SQUARE SEMI-FINAL SERIES AT 2-2

B.Y.C. Edges Flyers 7-5

Lloyd Shepherd & Merrill Pineau Pot Three Each

With Merrill Pineau and Lloyd Shepherd firing 3 goals apiece Basilica Youth Club edged out Parkdale Flyers 7-5 in a fast and thrilling overtime battle at the Sports Arena last night. The victory squared the best-of-seven Island Senior Hockey League semi-final series at 2-2.

Among Pineau's 3 goals was the tying marker in the last minute of play in the third period and Shepherd's third goal of the night proved to be the winner at 2.21 of the overtime session Johnny Squarebriggs added an insurance goal when he hopped out of the penalty box and into a breakaway with only 46 seconds remaining in the 10 minute overtime session.

Jim MacLeod, Orin Carver, Bob Hurry, Erland Wood and Skip Carver contributed single goals to the losing Parkdale cause.

COACH MISSING

Parkdale coach Allie Carver guided the team from the bench for the first time on the Island this season. Carver was on the sidelines with a broken wrist and his absence was more than noticable. The usually smooth working Parkdale machine sputtered on more than one occasion. Willie Dunn moved between Orin and Skip Carver and Gerald Cruwys returned to action pivoting Jim MacLeod and Bob Hurry.

The game was rather spooty but fast all the way through. Both teams were overanxious and missed some great chances to score. After a penalty-less opening period tempers got a little out of hand as Thane Doyle drew a minor and misconduct in the second and three fights broke out in the third and overtime periods. Orin Carver and Arnold Mullins classed in the first of these at 18.23 of the third and it was while both players were thinking over their erring ways that Pineau tied the score.

Johnny Squarebriggs and Junior MacLeod went off together with minors for roughing in the overtime session and only seconds later they were joined in the sin-bin by Orin Carver and Frank Shepherd who received the only majors of the game for an encounter. The teams played 2 men short for 2 minutes and had one player each in the penalty box for the last 56 seconds of the game.

Altogether referees Leith Jay and Don Whelan called 9 penalties, 5 to the youth club.

HOLD LEAD

The youth club held the lead four times during the first three periods but lost it every time. The youth club scored the first goal and were leading 2-1 at the end of the first. B.Y.C. went ahead twice in the second period and led 4-3 going into the third. Two straight goals gave Flyers a 5-4 lead but B.Y.C. got that one back to finish the period at 5-5.

Lloyd Shepherd scored both first period goals for B.Y.C. Whitlock who racked up 4 assists on the night's play, set him up on both. Sandwiched between Shepherd's tallies was a single by Jim MacLeod. MacLeod caught the short side on a high drive from the right side.

Orin Carver picked up Willie Dunns' perfect relay and buzzed in on Doyle to tie the score at 9.40 of the second but Pineau regained the 1-goal lead a minute later on a nice play engineered by Johnny Squarebriggs. Bob Hurry caught the open corner of Cruwys' relay at 12.02 but at 15.10 Pineau took Howatt's drop pass to beat Roper with a high backhand.

Erland's Wood's blazing drive from just inside the blueline tied the score once again at 10.48 of the third and the Flyers went in front for the first time at 12.21 when Skip Carver picked Wood's low shot out of the air one batted it by Doyle.

With 58 seconds left to play in the period, Pineau fired his third, beating Roper with another high backhand.

CHATTER — The crowd totalled a little over 800, but there will be a bigger house for the next game scheduled for Thursday. . . That was the second overtime game of the series and there isn't much to choose between the two teams. . .. The big clock at the north end of the rink wasn't working last night and timer Billy Acorn announced the elapsed times at intervals during the game. . . Even though he is a natural rightwinger Orin Carver didn't look at home there. . . Jim MacLeod's goal bounced off Doyle's arm and stuck on the inside of the top of the net. . . Not many fans knew it was in the net until the light blinked. . . Montague and Summerside resume their tight series at the Arena tonight.

Boston Upsets Red Wings 3-1 To Take Series Lead

DETROIT, (AP) — Boston's eager Bruins, checking fiercely all over the ice for the 60 minutes, came from behind to whip Detroit Red Wings 3-1 tonight in the first game of their best-of-seven Stanley cup semi-final series.

