is produced in numerous green flowers borne on a spike. It is the pollen from this plant which causes hay fever during August and September. About 2% of the people are susceptible to ragweed pollen. Efforts are being made to eradicate this health menace...

may be controlled to some extent by their close grazing. Ragwort is easily identified by its numerous showy yellow blossoms and rich green leaves which are deeply cut and wrinkled. The period of blooming lasts from late July to September.

The Ideal Dairy Cow

The ideal dairy cow is one which conforms to the type that makes the production of large quantities of milk physically possible. The type of cow and the ability to produce milk are related. When we breed for production we also breed to get the type of animal associated with high milk production.

General Requirements

An ideal dairy cow must be able to consume and digest large quantities of feed, convert them into milk, reproduce regularly and maintain health and vigor over a long period of years. To be physically able to do these things effectively, the cow must have (1) a large udder of good quality, long wide and strongly attached, with teats of fair size, properly placed, and milk veins that are prominent and tortuous...

Richard - Murray Wedding

St. Peter's Church at Seven Mile Bay was the scene of a pretty wedding at nine o'clock, Wednesday morning, July 30, when Elizabeth Noreen, eldest daughter of Mr. and Mrs. James Murray of Augustine Cove, and Joseph Stanford Richard, son of Mr. and Mrs. Maurice Richard of Chatham, N. B., were united in marriage.

The chapel was attractively decorated for the occasion with ferns and potted house plants. The wedding music was under the direction of Mrs. Irene Peters, who accompanied Mrs. Charles Cahill as she sang appropriate hymns.

Given in marriage by her eldest brother Arnold, the bride was lovely in a floor-length gown of white chintilly lace with Peter Pan collar, lily point sleeves and fitted jacket. The full skirt ended in a slight train. Her finger-tip length veil was held in place with a matching headpiece of lace and she carried a shower bouquet of Better Time roses and maiden hair fern.

The attendants were the Misses Ruth Murray and Mabel Kelly, as maids of honor, and Miss Elaine Murray, as bridesmaid. Mr. Norman Richard was his brother's groomsmen and Messrs. Gerald Murray and Wes Hobson were the ushers.

The maids of honor were similarly attired in floor-length gowns with capes of yellow net and lace, and mauve net and lace, respectively.

Their headpieces were matching in half-bonnet style and they carried bouquets of Talisman roses. The bridesmaid was attired in a floor-length gown of green lace and net with a matching half-bonnet headpiece and she carried

a bouquet of Pink Delight roses. Mrs. Murray chose for her daughter's wedding a gown of brown crepe with natural shade accessories and her corsage was of yellow mums. The groom's maw was attired in rose with navy accessories. Her corsage was white roses.

Following the ceremony a reception for fifty-five guests was held at Birch Hill Lodge. The bride's table, with its artistic arrangement of summer flowers and streamers, was centred with a wedding cake, topped with a miniature bride and groom. Rev. Reginald MacDonald proposed the toast to the bride, to which the groom responded.

Mr. and Mrs. Richard left by plane on a honeymoon trip through the Maritimes, the bride travelling in a three-piece grey check suit with white accessories.

Mr. and Mrs. Richard will reside in Summerside, where the groom is with the Royal Canadian Air Force. Previous to her marriage the bride was on the office staff of R. T. Holman, Ltd., in Summerside.

A very pretty wedding was solemnized at St. George's on Monday, July 14th when Helen Bernadette MacDonald, daughter of Mrs. Margaret MacDonald and the late Aeneas P. MacDonald of Launceston became the bride of Basil Ambrose MacLeod, son of Mr. Gertrude MacLeod, and the late Vincent MacLeod of Dromore.

Rev. Joseph A. MacLeod, brother of the groom, performed the ceremony and celebrated the Nuptial Mass.

The bride, given in marriage by her brother John, looked charming in a floor length gown of white satin with net yoke, fitted bodice and

long sleeves, coming to a point over the hands. A coronet of satin and seed pearls held in place her finger tip veil of silk net and chintilly lace and she carried a shower bouquet of American Beauty roses.

Miss Frances MacDonald of Boston, Mass. was her sister's bridesmaid, dressed in Nile green net over taffeta, with matching headpiece and carried a nosegay of yellow carnations and Talisman roses.

The groomsmen were Mr. Harold MacLeod, brother of the groom. During the ceremony appropriate hymns for the occasion were sung by the choir, with Mrs. George P. MacPherson, aunt of the bride, presiding at the organ.

After the ceremony a reception was held at the home of the bride's mother. Toasts were proposed by Rev. B. J. MacDonald and Rev. Joseph A. MacLeod, and were fittingly responded to by the groom.

Later the happy couple left by car, amid showers of rice and confetti, and the best wishes of a host of friends, for a short honeymoon trip to points of interest in Nova Scotia.

For going away the bride donned a dress of turquoise blue crepe with white hat and snake skin accessories and a mink neck piece, the gift of the groom.

The many lovely and useful gifts received testify to the popularity of the young couple.

Mr. and Mrs. MacLeod will reside in Ottawa, Ont. where the groom is a member of the Royal Canadian Dental Corps, and the bride has held a position in the Civil Service for the past several years.

SOUTH GRANVILLE W. I. Mrs. Walter Murphy was hostess to the members of the South Granville Women's Institute on August 6th when they met for their regular monthly meeting. The president, Mrs. Stirling Corbett, capably presided and meeting opened in the regular manner. Roll call was responded to by

nine members, and two visitors were present. Minutes of last meeting were read, approved and signed. In the absence of the treasurer, a report of the proceeds from a recent ice cream social and play was given by the secretary, which report showed a nice sum had been realized.

Miss Chrissie MacLeod gave a verbal report of the annual convention held in Charlottetown on July and at which she was a delegate. The sick committee reported having made three visits during the past month and taking three treats.

New committees were then appointed as follows: School, Mrs. Stirling Corbett and Mrs. J. H. MacLeod; sick, Mrs. Louis Corbett and Miss Alexander Keir; program, Mrs. Sheldon Abbott and Miss Irene Morrison; lunch, Miss Annabelle Keir and Mrs. Louis Corbett.

The correspondence was read and included one "thank you" note for treat received; a letter on "How To Improve Farm Kitchens", also a letter from the P. E. I. Cancer Campaign. The W. I. News was distributed. Bills amounting to \$4.63 were on motion paid, and the sum of \$10.00 was to be forwarded to the Cancer Campaign. Mrs. Walter Murphy and Miss Alexandra Keir were asked to see about getting a sign-board for school.

Mrs. Sheldon Abbott invited members to her home for the September meeting, when the roll call will be an article for an auction sale. Miss Irene Morrison put on a "bird contest" and a prize was won by Mrs. Van der Kaay, who later favored members with a splo. Collection amounted to 70 cents. Meeting adjourned with singing "The Island Hymn" following which lunch was served by hostess and committee in charge.
