## Tignish Children Visited By Santa

TIGNISH—Saturday afternoon was children's day in Tignish when Santa arrived at the Canadian Legion Community Centre. More than 600 boys and girls under 12 years of age were there to greet him and for a few hours he was a very busy man. He was assisted by members of the Legion as each child was presented one by one by a group of young people. Santa passed out a gift of candy, nuts and fruit to each child. The hall was beautifully decorated to add to the festivity of the occasion. When his visit was over Santa left the village in a car driven by Edgar Peters amid shouts of thanks from large groups of children. Santa's visit to Tignish was made possible by donations from local merchants, organized groups and individuals.
