Annual Meeting of Souris Hospital Held Last Night

The annual meeting of Souris Hospital was held in the Town Hall at Souris last evening. The chairman of the board of hospital trustees, Paul C. Gallant, presided.
Mr. Gallant presented a comprehensive report, reviewing the various matters pertaining to hospital activities during the past year.
He thanked all who had worked on behalf of the hospital and urged their continued support.
The financial statement for the year ending December 31, 1957, was presented by the secretary-treasurer. It gave a detailed report of receipts and expenditures and revealed an operating deficit for the year.

Reports were presented by the Senior and Junior Ladies Auxiliaries. Most of these organizations received the thanks of the meeting for the very excellent work they are doing.
It was pointed out that the Senior Auxiliary had been functioning since the hospital opened and during that period had contributed in the vicinity of \$25,000.

Lack of Water Keeps Up City's Insurance Rates

Fire insurance rates were higher at the present time due to the fact that the reservoir capacity was only one half of what it should be, Lt.-Col. F. J. Storey, Chairman of the Town Planning Board, said yesterday.
Lt.-Col. Storey felt that if the present capacity were expanded, sufficient savings would be made to pay not only for the increased capacity but also for a new pumping station as well. He said he would like to have an expert opinion on the subject and suggested he would like to know how Mr. W. H. Crandall, engineer engaged by the city, feels about the capacity in view of the integration of Ward Six.

Lucky Dollar's Island Pace Is Eastern Canada Record

With growth of Lucky Dollar stores across Canada ranked as one of the outstanding success stories of the food industry, the pace of their development on Prince Edward Island stands out as a highlight of that story. Island stores under the Lucky Dollar banner number 50 to constitute one of the largest groups ever to be formed in Eastern Canada at the one time.
The background of this development is the close association with the Island and its industries of the Charlottetown branch of Atlantic Wholesalers Ltd., under the direction of Gordon Avard. From the earliest days of its location in the province, the branch has founded its reputation on fine service and fair dealing, in keeping with the policies of the Atlantic organization as a whole, which have made the Maritime-founded firm the largest wholesale food distributor in Eastern Canada.
The Charlottetown branch operates as any independent Island wholesale house, employing Island personnel and making substantial contributions to the Island economy not only through its payrolls but also through its purchases and featuring of Island and Maritime products.
Atlantic Wholesalers point to their organization of Lucky Dollar stores as further proof of the company's faith in the Island and its people, as well as a display of sincere interest in the success of the neighborhood Island merchant and his right to conduct his own business.

Ch'town Legion Branch Has Last Meeting For Summer

The last regular meeting of the Charlottetown branch of the Canadian Legion was held in the Clover Club in the Legion building on Thursday evening, June 26. There will be no regular monthly meeting for July and August. The next meeting is scheduled for the last Thursday in September.
The meeting opened in the usual manner with the president, S. W. Leard presiding. After the signing of O'Canada, a period of silence was observed in memory of fallen comrades.
The minutes of the last monthly meeting, read by F. P. Smith, were adopted.
The regular committee reports were then given. Comrade Cecil Palmer, reporting for pensions and welfare, stated that he had had five cases under review since the last meeting. He also had attended a meeting of the Appeal Board for Pensions. His report was seconded by F. A. Rush and Comrade Palmer was highly commended by the president for his work on behalf of veterans.
Comrade Stan Brynton gave the financial report which showed a deficit for the month due to the expenses of three delegates to the Dominion convention in Edmonton, and also because of expenses in connection with the parking lot.
Ira Brown, reporting for the sick and visiting committee, said that all had been visited and given treats. He stated that many of those now in hospital were due to be there for some time. He suggested that a visit from brother veterans might be in order.

Cuban Rebels Release Small Kidnapped Group

By GEORGE KAUFMAN
HAVANA (AP)—Five or six of the 49 North Americans taken captive in Cuban rebel kidnap raids were reported released Wednesday. Release of the others appeared imminent.
The first three, two Americans and a Canadian, were airlifted by helicopter from the jungle mountainsides of Oriente province to the U.S. naval base at Guantanamo in southeast Cuba.
The helicopter took off late in the day to bring back a second batch of three. Among them presumably is one of two American consular officials who went into the jungles Sunda to negotiate with rebel leaders for the release of all those held.
MOTIVE NOT CLEAR
The motivation of the wholesale kidnappings remained somewhat unclear. One version is that the rebels of Fidel Castro used this means of dramatically bringing to attention their contention that the United States is favoring — and even helping — the Batista government to crush the long Cuban rebellion.
There was no immediate word from Guantanamo on how the first three released had fared in rebel hands. All presumably were in good shape, however.
They are W. Coster, Henry Salmonson of Portland, Ore., and Edward Cannon, 50, of Cornwall, Ont.
Coster was identified only as an American, in embassy records. They did not show where he was from.
Release of the three left 44 U.S. citizens and two Canadians still presumably in rebel hands in Oriente province.
(A ham radio broadcast intercepted in Florida meanwhile quoted Cuban rebel leader Fidel Castro as ordering release of any North Americans who may be held by his followers. Merritt Stoner of Lakeland, Fla., told the Lakeland Ledger he picked up the broadcast from a man in Cuba identifying himself as a newspaper correspondent. Stoner said the broadcast was directed to an Alabama ham for relay to the New York Times and President Eisenhower.
(At about the same time CBS radio correspondent Tom Costigan at Santiago, Cuba, reported to his New York office that four captives will be released Thursday. His call was cut off before he could give any names, CBS said.)
OTHER CANADIANS
The other Canadians kidnapped are engineer Harold G. Kristianson, 37, of Geraldton, Ont., and Richard Sargent, about 50, of Toronto. Sargent is a sugar mill executive.
Earlier, in Guantanamo, Cuba, the commander of this U.S. naval base said he expected news today about North Americans held somewhere in the surrounding mountains.
Rear-Admiral R. B. Ellis told a press conference he based his hunch on the time elapsed since two U.S. consular officials set out from nearby Santiago to meet with the rebel captors.
"Ellis did not say so, but the state department disclosed in Washington that the two officials have been sending out cryptic messages since they set out three days ago.
President Eisenhower set aside fears that the two, Consul Park Wollam and Vice-Consul Robert Welch, themselves might be held by Castro and his followers. The president said at a press conference in Washington there was nothing to speculation the consuls might be prisoners.

Cases Heard By Magistrate

Two residents of Pleasant Grove previously charged with having in their possession equipment suitable for the operation of a still, were remanded until July 9th by Magistrate Gilbert A. Gaudet in Queen's County Magistrate's Court yesterday morning.
A fine of \$20 and costs or 30 days was imposed upon a City resident convicted of having in his possession intoxicating liquor in a place other than his residence.
A Harrington man appeared on three separate charges under the Highway Traffic Act. The accused pleaded guilty to (1) driving a motor vehicle without a driver's license; (2) failing to have the registration of his motor vehicle transferred and (3) driving a motor vehicle without due care and attention (speeding). The accused pleaded guilty to all three charges and was fined a total of \$20 and costs. He was fined \$10 and costs or 10 days on the third charge and \$5 and costs or 5 days on each of the other two charges.
For failing to stop at a stop sign a Peter's Road man was fined \$5 and costs or 5 days. Another fine of \$5 and costs or 5 days was handed out to a Bedford man who was convicted of driving a motor vehicle without a driver's license.
Convicted of permitting an unlicensed person to drive his motor vehicle a Charlottetown resident was fined \$10 and costs or 10 days. Also appearing on the docket were four speeders, residents of York, West Royalty, Quebec and Charlottetown, who were each fined \$10 and costs or 10 days.
