

Get this "Identification Pocketbook" It Protects You

Did you ever try to cash a Check, Draft or Money Order and could not because you were unknown? Do you know that every year there are thousands of unidentified sick, injured and dead persons found in the United States?

If so, you will at once appreciate this perfect Identifying Credential which has been endorsed and is accepted by Hotels and Banks everywhere. The Identification-Pocketbook is made of handsome seal grain leather (cut 1/2 size). In middle fold is inserted an engraved Identifying Credential, (Patent No. 477400) showing the owner's name, personal description, signature, etc., with place for your photograph in circle at the side; above is a flap with a space for the display of lodge cards, etc., which when buttoned down, cleverly conceals all exposed information.

In this form the book resembles an ordinary wallet having the usual card compartments inside and a full length pocket for paper money in the back. At the bottom on the lower card pocket is printed in gold, your name or emblem of your Fraternal Order. Each holder is furnished a registered aluminum key-check which serves as additional identification which cannot be destroyed by fire, water, etc.; and also a special combination

WANTED

A good Agent for the OLIVER TYPEWRITER

Over 100,000 of these machines have been sold in the U. S. within the last few years at the same price which is being charged for any other standard typewriter. This proves conclusively that the Oliver is the very best typewriter made regardless of price.

As there is now in Montreal a factory devoted exclusively to the manufacture of this machine, it can be bought here for the same price at which it is sold in the U. S. without adding from \$25 to \$30 to cover duty and charges, as do all the other standard writers.

This should be a very attractive proposition to any purchaser of writing machines. Apply to the CANADIAN OLIVER TYPEWRITER Co., Temple Building, Montreal.
