THE MODEL HOSPITAL. AS OPERATED BY THE WOMAN'S STATE BOARD OF ILLINOIS.

IN THE DOCTOR'S OFFICE.

Ideal in its way and after all these months, as bright and clean as if it were opened yesterday.

THE RESIDENT PHYSICIAN.

I was in search of the resident physician, for there are three candidates on duty—Dr. Mary Mixer, who represents the allopathic school; Dr. Emma C. Guise, homeopath, and Dr. Randolph, eclectic.

There is a proverb to the effect that doctors always disagree; there is another, generally accepted but not quite so aptly formulated, which says that each other is also set forth; but here are three women who are physicians as well, who have been closely associated together in a most laudable profession for more than five months, and there has never been a jar in their relations, personal or professional.

I found Dr. Guise in the office at the time of my call, a most delightful private office, provided with a business like desk in neat order, with luxurious lounges and chairs, the furnishings here, as elsewhere, being tasteful and harmonious.

A woman with a little child of 7 was waiting for medical advice, or had received it, for a pretty, rosy-cheeked young nurse in a clean seersucker gown and white cap came in presently, with a spoon and glass in her hand and led them away.

Dr. Guise is a woman of the most

For Over Fifty Years.

AN OLD AND WELL TESTED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children with teething, with perfect success.

Testing His Honesty.

Your druggist is honest if when you ask him for a bottle of Scott's Emulsion he gives you just what you ask for.

CAPTAIN JOHN R. HIRE, of schooner Lillian, says: "I was suffering with inflammation of the chest, brought on by exposure at sea. Took a good supply of Putner's Emulsion, which perfectly cured me. It has given me a new set of lungs."

WATERFUL PLEASING RELIEF AFTER MANY DAYS.

How a Queens County Man Found Permanent Healing.

His Own Experience Tells Fully and Freely some Truths which all Readers of this Paper Should Know.

Here and there, in almost every town of our province, are "chronic" cases over which doctors disagree; cases that become worse year after year.

It is to reach such that the gentleman to whom these lines refer, and whose portrait is here given, has written the story of his case.

Mr. Branscomb's home is a Chipman, Queens Co., N. B.

It was there that a representative of the Groder company called upon him, Sept. 1st, of the present year.

It is five years since I first became afflicted with a form of indigestion. Last winter it became more severe, developing into chronic diarrhoea.

I cannot tell you how much I suffered for SIX LONG WEEKS. It seemed as though relief could not be found.

You will remember how I told you of my condition and asked your advice about taking a bottle of GRODER'S SYRUP.

You told me that the medicine was a laxative and might not meet my needs. I delayed buying for a few hours until I began to hope that it would help me.

Even my clothes seemed a burden because of bloating of stomach. It was with difficulty that I kept about sufficiently to attend to my business.

But I am a well man now from the use of your remedy. In three days after I bought GRODER'S SYRUP the terrible pain and distress across my stomach were removed.

My bowels rapidly assumed a natural, healthy condition. Now I eat and drink as well as I ever could. I have gained constantly in flesh since March last. I am perfectly cured.

It seems a duty for me to state my case fully, that others who suffer as I did may know where to find a cure."

WE ARE NOW OPENING TEA! TEA!

Our TEA TRADE last season was the largest for some years, and we attribute it to the fact that the Teas we offered the public suited them both in QUALITY and PRICE.

Numbers of our customers have come back to us this Fall, and told us that if we could give them as good value this year as we did last year they would want no better.

We believe that WE CAN give them, and everyone else who favors us with an order, BETTER VALUE than even last season, as this year's crop of Tea seems to run more even than last year's; and having bought a much larger stock of it this year, we were in a position to buy it at very close figures.

We don't advertise to sell Cheap Shady Teas, as we don't keep them at all, and would not sell them at any price; but we believe we do sell the best 20, 24 and 28 cent Teas in the city today. We make reductions of above prices on quantities of five pounds and upwards. Every Pound of Tea sold warranted on
