WARNERS' 'BARRICADE' OUTDOOR DRAMA
'Barricade,' a top rank western action drama with color by Technicolor, is the offering at the Capitol Theatre starting today.

Heading the important cast of the Warner Bros. film are Ruth Roman, rising young star, Dane Clark and Raymond Massey, veteran stage and screen luminary.

A strong and colorful story centering about a lonely gold-mining camp in the middle of a western desert. 'Barricade' appears thrilling cinema fare. Massey is the ruthless boss of the camp into which Ruth Roman and Clark, both fugitives from justice, stumble for protection from unexplained pasts.

Robert Douglas, London stage actor, plays a lawyer who also turns up mysteriously, but he is tracking down the facts surrounding Massey's illegal possession of the property. The latter determines to keep the trio there against their wishes, the while preparing to stand off the rightful owners who finally do appear to re-claim the mine, and a thrilling siege and gun battle ensue, leading up to the climax of the film.
