

# "Moose" Blasts Red Sox; Dodgers Down Phillies

BOSTON (AP) — New York crushed the Red Sox 17-8 Monday night with a late-inning deluge that tied the season's high in run production. Bill Skowron, who thrives on Boston pitching, drove in four Yankee runs.

Trailing 6-4 going into the seventh inning, the aroused New Yorkers scored eight times and followed with five more in the eighth to equal Kansas City's 17-run outburst against Cleveland Pair 24. That score was 17-6.

Boosted by a 13-hit attack on four Sox hurlers, Yankee right-hander Johnny Kucks was credited with his second triumph of the campaign after three straight setbacks.

WASHINGTON (AP)—Washington's Jim Lemon crashed a home run with two out in the 11th inning to beat Baltimore, 3-2 in the first game of a double header, then unloaded a three-run homer in the first inning of the second game as Washington took the nightcap, 10-6. The first game was suspended after five innings April 21 due to light failure.

ST. LOUIS (AP)—Veteran Stan Musial, the leading hitter in the National League, unloaded a two-run homer and youngster Lindy McDaniel twisted tight baseball as the St. Louis Cardinals dropped Chicago Cubs Monday night, 6-2.

PHILADELPHIA (AP) — Duke Snider and Gino Cimoli homered, each with one on, and that gave the Brooklyn Dodgers all they needed to down the Philadelphia Phillies 5-1 Monday night and rout Robin Roberts, who was nipped for his sixth loss against three victories.

Dodger sophomore Don Drysdale pitched a 20-game winner for six years, gave up his 13th and 14th home run pitches of the season.

Drysdale collected his fourth win against a single defeat.

Snider's homer, eighth of the season, came in the third after Peevée Reese had walked. Cimoli's, his fourth this year, was

preceded by Carl Furillo's double. The other Dodger score was in the second. Furillo singled, advanced to third on a single by Gil Hodges, and scored on a throwing error by Reese after a single by catcher Joe Lonnett.

CHICAGO (AP)—Veteran lefty Alex Kellner scattered seven hits in his first complete game of the season Monday night to hurl Kansas City's A's to a 7-1 victory over Chicago White Sox. It was the league leaders' worst beating of the campaign.

The A's romped to their fourth straight victory on Lou Skizas' seventh homer of the season in the second inning.

WASHINGTON (AP)—Jim Lemon's blast into the left field bleachers of George Zuverink with two out and none on in the 11th inning lifted Washington to a 3-2 victory over Baltimore Monday night as the clubs completed a suspended game of April 21. The teams played a regularly scheduled game after completing the contest called because of light failure.

MILWAUKEE (AP)—The National League leading Cincinnati Redlegs won their first game of the season from Milwaukee Braves, 11-6 Monday night in a 10-inning game that saw Hal Jeffcoat and Johnny Logan ejected for fighting in the final inning.

DETROIT (AP)—Detroit Tigers turned Early Wynn's wildness into four runs in the seventh inning Monday night and broke a three-game losing streak with an 11-5 victory over Cleveland Indians.

Working in relief for the first time this season, Wynn walked home the winning run after the battle in the early stages of the three-hour, 22-minute marathon.

All of Wynn's troubles came after he retired the first two batters he faced. Al Kaline doubled to start it and Wynn walked the next three batters. Frank Bolling laid a perfect bun down the third base line, scoring another run and Paul Foytack, third Detroit pitcher, singled in two more runs.

## Denials Made Concerning Signed Contract Reports

NEW YORK (AP) — A report that all contracts have been signed for the transfer of Brooklyn Dodgers to Los Angeles, New York Giants to San Francisco and Cincinnati Redlegs to New York was greeted with denials from all sides Monday.

The report, which went on to say that the National League would draft plans for such franchise transfers at the annual summer National League meeting in Chicago today, drew a denial from league president Warren Giles.

"No request has been made by any club to move any franchise anywhere at any time," Giles said by telephone in Chicago.

