

Things to Remember.

Remember that David Laird was elected by Bellast to stop the Railway, and that he built fifty miles of branches.
 Remember that he was elected as an anti-confederate, and that he started for Ottawa in the night to negotiate terms of union with what he himself called "the Canadian Harlot."
 Remember that he bargained for \$26,000 a year less than the Island afterwards received under the Pope-Haviland-Howland Terms.
 Remember that he agreed that the proceeds of the Fishery Award should be Dominion property.
 Remember that he was elected for Queen's County to support Sir John A. McDonald.
 Remember that he "sold" Sir John for a seat in the Grit Cabinet.
 Remember that he attempted, and as far as he was able, did disfranchise more than half the voting population of the Island.
 Remember that he sold the representation of the Island in the Cabinet for a Governorship in the North West, for \$8000 a year.
 Remember that he betrayed every political principle he ever professed.
 Remember that he asked that his tongue might cleave to the roof of his mouth and his right hand loose its cunning, if he ever voted for separate schools.
 Remember that he voted for separate schools in the whole of the great North West.
 Remember that he charged \$1,600 for travelling expenses in coming home to Charlotte own.
 Remember that Louis H. Davies, while Attorney General of Prince Edward Island, neglected our interests for the sake of a large fee from the Dominion.
 Remember that he says now that our claim for a share of the Fishery Award is separate and distinct from the other provinces.
 Remember that he did not urge that claim before the Commission as the Attorney General for Newfoundland did.
 Remember that everything he did was to put money into his own pocket and the Dominion Treasury, instead of looking after the interests of the people of this Island.
 Remember that he supports Edward Blake, who says that up to 1880 the Dominion lost \$1,027,000 by Prince Edward Island.
 Remember that he supports Alexander Mackenzie, who, before the Cape Traverse Railway grant was made, said: "I think we have done very well by the Island, and we have carried out the Terms of Union to the utmost possible extent."
 Remember that he supported David Laird through the whole of that gentleman's crooked career.
 Remember that it will be to your interest to leave them both in private life; in order to do that, don't forget to mark your ballots for Brecken and Jenkins.
 Remember that L. H. Davies says in his card that he is a FREE TADDER.
 Remember that his leader and hero, Edward Blake, says in his card that Free Trade is impossible, and that he is in favor of MODERATE PROTECTION.

To the Free and Independent Electors of Queen's County.

GENTLEMEN.—Having been nominated, in conjunction with Hon. L. H. Davies, by the convention of delegates which met at Charlottetown on the 23rd inst., to contest this county in the interests of the Reform party of Canada, at the Election to be held for the Dominion House of Commons on the 2nd of June, I respectfully solicit your suffrages on that occasion.
 I am deeply grateful for the support accorded me by you at three separate elections when I was returned one of your representatives to Parliament. The tie between us was broken—I hope only for a time—by my acceptance of a non-political office of honor and trust under the Crown, at the urgent request of the Government of which I was a member. But having endeavored to the best of my ability to discharge my duty faithfully and honestly in every position to which I was called, and having in the meantime gained considerable knowledge of Dominion affairs, I trust that you will consider me even better qualified to serve you in the future than in the past. Should this be your opinion, and you again honor me with your confidence, I shall consider your interests paramount to every other public duty.
 Giant monopolies, such as are fostered by the present Government, I regard as injurious to the material interests of the people, and as hostile to the very genius of liberty. I hold to Free Trade so far as it can be carried out consistently with the requirements of the Revenue, free competition in Railways and Public Lands, due economy in Government expenditure, an honest administration of affairs, and all the other great principles contended for by the Reform party of Canada, of which the Hon. Edward Blake is the distinguished leader.
 My best efforts will be directed to obtain for this Island its fair share of the Fishery Award, and to secure the complete fulfillment of the terms of union in regard to Winter and Summer communication with the other Provinces.
 At the several public meetings to be held in the County, I shall have an opportunity of more fully explaining my views on public questions. As the time is short it will not be in the power of Mr. Davies or myself to call on many of you personally. In now soliciting your support, I trust that you will stand shoulder to shoulder, and poll such a vote for both of us in this the metropolitan County of our native Province as will return us to Parliament to advocate those measures which will tend to distribute the savings of the people fairly among all classes of the community according to their capital, skill, industry and thrift, and not to increase the wealth of the rich at the expense of the working man and the poor.
 I have the honor to be, Gentlemen,
 Your obedient servant,
DAVID LAIRD.
