PERSONAL.

Mr. W. K. Rogers was a passenger by this morning's western train. Mr. W. Scott Stewart left this morning for Brandon, Manitoba. We understand he has secured a position on the Canadian Pacific Railway.

It is reported that Dr. Geoffrey Bayfield, at present of Annapolis, N. S., intends removing in the near future to Portage la Prairie, Manitoba.

—The Summerside correspondent of the Guardian says: Last Friday morning Mr. Peter McDougall, of Wellington, was engaged shingling the roof of Mr. John T. Cosgrove's house. Mrs. Cosgrove went out to bring in some firewood and was horrified to find Mr. McDougall lying on the ground dead. From the condition of the body it was thought he had been dead for some time. He had fallen a distance of only about 8 feet and it is thought that being in delicate health he had become dizzy while working on the roof. Deceased was a widower 45 years of age, and was greatly esteemed by all who knew him.

—An Old and Well Tried Remedy: Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

—The attention of all lecture going people is called to one which will surely be of interest given by Lieut. Arthur Mellish, in St. Peter's Schoolroom, on Tuesday evening next, Nov. 27th, at 8 o'clock. Mr. Mellish graphically describes incidents of the various campaigns "Our Boys" were engaged in during their good service in South Africa. The boys in khaki will cheer by some good choruses.

—Programme of the concert to be held in the First Methodist Church, Friday evening, for the benefit of the P. E. I. Hospital, will appear in to-morrow's issue. A very large number of tickets have been sold, and it is understood that the concert will be one of the best ever given in Charlottetown.

—The members of the 1st Charlottetown Company Boys' Brigade, St. Peter's, are requested to meet at the schoolroom this evening at 7 o'clock sharp. A full attendance is requested. W. H. Tidmarsh, Capt.

The healthy old man wears his gray hairs like a silver crown. What if he be threescore and ten if there is still fire in his eye, firmness in his step, command in his voice and wisdom in his counsel? He commands love and reverence. Yet how few wear the mantle of age with dignity; dim eyed, querulous of speech, halting in step, childish in mind, they "lag superfluous on the stage," dragging out the rag end of life in a simple existence. The secret of a healthy old age is a healthy middle age. The man who takes care of his stomach, who keeps his body properly nourished, will find that the body will not fail him in old age. The great value of Dr. Pierce's Golden Medical Discovery lies in the preservation of the working power of the stomach and other organs of digestion and nutrition. From this centre is distributed the nourishment of the whole body, the salt for the blood, the lime for the bones, phosphates for the brain and nerves. A sound stomach means a sound man. A man who keeps his stomach sound by the use of "Golden Medical Discovery" will wear the crown of gray hairs as befits a monarch, with dignity and ease.

WEATHER BULLETIN.

Probabilities for Next 24 Hours.
TORONTO, Nov. 26.—Light gales with rain or sleet.

BORN.

On Nov. 25th to Mr. and Mrs. Richard C. Goff a son.

DIED.

At Pownal, Lot 49, on the 22nd Nov., Carlos Lawrence, dearly beloved child of James and Mary Ann McMillan, aged one year and 8 days. The little crib is empty now.
The little clothes laid by;
A mother's hope, a father's joy,
In death's cold arm doth lie.
Go, little pilgrim, to thy home;
On yonder blissful shore;
We miss thee here, but soon will come,
Where thou hast gone before.

Local and Other Items

—The Liberal-Conservative Committee Room in the Brown Block, in the office lately occupied by Mr. E. Brown, are now open every day and evening. Canvassers and friends of the party are expected to report there every night.

—At the Conservative Convention at Souris this afternoon John McLeod and John Kickham were nominated.

—A number of apprentices in the railway shop at Charlottetown this morning for they will take position in the railway works.

—The regular monthly meeting of Lodge No. 1, Edward (while Rose Degree) will be held tonight at 8 o'clock. Advancement. The brethren are further reminded that tomorrow night will be regular R. R. meeting. Visiting brethren welcome.

—The funeral of the late John Clay took place at Summerside on Saturday at one o'clock and was largely attended. The services at the home of the deceased and at the Presbyterian Church were conducted by Rev. Mr. Smith; the Masonic service was conducted at the grave.

—According to a despatch the Bank of New Brunswick has appointed W. E. Stavert, manager of the Boston branch of the Bank of Nova Scotia, assistant manager at St. John to succeed Geo. A. Schofield, who is seriously ill. Mr. Stavert is the son of a former cashier of the Summerside Bank.