"Whether any request will be made at tomorrow's meeting, I don't know," he added, "but there certainly is no such request on the agenda."

Giles did say, however, that there was a proposal on the agenda to change the constitution so that only a three-fourths vote, rather than the present unanimous vote, be required to transfer a franchise.

"The proposal was submitted by the Milwaukee club," Giles said. "That's nothing new. It has been defeated three times."

Although Giles would not comment, it was learned that the National League moved up its meeting, originally scheduled for July 8, in St. Louis, was because of the congressional hearings on baseball which open June 10.

## Whitby Dunlops Represent Can.

By JIM PEACOCK  
Canadian Press Staff Writer

EDMONTON (CP) — A Cinderella hockey team with an oratorical genius as a manager has been given permission to represent Canada at the 1958 world championships in Oslo, Norway next February.

Whitby Dunlops, the Allan Cup champions from the Lake Ontario town of 7,500 who went all the way in their first year in senior A competition, Monday obtained that permission from the Canadian Amateur Hockey Association.

Canada was not represented at the 1957 world championships in Moscow won by Sweden. The country's 1956 representatives lost to Russia in the Olympic hockey tournament.

The CAHA passed a resolution put forward by delegates from British Columbia and Saskatchewan that authorized Whitby to represent Canada at the world meet in 1958 provided the club handles all necessary financing and that there will be no cost to the CAHA.

2. Makes it mandatory that Dunlops strengthen its present roster by six players; and

3. Provides that in the future, if a Canadian team wins the Allan Cup and can arrange financing at no cost to the CAHA, it will be the first choice as Canada's representative at the world meet.

Manager Wren Blair of the Dunlops was well received by delegates, most of whom agreed with his contention that it is more important that Canada should participate in the world championships than that she should participate only if she was assured of winning.

Blair's case for Whitby contained these points:

That the team is willing to accept the CAHA's recommendations for strengthening the club by six players; that it has permission from the Ontario Hockey Association to leave its league in January, 1958, to travel to Europe for exhibition games before the world tournament and to remain for more such games afterwards; and that Dunlop of Canada, the rubber company which has sponsored the team for the last three years, is prepared to underwrite the club's operation and participation expenses if it was chosen on its merits.

A general outline of the projected Whitby trip, as outlined by Blair, would see the club play 10 to 12 exhibition games before the world meet and several after it. Money from the exhibitions would pay transportation and living costs to and from and in Europe. The Dunlops backer would pay the rest.

## Ted And Stan Are Still Leading

NEW YORK (AP) — Ted Williams won his first of four American League batting championships 16 years ago. Stan Musial won his first of six National League batting titles 14 years ago.

Monday, older, slower, but still effective with the bat, these two again lead their respective leagues as the major league baseball season approaches Memorial Day—the season's initial milestone.

Williams holds a commanding advantage in the American League competition even for this early in the campaign. The Boston Red Sox' star climbed 17 points in last week's games. With a .411 average he's 50 points in front of Runner-up Mickey Mantle of New York Yankees.

The National League race is much closer. Musial, in fifth position, came out of the gate on the strength of a 12-point increase to 3.62. The St. Louis Cardinals' first baseman had 11 hits in 21 times at bat.

Dick Groat of Pittsburgh, who suffered a severely sprained ankle in Sunday's game against Philadelphia, is second with .352. He picked up seven points before the injury. Groat is followed by Ed Bailey of Cincinnati, 3.48, Don Hoak, another Redleg, 3.47 and Willie Mays of New York Giants, 3.46.

Milwaukee's Frank Robinson, one-two last week, slumped 21 and on 16 points respectively and now they are tied for sixth place at 3.45.

After Mantle, with .361 in the

## Herb Score To Leave The Hospital This Morning

CLEVELAND (AP) — Pitches Herb Score will leave Lakeside Hospital this morning, just three weeks after his right eye was injured by a line drive in a night game against New York Yankees.

