

I'm so frickin' fan-frickin' fan-frickin' tastic
I got a gold chain and it's made out of plastic.

I'm so fan-fan-frickin' fan-frickin' tastic
I like my sweatpants with the stretch elastic.

I'm so frickin' fan-frickin' fan-frickin' tastic
Instead of a chapstick I use a frickin' match stick.

I'm so fan-fan-fan-fan-fan frickin' tastic
I already knew your question before you even asked it.

CHORUS:

All: *Who's fan-frickin' fan-fan-frickin' tastic?*
LL Coolbreeze: *I m fan-frickin' fan-frickin' fantastic.*

I'm so fan-fan-frickin' fan-chicken tastic
I've gots ten loaves of bread in my frickin' bread basket.

I'm so frickin' frickin' fan-fan-frickin' tastic
I put sweatpants on my head and I act a little spastic.

I'm so fan-frickin' fan-fan-frickin' fantastic
If you call me sarcastic, I'll send you home in a casket.

I'm so frickin' lickin' guitar pickin' frickin' fantastic
I knew the answer to your question before you frickin' asked it.

REPEAT CHORUS 23x