—Mr. Lorne Stewart, who, it will be remembered, resigned his position with the firm of Beer & Goff to go to South Africa, will re-enter upon his duties with the same firm next week. The action of Messrs. Beer & Goff in keeping Mr. Stewart's position open for him for upwards of a year is to be commended.

—The funeral of the late Mrs. Cullen was held yesterday afternoon, and a large number of citizens paid the last tribute of respect to one who was deservedly esteemed. The services at St. Dunstan's Cathedral and the grave were conducted by Rev. J. F. Johnston. The pallbearers were Captain Aylward, Maurice Doyle, John Martin, Chas. Kennedy, James Duffy and James Keenan.

—The St. Andrew's Presbyterian Church of Windsor, Ontario, has the merit of originality. Charlie Lorrre started last week as a missionary to China, and the church gave him a farewell banquet. Orders had been sent to Hong Kong for Chinese dainties, and these were provided. A professional Chinese cook had charge of the kitchen, and dishes were served in Chinese fashion. We presume, of course, the dishes were of china-ware.

The annual meeting of the Catholic Literary Institute was held last evening. The several reports presented showed the organization to have passed a prosperous year, and the sentiment of the meeting was strongly in favor of even a more progressive policy for the ensuing term. The election of officers resulted as follows:

President—John McPhee.
1st Vice—Charles Hermans.
2nd Vice—John M. Hughes.
Sec-Treas—J. M. Sullivan.
Man. Committee—James Eden, Jas. Edmunds, D. J. Riley, John McKenna and R. E. Smith.

—In the First Methodist Church last night Rev. Mr. Young dealt with some phases of the temperance question. He deplored the prevalence of drunkenness in Charlottetown, it seemed to him that while waiting for the prohibitory law to go into effect the utmost lawlessness was permitted. It is imperative, he said, that men of pronounced temperance views be elected to the legislature. Every candidate should be compelled to explain his attitude on the temperance question, and every one who truckles to the saloon should be left at home. He urged the temperance people to unite, and for once level their weapons at the common enemy.

PARALYSIS CURABLE.

Stricken Ones to be Seen Everywhere—This Form of Living Death Cured by Dodd's Kidney Pills.

The most startling example of human helplessness is the paralytic. The victim excites your commiseration, but resents your pity. He of the palsied hand stiffly pressing the benumbed side is to be seen everywhere we go.

The most convincing proof that this pitiable condition is the outcome of kidney disease is the fact that Dodd's Kidney Pills cure it.

Not generally recognized as a kidney disease, it succumbs to kidney treatment. Did you ever know of a cure? Just think a moment! If you do it must have been the work of Dodd's Kidney Pills, for no other medicine ever yet cured.

CHINA SITUATION.

Serious Divergence Reported in Peking.

LONDON, Nov. 24.—"A serious divergence has arisen in Peking," says the Tien Tsin correspondent of the Daily Mail wiring Wednesday. "Japan, the United States, Russia and France favor demanding a milder punishment than the execution of Prince Tuan and the others, while Great Britain, Germany, Austria, Hungary and Italy deem anything less than the death penalty useless. An important decision has been arrived at, however, that this divergence is not to interfere with the general peace negotiations."

"Another remarkable feature of the situation is the sudden volte face of Russia, who now declines either to withdraw from the province of Chi Li, or to hand over the railway as promised."

Dizzy Spells and Headache

Weak, Nervous, and Run Down, would Shake with Nervousness—A Terrible Case—A Remarkable Cure.

Mrs. Chas. H. Jones, Pierceton, Que. writes:—"For years I have been a great sufferer with my heart and nerves. I would take shaking spells and a dizzy, swimming feeling would come over me. Night after night I would never close my eyes, and my head would ache as though it would burst. At last I had to keep to my bed, and though my doctor attended me from fall until spring, his medicine did not help me. I have now taken five boxes of Dr. Chase's Nerve Food, and it has done me more good than I ever believed a medicine could do. Words fail to express my gratitude for the wonderful cure brought about by this treatment." Dr. Chase's Nerve Food makes pale, weak, nervous men, women, and children strong, healthy, and happy. It is in pill form, 50 cents a box, at all dealers or Edmanston, Bates & Co., Toronto.