The Cleveland Indians' \$1,000,000 southpaw ill go to Hagers-town, Md., to spend further recuperation time with his uncle, Arthur Flood, who is sending a plane here for Score's trip to Maryland.

Dr. Charles Thomas, eye specialist, has been pleased with the way Score's injured eye has been mending. The damage was diagnosed as a swollen retina, and it will require additional time before the exact extent of the effect on Score's vision, if any, will be known.

The pitcher is on the Tribe's disabled player list until June 8, but he is not expected to get back into uniform for several weeks after that date.

Coincident with the announcement of Score's departure from the hospital, the Indians said pitcher Bob Lemon left Monday for his home in Long Beach, Calif., to convalesce from a leg injury. Lemon suffered a pulled muscle in his left thigh fielding a bunt in last Friday night's game with Chicago White Sox.

Trainer Wally Bock said it would take at least two weeks for the 36-year-old hurler's leg to get better.

### Teach Indian Guides That Comfort In Camp Pays Off

By JACK VAN DUSEN  
Canadian Press Staff Writer

OTTAWA (CPA) — A husky Indian guide spreading a tablecloth before a camp fire may become a common sight in the hunting grounds of northern Manitoba.

The white man is teaching bush manners to rugged guides at The Pas and the 19 graduates of the first two-week course will put their new knowledge of camping etiquette to the test this year.

"An Indian on a camping trip is satisfied with curling around a stump with a blanket when it's time to sleep," Hugh Conn, head of the wildlife and fisheries section of the federal Indian affairs branch, said in an interview.

Provincial and federal experts are trying to teach him that tourists find the bush much tougher than he does and a few comforts of home would make for more satisfied customers.

The guides, who draw about \$10 a day during the hunting and fishing seasons, are taught camp comfort, cooking, sanitation, how to read a compass and maps and the game laws.

"They learn that they have to carry a tablecloth—even a clean piece of canvas will do—make brush beds and keep the campsite clean to keep the tourist happy and comfortable," Mr. Conn said.

**REFRESHER COURSE**  
"Obviously, we can't teach an Indian where to catch fish or how, but we can give him a refresher course on what to do with them when caught," said Mr. Conn.

Cleanliness in cooking is stressed and the Indians are encouraged to introduce colorful dishes for the benefit of tourists—like cooking bannock, a bushman's bread made with baking powder, flour, lard, salt and a little water.

"Actually they know how to do all these things; we just have to stress the importance of doing them," said the 52-year-old veteran of 16 years service with the Indian affairs branch.

Top-notch guides from five bands were picked for the course last year. It proved such a success with the Indians that a second course will be held at The Pas this July.

Experts like Ed Dagget of Winnipeg, federal supervisor of wildlife and fisheries in the area, and Joe Robertson of The Pas, Manitoba's assistant inspector of registered trap lines, conducted the 1956 course.

## All Star Wrestling Card At Sports Arena Tonight

Well folks, the first wrestling card of the season will be presented at the Sports Arena, tonight, and Ivan Doherty has done it again. Ivan lived up to his reputation of bringing well known performers here, by getting one of the really big stars of wrestling, Timothy Geoghagen, on this first card.

Geoghagen, as most wrestling fans already know, is one of the strongest men in the wrestling game, and, as he had already done in Summerside, he will give a sample of his strength at the Arena before his match with Gypsy Joe.

Also on this first card, will be the world famous Gallagher Bros., well known for their rough tactics, they will take on another pair of star attractions in the persons of Len Hughes and Tarzan Tourville.

The people that have seen these stars on TV are sure to be on hand so why don't you others who have not, come along, anyway, you will be well entertained.

### Had To Be On His Toes

Sir, Jimmy McGinnis a Tigerish lad with a rocket in either glove had to be on his toes all the way to defeat New York's Johnny Roberts. Shame to say the pair, both razor sharp, had to stage their rousing battle before thousands of empty seats in the Sports Arena, and the battle was indeed a rousing one, if it were possible to award a fighter, victory on pluck and courage alone.

