

Settler Has Troubles in Bush Strike Area

By JOHN LEBLANC
MATTICE, Ont. (CP) — Marcel Noret was not mad any, and one, but his cup of trouble has been running over.

Under government permit for the big Spruce Falls newspaper at Kapuskasing, and it sets him about \$1,000.

In normal times, he keeps ahead of the bailiffs with a winter cash crop of pulpwood. Like other settlers, he cuts and hauls out 100 cords a season.

One of his adopted sons has had to take away for medical treatment. And his brother, Luc—his cutting partner and next in line—has been in jail charged with non-capital murder.

Kassem and slapped him across the face, several times, the major said.

Why did you shoot 100 of our brother officers who make the revolution with us?

Drone Sub-Killer
A drone antisubmarine helicopter flies from a base in the north, permitting the ship to lie out of range of the enemy's sub-sonic torpedoes or gunfire.

Space Hot Plate Is Given Test
LOS ANGELES (AP) — A four-inch-square "hot plate," launched into space aboard a rocket satellite, was disclosed here as a major step toward finding a replacement for solar cells.

Rebel forces crashed through into the building where Kassem lived at 11 a.m. Saturday. They first caught two generals—Sadi Medhat, deputy governor general, and Mufid Harakat, commander of operations.

STOP GAS LEAKS
TERRE HAUTE, Ind. (AP) — All city and county pupils returned to classes Monday after workers repaired gas leaks found in three elementary schools and a junior high school.

Rebel forces with heavy tanks and armor personnel carriers opened their attack on Kassem's headquarters in the defense ministry compound at 2 a.m. Friday, Feb. 8. The compound is a rectangle of buildings beside the Tigris River with a mosque attached to it.

POSTPONE TOURS
MONTREAL (CP) — An exchange visit between Russian and Canadian rail roaders, scheduled to start today, has been postponed indefinitely, the CNR announced.

WHAT A DIFFERENCE A DAM MAKES

These "before" and "after" pictures of a stream at Orwell show what a difference a dam makes and the effects of the government's dam program. On the left a tiny stream and a trickle of water is all that is in evidence while after the dam was built (right) a good sized fishing pond was formed.
