MUNICIPALITIES

\$279,540. is appropriated for the payment of a per capita grant of \$3. to municipalities; and \$35,000 to incorporated villages on a basis of half their other revenue and between limits of \$1.25 and \$3.75 per capita.

THREE FISCAL PERIODS

Mr. MacDonald dealt with three fiscal periods in his Budget address: the Public Accounts for the year ended March 31, 1958; the interim statement forecasting revenue and expenditure to March 31, 1959; and the Estimates for the year ending March 31, 1960.

LOCAL REVENUE

Of the revenue collected from local sources he pointed out that nearly 45 per cent comes from the tax on gasoline and diesel fuel; 25 per cent from liquor including tax; 11 per cent from motor vehicle registrations; 8 per cent from taxes on tobacco, electricity, insurance premiums and amusements; 6 per cent from licenses, fees, etc.; and 5 per cent from miscellaneous revenue.

CIVIL SERVANTS

With revenues for the current year substantially better than were estimated, the Government felt justified in approving salary

Teachers To Get

KENSINGTON HI NOTES

Student Council to Publish School Paper During March

A game was played between Kensington High School boys and Alberton boys in Alberton on February 13. The Kensington club won by a score of 6-3.

On February 20, Kensington girls played host to Alberton girls but were defeated 5-0. Kensington travelled to Alberton February 28, this time the boys managed to tie Alberton but the girls suffered defeat again.

The Athletic Club have bought hockey sweaters for the teams in the school colours, green and white. The Lion's Club also aided in this purchase.

The Home and School Association recently organized a students night and a very enjoyable program was presented by the students.

The program under the direction of Lorna Morse, included piano solos, Patsy Ramsay and Margaret Walker; vocal solo, Beautiful Dreamer by Sharon Crozier and the Sword dance by Elizabeth Davison.

Dianna Mallett acted as chairman for a debate on "Resolved that the horse is more beneficial to the farmer than mechanical power." Upholding the affirmative were George Doughart and Wayne Lockerby; the negative,
