-RESTING AT HOME-Wilfred "Biff" Arsenault is spending a two month rest period at his mother's home in Summerside, after undergoing 5 1-2 months treatment at the Nova Scotia Sanatorium and Camp Hill Hospital in Halifax. "Biff" will return to his former employment with the Kentville Advertiser where he holds a position as compositor and specializes in Ludlow tabular composition. Mrs. Arsenault and three children are at present in London, England, and will return in December.

Personals

-Mr. Joseph Perry of Rimford, Maine, is visiting his brother Anthony Perry of Fortune Cove.-S
-S. C. Parlee, C.N.R. agent at New Glasgow, visited in Summerside on Tuesday, returning to his home by plane on Wednesday.-S

-Mr. and Mrs. John Gallant of Rimford, Me., are visiting friends in Alberton. Mr. and Mrs. Gallant left the Island 50 years ago and are glad to meet many of their friends. While in Summerside they visited Mr. and Mrs. Fidele Perry.-S

-Mr. and Mrs. Thomas Gair of Everett, Mass., accompanied by Mrs. Alice Murphy, of New York, sister of Mrs. Gair and Mrs. Fidele Perry, are visiting Mr. and Mrs. Perry of Summerside and other friends on the Island.-S

-Mr. and Mrs. Earle H. Boulter, Albany, arrived home last week, after spending a pleasant holiday in Lachine, Montreal and Ottawa. They were accompanied home by their daughter, Mrs. Walter Barlow and grandson, David, of Lachine.

Crapaud Youths Take Water Awards

The campers at Camp Kingston participated in swimming and water safety tests at Victoria Beach on August 11.

Miss Joan Froom, the Camp Director and also a qualified swimming and water safety instructor, from Rimford, conducted a Red Cross swimming and water safety course as part of the camp program.

Paul Cudmore and Jane Giddings tested these classes and awarded insignia to the following girls:
Elementary: Laura Bell, Long River; Dianne Harvey, Crapaud; Irene Proffitt, Long River; Jean MacDonald, MacNeill's Mills; Roma Faynter, Kensington R.R. 2; Geraldine Mason, Long Creek.

Junior: Ann Birch, Port Hill, and Marlene Birch, Port Hill.

Magistrate's Court At Summerside

-In county magistrate's court at Summerside yesterday before Magistrate R. S. Hinton, Q.C., a young man from Carleton Siding was convicted on charges of speeding, and operating a motor vehicle without a license and was fined \$10 and \$5 respectively.

A resident of Kinkora was fined \$2 and costs for operating a motor vehicle without a tail-light.

A speeder from Cape Egmont was fined \$10 and costs.

A resident of Lennox Island who pleaded not guilty to a charge of intoxication was convicted and given 10 days in jail. A female from Lennox Island who pleaded not guilty to a similar offence had her case adjourned for further evidence.

A youth from Central Bequete was fined \$15 and costs for creating a disturbance; and a resident of Carleton, for the same offence, was also fined \$15 and costs.

A 16-year-old boy from Tignish charged with driving while impaired, pleaded guilty and was fined \$100 and costs, on a charge of creating a disturbance at a dance hall this same youth was fined \$30 and costs, it being a second offence.

A resident of St. Roch, who was convicted of having home made beer at his home, was fined \$25 or one month.-S

Will Manufacture Why As By-Product

-Why butter made from why a by-product of cheese manufacture - which can be sold at a price lower than butter will be one of the products manufactured by Amalgamated Dairies Ltd., of Summerside, upon completion of their new building in Summerside.

This will be in addition to the manufacture of butter and cheese. Mr. John S. Wright, manager of Amalgamated Dairies Ltd., said yesterday that he expected ice cream would be produced next spring, and plans for the production of other dairy products are in the preliminary stages.

Work on the new building is progressing rapidly and it is expected that construction will be sufficiently advanced to permit the installation of equipment in approximately two weeks' time. It is expected that the plant will be in operation in October.

Conveyer belts will be utilized in receiving the milk and cream from delivery trucks. It will then be weighed in tanks suspended from scales designed especially for this purpose.

This will enable the personnel of the plant to carry out this operation much faster than can normally be done without sacrificing accuracy.

The milk cans will then be put through a can washer which rinses, sterilizes, and dries the cans, and replaces the can covers automatically.

