THE weekly band concert last night was as popular as even as could be seen by the crowded gardens. The evening was delightful.

THE Juvenile Temple is requested to meet Thursday evening at 6.45 ; for the purpose of re-orginizing for the winters campaign. 2i

Every testimonial regarding Hood's Sarsaparilla is an honest, unpurchased statement of what this medicine has actually done.

THE disabled steamer Worcester, is still undergoing repairs at Pictou. It is not known whether she will be on the route in time to make her regular trip on Monday next.

AT the Railway Men's Convention at Halifax Mr. J. J. Chappell of the P. E. I. Road was elected Secretary. The next convention will be held at Charlottetown, in August, 1893.

MR. Charles Gardiner, who runs a stock farm on P. E. Island, passed through here yesterday afternoon on his way to Bangor, to be in attendance at the State fair. He is one of the judges.—Moncton Times.

REV. W. B. King leaves today for Cambridge, Mass., where he will at once assume the duties of rector of Christ church. He will be formally inducted at an early date by Bishop Brooks.—Halifax Chronicle.

YESTERDAY the market was fairly attended and prices ranged about the same as last quotations. Meats in good supply; hay not very plentiful; butter in rolls 20c to 21c, tubs 17c to 19c; eggs 12c to 13c; chickens 30c to 40c per pair.

EARLY Tuesday morning burglars entered the store of Geo. Rackham, Prince street, by breaking a pane of glass in the front window. Some pickles, canned salmon, biscuit, and etc., were stolen. Some loose change which had been in the till, is also missing.

THE Kickapoos gave a concert on the Market Square, Tuesday, to a very large audience. The Indian oil sold like hot cakes. The free entertainments still continue. There are more than two actors as stated Monday morning. A great many could not tell one from the other, being a good distance from the stage.

THE Kickapoo Indian Medicine Company will give an intertainment in the Lyceum on Saturday evening. A present of a dozen photos and a toilet set will be given for the handsomeat baby. Admission ten cents to everyone. In the afternoon at 2 p.m. a five cent matinee will be held when a bag of candy will be given to each child attending.

THE passenger traffic to Nova Scotia from the States this season has been enormous and far exceeds that of any previous season. For the week ending Aug. 20 the passengers by the Canada, Atlantic and Yarmouth Co.'s steamers were over 1700. Besides this there was a very large traffic by the North Atlantic Co.'s steamers.

PLOVER and ducks are plentiful around Bedeque, and quite a number having been procured. Two of our city youths were out on a sporting excursion last week, and were fairly successful. One of the boys having shot a blue jay, propped his victim up on a bough of a tree, and informed his chum that there was a "big blue-jay" near by hastily loading his gun the unsuspecting youth stole over to where the "game" was, and having taken as good sight as his excitement would allow fired. The bird never moved, notwithstanding the buck-shot it had received and the roars of laughter that followed showed the ardent sportsman that he had been cruelly deceived.—Com.

THE late Mr. Cyrus Field has been generally credited with the origin of the scheme of a transatlantic telegraph line. There is good evidence to support the claim of a Canadian electrician, Mr. F. W. Gisborne, who laid the first ocean cable on this side of the Atlantic, connecting Prince Edward Island with New Brunswick, to the honor. According to Mr. Gisborne's narrative, which is in the main substantiated by letters from the Hon. Joseph Howe, dated London, 1869, and from Dr. Moses Harvey, the respected historian of Newfoundland, it was to him, and not to Mr. Field, that the conception first came, and by him that it was put into practical shape. As far back as 1849; according to the Canadian account, Mr. Gisborne, then Superintendent of Government Lines at Halifax, Nova Scotia, strongly recommended the establishment of communication between Canada and Newfoundland, and actually obtained a thirty years' telegraph construction charter, and obtained in new York assurance of the required capital.

AT the annual meeting of the Rifle league at Ottawa cups were presented to the teams. Ch'town took the 6th place. The matches of the Association, began Monday, among the winners of small prizes were Lieut. Moore, Gunner McLaren, Sergt. Davison, Corp. Baird and Capt. Longworth.

YESTERDAY'S Hlfx Chronicle says:—The steamer Carroll arrived from Boston shortly after 6 o'clock last evening. She had a pretty rough time, but received no damage. Captain Brown reports that besides the heavy northwest gale encountered he met with unusually strong currents from Cape Sable up the coast. The Carroll brought 82 passengers, 17 for here and 65 for the eastward. She proceeded again at 9 o'clock.

PRESIDENT SCHURMAN, of Cornell, has been winning laurels at Chautauqua. A writer in the last New York Evangelist says that amid all the varied attractions of the famous resort (Chautauqua) it is not too much to say that President Schurman's lectures were pre eminent in ability and interest. It was a rare treat to hear this able and courageous thinker. It is cause for congratulation and thanksgiving that such a man is at the head of one of our great universities, that such brave words as he spoke in favor of spiritual truth, and the higher life are joined with such magnificent abilities and thorough culture. The cause of Christianity has nothing to fear from the modern spirit as long as it has such accomplished defenders as Jacob Gould Schurman.
