

THE DAILY EXAMINER.

DECEMBER 27, 1883.

Editorial Notes.

The death of Mr. Bernard Loughran will be mourned by many warm friends; for he was a fine, warm-hearted man, and was widely known.

Very great disappointment was felt last evening, throughout the town, in consequence of the non-arrival of the "Northern Light."

Success in Business.

(Winnipeg Commercial.)

There is no doubt but that the speculative mania which has swept over the land during the past two or three years has had the effect of somewhat discrediting in the minds of many the old-fashioned methods of thrift and slow accumulation, by which our forefathers amassed their fortunes.

LETTERS TO THE EDITOR.

MY DEAR SIR,—I observe in your paper a letter from the Rev. Mr. Frame, with an account of his journey and voyage to Bermuda.

With oranges, gooseberries, lilies and roses. I very much wished that I were in a position to accompany Mr. Frame, instead of returning to spend such a winter as this city affords; but no such good fortune can befall him whose property is invested principally in mortgages here.

On the deck of "Aurora" I stood by the mast. To take off my cap as "Napoleon" went past. For, altho' he was not a legitimist nob, he very well knew how to deal with king mob.

On Thursday evening last the Rev. Mr. Kinley, of West River, experienced the pleasure of a "surprise party."

Report says that Souris Methodists are about building a new parsonage. They have a neat little church there, plain enough on the outside, but quite comfortable inside.

Christmas passed off pleasantly and quietly in Souris. Midnight Mass was held in St. Mary's Church, and two morning masses. The altars were tastefully decorated.

The petition for a Branch Railway from Harmony to Elmira—already noticed in other Souris correspondence—was forwarded to the proper quarter.

DEPARTMENT OF RAILWAYS AND CANALS, OTTAWA, Dec. 21st, 1883.

SIR,—I am directed to acknowledge the receipt of your letter of the 7th inst. enclosing a petition from the inhabitants of Lots 45, 46 and 47, asking for railway extension from Harmony to Elmira.

I am, Sir, Your Obedient Servant, A. P. BRADLEY, Secretary.

E. B. Muttart, Esq., M. D., Souris, P. E. Island.

Certainly the above reply does not go any further than to acknowledge receipt of petition, but I think we may safely say that there will yet be a Branch, or an extension, from Souris. I noticed some time ago that THE EXAMINER advocated "Souris extension," instead of a Branch from Harmony, and that your regular Souris correspondent expressed public sentiment in the same direction.

So the people of Prince County are to have another election against the Scott Act. "A proclamation is published ordering an election, etc., for the purpose of repealing the act," is the news we received in our issue of Monday. It remains to be seen whether Prince County will submit to the

disgrace of dictation from rum-sellers, and fasten upon itself licensed destruction in the shape of whiskey taverns. Surely there are enough men and women of christian and temperance character in our sister county to render such a disaster impossible.