Curing and Holding Rooms Referring to the manufacture of cheese, Mr. Wright stated yesterday that this would be the only plant on the Island whose curing and holding rooms will have automatic relative humidity control.

In reference to two recent progress inspection visits by Mr. R. C. Field of the Dairy Products Branch of the Federal Department in Ottawa, Mr. Wright said that these inspections are very helpful to his firm as they are conducted by an expert who is able to give them the benefit of his experience and technical knowledge.

The new building is in the form of an extension to the Pioneer building on Water Street East. The Pioneer building is 70 x 50 feet and the extension is 100 x 80 feet. Included in this are storage rooms 100 x 21 feet, part of which will be a cheese curing room.

Amalgamated Dairies Ltd. is a company that has been formed from the amalgamation of three butter and cheese factories.

At the present time butter is being manufactured in the three factories at Kensington, Bequete, and North Tryon.

Only one of the cheese factories is in operation and this is the one at Tyne Valley.

When the new plant is finished all production will be centralized in Summerside.

It was explained that the main value of this kind of plant is that it lends itself to the production of many kinds of dairy products.

Butter printers now in use in Bequete and Kensington plants will be used in the new plant, as well as other butter manufacturing equipment which is all in excellent condition.

Mr. Wright, the manager of the new plant, stressed that in transferring production from the separate plants to Summerside, there will be no disruption of services in the collection of milk and cream from the producers. -S

PATCHING, England (CP) - The Drevitt family of this Sussex community started keeping weather records 84 years ago, but 72-year-old Michael Drevitt has resigned because he thinks he's too old to go on measuring rainfall for the air ministry weather office.

OXFORD, England, (CP) - A new American radio base is to be built at nearby Croughton to speed communications for jet plane movements.
Close to \$2,500,000 worth of paper, loose-leaf and other binders are manufactured in Canada each year.

Tennis Tournament In Full Swing At Ottawa

OTTAWA, (CP) - Quebec, defending champions in both the junior men's and junior women's inter-provincial team events at the Canadian junior tennis championships, retained the men's title Friday.

The competitions are decided on the best of three singles and two doubles. The doubles don't have to be played if one team takes three straight singles.

Quebec was beaten 3-0 in the women's team semi-final by Ontario. Nova Scotia leads in the final, 2-1, but the doubles won't be played until officials can "squeeze them in."

Mary Nunn of Toronto kept Ontario in the running when she nabbed a single by defeating Jean McPherson of Bridgeville, N.S., 6-0, 7-5. Two other Toronto girls were beaten. Carolyn Fleming of Truro, N.S., trimmed Carol Barton 6-3, 6-0, and Ann Stacey of Halifax beat Joan O'Brien 7-9, 6-4, 6-4, after an extra set.

Quebec won the junior men's team matches in straight singles after outting Ontario 3-2 in the semi-finals.

The crucial singles were nabbed by Pierre Lambert of Victoriaville, Guy Durocher of Sherbrooke and Rene Royer of Montreal. Lambert defeated Bob Fraser of Halifax 6-1, 6-3. Durocher trimmed Murray Dewis, also of Halifax, 6-3, 7-5 and another Halifax lad, Mickie West, won down 6-4, 6-1 at the hands of Royer.

Nova Scotia represented the East. The Western team was made up of players from Western provinces.

Both Lambert and Durocher won in the finals last year, while Royer played for the first time in the event.

R.C.A.F. Defeat All-Stars In Softball Game

The R.C.A.F. softball team of Summerside defeated an All-Star aggregation picked from the Summerside Men's Softball League last night at Queen Elizabeth Park by the top-sided score of 21-0.

Ross Armstrong, pitching for the Airmen, allowed only 1 hit, and this safe play was technical, Don Darby's roller between first and second hitting the base runner Earl Smith, who was on his way to the keystone sack. Under the rules, Darby was credited with a hit.

The Airmen batted out 15 hits, including five doubles and a home run. They were helped to their large total of runs by loose fielding on the part of the All-Star infield which came up with 11 errors.

The R.C.A.F. committed only one error, when Boylan failed to hold a low throw from third in the fourth inning. Boylan batted out the only round-tripper of the contest. Wood and Thompson led the attack with 3 for 3 each.