Roberts would have emerged from the ring a winner, but game and durable as he was, and fight as he did, Roberts was soundly beaten by his younger foe. Roberts made a particularly game stand in the latter part of the first round, when McGinnis noted for his punching prowess went all out to flatten him.

Roberts was in a bad way, despite the high courage he'd shown in the early part of the round. It didn't appear that he would survive this bombardment, his knees huddled and he obviously was on the way out, then came a confusion, McGinnis failed to stay in a neutral corner so seven truly stopped the count at seven and McGinnis stepped in to resume fighting before getting a signal from the referee, and before the gloves of Roberts were wiped off, so, in all due respect to Roberts he was awarded a one minute rest.

The second round in particular was a dandy. The boys tossed caution to the winds and did some

what good fashioned punching while Roberts was inclined to throw his gloves in an attempt to gain lost ground, Jimmy made sure his punches counted. In the second minute of the round, Roberts tried in desperation but Jimmy hurt him with a series of lefts and rights. Roberts was still out in his corner several minutes after the fatal ten was counted over him. A knockout victory meant a lot to the P.E.I. born midget in view if the fact he had built his national reputation on his punching prowess.

**DRESSING ROOM CHATTER**  
What does the future hold for the little bomber from Tignish?" "I'll fight anyone my manager says, I've done pretty good with me, I'd say, and it's all right with me if I fight Jackie Hayden or Rocky Sullivan," said Jimmy McGinnis. Manager Angelo Pucci, who provides a lot of the brains behind McGinnis' fists, is all for the omve. "Jimmy's a good listener he does what he's told, he is one of the best boys I've ever handled," added Pucci.

**OVER IN ROBERTS' DRESSING ROOM**  
He didn't look so good. I Roberts. Twice I was going away and got hit with right hand shots, and he didn't want to talk about his future plans. "I will be able to think more clearly tomorrow," said the young man.

### U. S. Campus Looks Green To Cdn. College Track Man

By JACK SULLIVAN  
Canadian Press Staff Writer

TORONTO (CP)—Let's face it, fellows, if United States colleges didn't import Canadian track and field men the last few years there's be little or no international competition for Canadians beyond high school age. And competition within Canada for these fellow would be just about nil.

This was pointed up the other day when a Toronto district high school meet was held here. Four of the meet's five top athletes who will graduate this year will head south for the green pastures of American colleges.

One teen-ager, Jim Irons of Brampton, Ont., had 18 scholarship offers, all from the U.S. who was Canada's outstanding track performer in the Melbourne and Levenson to the University of Houston, Tex.

**OTHER OFFERS**  
Don Brown of Toronto is post-Olympics last year, had seven bids. Irons had made up his mind to accept a couple of American offers and will decide which one to accept before next fall. Stan Worsfold of Toronto is enrolling at the University of Missouri.

Why shouldn't these young fellows accept these offers? Track and field is as dead as the dodo in Canada for high school graduates, and has been so for years. Canada would have had a tough time rounding up a track team for Olympic and British Empire Games competition if American colleges hadn't taken any of our athletes in the last few years.

In 1956, for instance, the University of Michigan alone im-

## Berra May Be Out Of Yankee Lineup

BOSTON (AP)—Yogi Berra may be out of New York Yankees' lineup as much as five days with an ankle injury suffered in the exhibition game against Brooklyn Dodgers last Thursday.

Berra's place behind the bat is being handled by Elston Howard.

## Dodgers Happy To Escape From Mays

PHILADELPHIA (AP)—Brooklyn Dodgers came to Philadelphia Monday night, apparently happy to escape from New York Giants' Willie Mays.

"He's the best in baseball," said the Dodger coach, Billy Herman. "Not just the best in baseball, but the best batting average against me." Brooklyn is 533 (16 for 30). He hit in his 14th consecutive game Sunday at Ebbets Field. When Willie went out in the fifth inning, it marked the first time in nine straight times at bat.

In eight previous appearances, he had hit two singles, a double, a triple, a homer and drawn three walks.
