. During World War II, while three of his sons were serving in the R.C.A.F. and it was almost impossible to secure farm help, Mr. Smith and his good wife carried on their farm operations unaided. It is also worthy of note that on July 15, 1953; Mr. and Mrs. Smith celebrated their 57th wedding anniversary. From this union they have 11 children, five sons and six daughters, and a large number of grandchildren and great grandchildren. Mr. and Mrs. Smith still enjoy good health and take a keen interest in the welfare of their community.

Wing Commander Ballis, who has had a most successful career in the air force, was born at Victoria, B.C., and joined the air force in 1940. In 1941 he came to the G.R. School at Charlottetown from where he went overseas for approximately three years, returning home late in 1944. From 1944 to October 1945 he was chief flying instructor at Patricia Bay and from 1945 to 1948 was stationed at air force headquarters from where he went to Greenwood and expects to be stationed in Summerside in the near future. His talk yesterday was entitled "Maritime Warfare O.T.U. Operated", and he said that in the last two wars the greatest danger was the U-boat peril. "During the last war," he said, "the battle of the Atlantic was the dominating factor all through the war. Never for one moment could we forget that everything happening elsewhere, on land, on sea and in the air, depended ultimately on its outcome." Guests present at the meeting were Mr. Vernon Craig, Bedoue, and Mr. Paul Theriault of Ottawa, Ont. Rotarian guests were Messrs. Bill Collins, Taunton, Mass.; Andy Christie, Haverhill, Mass.; and Dr. S. A. Montgomery, Newport, N.H., and James Norton of Moncton, N.B.
