SUDDEN DEATH.—The Halifax Herald says: On Saturday morning last John Moses, of Hibernia, Yarmouth, accompanied by a young son, left home intending to go to the river, carrying a gun and an axe. While breaking a road through a narrow piece of woods, he suddenly dropped to the ground, and instantly expired. The boy ran for assistance, and Mr. Moses' helpless body was carried to his home. He leaves a large family.

KILRAIN WISS.—The battle between Jake Kilrain and George G-dfrey came off in the rooms of the California Athletic Club, San Francisco, on the night of the 15th. Kilrain was declared the winner in the forty-fourth round. Godfrey drew first blood in the thirty-fifth round.

BOSTON PRICES.—From an official circular of the 12th we learn that the egg market ruled steady until the previous Monday when the sales were generally at 19 cents, and that has been the ruling price since with a fair supply and a steady fair demand. The receipts of potatoes continued moderate up to Monday, but since that day there has been considerable improvement in the demand and the feeling is now quite firm. P. E. Island Chamaignes are selling for 85 cents. The fish market has a very firm tone in most all lines.

SCHOOL FOR THE BLIND.—The twentieth annual report of the board of managers of the Halifax School for the Blind is at hand. The report shows that the school has carried on its work with vigor during the past year. There has been a new wing added to the building at a cost of \$16,000. This new addition is set apart for boys and comprises culinary departments, dining rooms, parlors, etc., on the ground floor, besides sitting rooms, music rooms, hospital, bath room and a sewing room above. It also has a large assembly hall. Hon. Nell McLeod is one of the board of managers. The total number of blind persons under instruction during the past year was 28. Of these six have since graduated and one has been removed by death, making the total attendance, 1 Dec. 1st, 1890, 21, of whom 19 are from Nova Scotia, 9 from New Brunswick, 1 from P. E. Island and 2 from Newfoundland. The total expenditure during the year was \$6,480.32 which leaves a balance on hand of \$271.99.