Schurman had 2 for 3, and Martin and Proctor each had 2 base-hits. Doubles were cracked out by Proctor, 2, Sefton, and Martin 2. The All-Stars were steady though no spectacular plays were in evidence. Earl Smith of the All-Stars played a steady game at third base, and F. Gallant and R. Durand made nice catches in the outfield.

Lineups:
R.C.A.F. - Schurman c; Wood 2b; Harvie cf; Armstrong p; Martin lf; Sefton rf; Thompson ss; Boylan 1b; Proctor 3b.

All-Stars - S. Gray 1b; E. Smith 2b; F. Gallant rf; R. Durant cf; T. MacNeill and B. Cole p; Murray and Johnston lf; Grover and R. Smith c; Champion and Darby 2b; Rache and D. Roberts ss.

Umpires - Plate, G. Sutherland; bases, E. Boates.

Large Attendance At A.C.W.W. Conference

TORONTO - Wednesday was a busy day for Canadian delegates and committee members at the Associated Country Women of the World Conference. Registration for hundreds of visitors took up most of the day.

The handicraft exhibit from every province of Canada was set up in the exhibition room, these contributions made up a handicraft mosaic of Canadians, which was impressive and inspiring to the visitors from other lands.

The Federated Women's Institutes of Canada and Circles de Fermieres were hostesses on Wednesday evening at a gigantic get acquainted party in the ball room of Royal York Hotel, when guests were entertained from such distant lands as Pakistan, India, Ceylon, Australia, New Zealand, Japan, Norway, Denmark, Finland, Germany, Rhodesia, Haiti, Chile and Kenya as well as many other countries including a large delegation from United States.

Over a thousand women met, became acquainted and were friends. This party provided a wonderful opportunity for rural women all over the world to work and play together and reach mutual understanding and friendship.

BIRMINGHAM, England (CP) - Former industrialist J. Leslie Wright, 92, has offered the city art gallery an art collection believed worth \$100,000. His 400 English watercolors include more than 50 Gainsboroughs.

CAIRO (AP) - Authorities said Thursday a crackdown on Communist agents working among students and laborers resulted in 69 arrests and seizure of six printing presses.

S'ide Plans Golf Tourney

-They say there is nothing new under the sun but something quite new to Summerside golf players and fans alike will take place under what is hoped will be the sun at the Summerside Golf and Country Club, Aug. 31, Sept. 1 and 2.

The officials of the club are staging their first professional and amateur tournament which is believed to be a new departure in the annals of Maritime golf.

\$1200 in cash and other prizes will be given to the winning pros and amon pures in this ambitious sports venture. The professionals winning first, second and third places in the 54-hole medal play will win \$400, \$250, and \$150 respectively, while the amateurs will be awarded prizes amounting in value to approximately \$400.

The Maritime amateur having the low gross in the first division will win a golf bag valued at \$125. The runner-up will take home a beautiful set of four top flight woods valued at \$85. The golfer having low net in this division will capture a golden cart with a price tag of \$40. Suitable and valuable prizes will be awarded to winners in the other divisions.

The championship competition is open to amateur golfers and professionals who are members of clubs under the Royal Canadian Golf Association. The entrance fee is \$5.00 which must be sent with entry to F.H. Daley, the secretary-treasurer of the local club. Those wishing accommodation arrangements made for them should write the secretary-treasurer as soon as possible.

Time of arrival and type of accommodation preferred should be specified. The Curran & Briggs trophy will also be awarded to the amateur having the low gross.

The prizes that are offered in this meet should attract name golfers from all over the Maritimes and Eastern Canada. An official social program for the visiting golfers and their wives or other companions is being organized and the expectation is that this sporting event to be held on the last day of August and the first two days in September will be the greatest ever held in the town of Summerside.

Death Yesterday Of Mrs. D. O. Stewart

-The death occurred in Summerside yesterday afternoon, after a lingering illness. Mrs. Donald O. Stewart. She was in her late fifties. Although death was not unexpected, news of her passing was received with a sense of deep sorrow by a large circle of friends in Summerside. The deceased was the former Gladys Locke, daughter of the late Mr. and Mrs. J. H. Locke, of Summerside.

She leaves to mourn her husband, two sons, Alan and William and four sisters, Mrs. Walter Lefurtoy (2), Sefton, (Ida) Sack; Mrs. Airford (Ida) Vancouver, Mrs. Harry Grady (Cor), also of Vancouver, B. C. and Mrs. Theophilus Clarke (May), Othoon, Sask.