Red Wings, champions of the National Hockey League and Stanley Cup winners four times in the last seven years, were a picture of frustration after bolting to a 1-0 lead in the first minute of play.

They never mounted a serious offensive after that first flurry and through much of the evening had trouble getting the puck out f their own zone.

Jack Caffery, Doug Mohns and Real Chevrefils did the goal scoring for the third - place Bruins, who were back in the cup playoffs after an absence of one year.

SEEMED TO RALLY

Bruins, who have not won the coveted cup in 16 years battled doggedly and seemed to rally for even more strength every time a penalty put them at a manpower disadvantage.

With the rugged defence corps giving rookie goalie Don Simmons plenty of protection, Bruins—called "the hungriest team in the playoffs" — surged from behind after Detroit rattled off a goal in 50 seconds of first period action.

Detroit applied the pressure at the outset and after half a minute of heavy checking in front of the Bruin net, Ted Lindsay shoved the puck past Simmons after it had been worked loose by teammate Gordie Howe in an exchange with two Boston defenders.

Caffery, who scored only two goals during the regular season, one of them against Detroit, got the tying marker late in the first period. Skating swiftly, he took a short pass from Fleming Mackell and lifted a 15-footer over the outstretched arm of Detroit goalie Glenn Hall.

Bruins took the lead on a power play at the 38 second mark of the second period. With Lindsay sitting out a carry-over penalty, Doug Mohns fired a 50-foot screen shot that swept past Hall who was blinded off by three or four players.

Chevrefils got the insurance goal as his club again came out strong in the third period. Hall had made two tremendous saves on short blasts by Don McKenney and Leo Labine before Chevrefils blasted home Fernie Flaman's rebound after just 49 seconds of action.

Lineups

Boston — Goal: Simmons; defence: Flaman, Mohns, Armstrong Boivin, Bionda; forwards: Chevrefils, LaBine, McKenney, Stasiuk, MacKell, Gardner, Caffery, Perison, Toppazzini, Boone.

Geoffrion Leads Habs Win

NEW YORK (AP) Bernie (Boom Boom) Geoffrion scored a pair of goals and assisted on two others to lead Montreal Canadiens to a 4-1 victory over New York rangers in the opener of a best-of-seven Stanley Cup semi-final series at Madison Square Garden Tuesday night. Montreal broke a 1-1 tie midway in the third period and then scored twice in the final minute to pull away.

Although Geoffrion figured in the four Montreal goals, it was veteran Maurice (Rocket) Richard who put the flying Frenchmen in front for good midway in the final stanza. The 35 - year - old winger snapped a 1-1 tie when he deflected Geoffrion's 35-footer into the right corner of the cage.

The goal at 7:02 came as a result of a power play with New York a man short. Doug Harvey fed Geoffrion, who drilled the puck from the left side. Richard, waiting at the goal mouth, flicked it past New York goalie Lorne (Gump) Worsley's outstretched grasp.

Then Montreal broke the game wide open in the last minute as Rangers pulled Worsley from the nets in a desperate attempt to gain the equalizer. But the strategy backfired.

LOFTED PUCK

Geoffrion lofted the puck from his own blue line—120 feet from the Ranger cage—into the empty net at 19:21 after taking a pass from Bert Olmstead. On the ensuing face off Jean Beliveau sealed the verdict by beating Worsley from point-blank range nine seconds later. Geoffrion picked up his second assist on this goal.

Geoffrion registered his first goal at 15:07 of the first period to give the Canadiens a short-lived 1-0 advantage. He whipped in a 20-fooot backhander that caught the right corner of the net. Beliveau and Jean Talbot were credited with assists.

Montague & Aces At Arena Tonight

Montague Primroses and Summerside Aces meet in a clash at the Sports Arena tonight which is a do or die game for the Aces. The Primroses with a 3-2 lead in the Island Senior Hockey semi-final series could assure themselves a spot in the league finals by coming through with a victory tonight.

Montague will have Dave MacLeod in uniform for the last time tonight. MacLeod will be returning to Boston University on Friday and will not see action should a seventh game become necessary. The Montague drive coincided with MacLeod's return to action and the big centerman has been greatly instrumental in their comeback.
