

DIRECTIONS TO VOTERS

The following is the form of ballot to be used in the election for Prince County, marked as it should be by all voters for Hackett and Lefurgey:—

LEFURGEY, II. John Lefurgey, County of Prince, Merchant and Shipowner.
PERRY, III. Stanislaus F. Perry, County of Prince, Trader.
YEO, IV. James Yeo, County of Prince, Farmer.

The following is the form of ballot to be used in the election for King's County, marked as it should be by all voters for MacDonald and Muttart:—

MACINTYRE, II. Peter Adolphus MacIntyre, of Souris, King's County, Physician.
MUTTART, III. Ephraim Bell Muttart, of Souris, King's County, Physician.
ROBERTSON, IV. James Edwin Robertson, of Montague, King's County, Physician.

The following is the form of ballot to be used in the election for Queen's County marked as it should be by all voters for Campbell and Ferguson:—

- CAMPBELL, I. William Campbell, of Millville, Park Corner, Queen's County, Farmer and Mill Owner.
DAVIES, II. Louis Henry Davies, of Charlottetown, Queen's County, Barrister-at-Law.
FERGUSON, III. Donald Ferguson, of Tulooh, Queen's County, Farmer and Stock-raiser.
WELSH, IV. William Welsh, of Keppoch, Queen's County, Farmer and Ship-owner.

HOW TO MARK THE BALLOTS.

Be sure to mark your ballot for the Liberal Conservative Candidates.

The elector, on receiving the ballot-paper, shall forthwith proceed into one of the compartments of the polling station, and there mark his ballot-paper, making a cross with a pencil on any part of the ballot-paper within the division containing the name of the candidate for whom he intends to vote, and shall then fold up such ballot-paper, so that the initials on the back can be seen without opening it, and hand it to the Deputy Returning Officer, who shall, without unfolding it, ascertain, by examining the initials, and the number upon the counterfoil, that it is the same as he furnished to the elector, and shall first detach and destroy the counterfoil, and shall then immediately, and in the presence of the elector, place the ballot-paper in the ballot-box.

- 1. Poll opens at 9 o'clock a. m., and closes at five o'clock p. m.
2. Vote early.
3. See that your Liberal-Conservative neighbor votes early also.
4. If you have a sleigh, place it at the service of your Committee to bring tardy voters to the polls. Give the information to the Secretary of Committee.
5. Do not "pair" on polling day with your Grit neighbor. Poll your own vote and let him look out for his.
6. Poll every possible vote; the loss or gain of a single vote in each polling division may make all the difference between victory and defeat.
7. Each Liberal-Conservative should vote as though the result of the election depended upon his individual exertions.
8. Remember that any bribery, corrupt treating, hiring of vehicles, paying of voters' expenses, or any undue influence, will not only void the election, but is punishable by law.
9. Electors can only vote at the polling division where their names are registered.
10. Any elector's vote may be challenged who has received anything on account of his vote, or has been promised anything directly or indirectly to induce him to vote at the election or for loss of time, travelling expenses, hire of teams, or any other service connected therewith; or even if the said elector has directly or indirectly paid or promised anything to any person, either to induce him to vote or to refrain from voting at the election.

Deception vs. Fairness.

THE HYDRA-HEADED POLICY (OF THE GRITS). Free Trade in Prince Edward Island. Protection in Ontario, Quebec and Revanche in Quebec. Repeal in Nova Scotia. Annexation in New Brunswick. Lawlessness in Manitoba. Slander and misrepresentation everywhere.

THE FAIR AND EVEN POLICY OF LIBERAL-CONSERVATIVES. Protection to our Industries and Fisheries. Union and Progress. Equal Justice to all. Raising the Credit of the Dominion. Reciprocity on Fair Terms. The same policy in all the Provinces.

Grit vs. Tory Rule. GRIT RULE. Public Debt. In five years the Grits added \$10,511,007 to the net debt and left nothing to show for it—but Fort Francis Lock and a few other monuments!

Interest Charges. During the Liberal party came into office the average rate of interest payable upon the public debt was 5.09 per cent., and five years later they had reduced it to 4.65 per cent., or by 44 per cent.

Assets. In 1873 the assets of the Dominion amounted to \$23,919,770, and yielded an average rate of interest of 1.36 per cent. In 1878 the assets had increased to only \$31,391,197, and the average rate of interest was 1.61 per cent., a gain in five years of \$7,477,427 in assets and an increase of .25 per cent. in the rate of interest.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites is not only very palatable, but the remedial power of these valuable specifics is greatly increased, and as a remedy for consumption, scrofula, emaciation, or where there is loss of flesh and nerve power, it is remarkable in its results. Take no other.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's August Flower will make them free from disease, as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies, as biliousness, sick headache, costiveness, nervous prostration, indigestion, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottle, 10 cts. Try it.
