

The Search for the Green

By Laurie Murphy

Financial Aid Office Hours:

Tues: 10 - 11, and 1 - 4:30

Wed: 8:30 - 1

Thurs: 10 - 11

Financial Aid covers a lot of ground and any article appearing in this newspaper from me barely scratches the surface of information available. And sources include scholarships, bursaries, and loans, and if you want any of the benefits, then you had better do something about it.

One way to reap the rewards of financial opportunity is to familiarize yourself with what students services has on file. You don't need me for this initial step; however I'll certainly be available for any questions that you might have. We can talk during the office hours that I have listed and the drop in System of consult has worked very well so if you need someone to listen, then I'll be there.

Here are some Undergraduate awards you should consider applying for. Next week's article will lean more toward graduate students, and our potential graduate students.