The funeral will be held on Sunday afternoon from her late residence on Notre Dame Street to the People's Cemetery, Summerside. -S

Expect Layoffs After G. M. Fire

DETROIT - A new round of layoffs in the automotive industry was expected Friday to result from the \$40,000,000 fire which destroyed the huge General Motors transmissions plant in suburban Livonia late Wednesday.

Three persons lost their lives. Two were fatally injured Wednesday night, and a third died today in a hospital. Scores of persons suffered minor injuries or were overcome by smoke.

Industry officials estimated that at least 50,000 auto workers will be out of work temporarily due to a lack of GM hydra-matic transmissions which were produced at Livonia. The blaze also destroyed the Ternstedt division, which produced rangefinders for army tanks.

GM officials at first said the 11,000 Livonia employees would "not lose a day of work" because of the fire, but the Michigan Employment Security Commission prepared to make unemployment compensation available to them.

The bulk of unemployment resulting from the fire was expected at Lincoln, Nash, Cadillac, Oldsmobile, Pontiac and Kaiser passenger car plants, and in the GMC and Chevrolet truck divisions. All use GM-built transmission units.

Harlow H. Curtice, president of GM, refused to make a guess as to when production can be resumed at the burned-out plant.

Sport Echoes From Prince County

If the weather man gives the green light there will be some exciting baseball games taking place in Prince Edward Island next week. "Operation Play-off" will get underway at Charlottetown Memorial Park at 2:30 p.m. on Sunday when the first place Abbie Intermediates tangle with the fall-enders, Holman's Intermediates. Holman's will definitely be the canine on his back with his legs kicking skywards in this encounter, but Charlie Hogan, Joe Bernard, Donnie Simmons and company may stage the upset of the year. "Holman's to win" is as good a long-shot bet as you'll find at any of the local speedways.

Until Abbie Juniors and MCA play their sudden-death games on Monday night, the way the other four teams will pair off is unknown. The sudden-death affair should be a natural as both teams, according to reports, would rather take on the RCAF than C & B. So both will be anxious to register a victory. RCAF will be paired off with the winner and C & B with the loser.

Two play-off games will be seen at Queen Elizabeth park during the week, and one at the Airport diamond. Holman's will be hosts to Abbie Intermediates on the Wednesday half-day, and RCAF Royals will play the sudden-death winner at the Port. These games have been scheduled for 3:00 p.m. and 5:30 p.m. respectively, and it is to be hoped this arrangement will be adhered to, as there are many Prince County ball fans who want to see both contests.

Curren & Briggs take on the sudden-death loser at Queen Elizabeth Park on Thursday evening. Considering that they will be past the middle of August, this game should start promptly at 5:30 if a regulation nine-innings are to be played. Now is the time when the Memorial Park lights in Charlottetown will come in handy as it becomes increasingly difficult to play twilight games.

Stock car and harness racing seem to complement each other perfectly at the Summerside Raceway, and large crowds are turning out to see the two types of "horsepower" do their stuff. The stock car derby never fails to produce hair-raising spectacles, and the ponies have been particularly pleasing of late, furnishing a lot of close finishes and upset wins. This delightful Saturday evening get-together is being looked forward to by more and more sporting fans as the summer passes on.

The play-offs of the Summerside Ladies' Softball League will start next week, too, we have been informed. Unless the RCAF ladies' teams show unexpected strength, Andy's Aces and George's Gals will be fighting it out in the finals. The word "fighting" is used here in a figurative sense, and is not to be taken literally. Don't forget that, Gals and Aces.

We've never seen so much competitive spirit (to use polite synonyms) roused up between two teams since the swashbuckling days when the Summerside Crystals and Charlottetown Abbies battled for supremacy in hockey. And does it bring out the crowd? A cheap way of running one of those affairs as you don't have to guarantee any purses.

The Constock Lode, famous silver mine in Nevada, was discovered in 1859.

The concerto was given its modern form by Mozart, although some modifications were introduced by Beethoven.

pared to make unemployment compensation available to them.

The bulk of unemployment resulting from the fire was expected at Lincoln, Nash, Cadillac, Oldsmobile, Pontiac and Kaiser passenger car plants, and in the GMC and Chevrolet truck divisions. All use GM-built transmission units.
