ROTARY FATHER AND SON BANQUET — Rotarians departed from their usual noon luncheon today, and held a father and son banquet in the Y.M.C.A. last evening. President Dr. Sterling Giddings presided, assisted by Vice-President Gordon Avar and Secretary Graham Rogers. There was a very large attendance as each Rotarian took along his son, or had he no son of his own, one was adopted for the evening. Following a very nice supper, Rotarians and guests enjoyed an evening during which a toast to the Dads was proposed by Frederic Sellen, son of Rotarian Russ Sellen, and responded to by Rotarian Dr. Frank MacKinnon, a piano solo by William Rogers, son of Rotarian Keith Rogers, a reading by Mr. Bob Compton, and a harmonica solo by Mr. Robert Houston.

JUDGES SELECTED — Announcement of the selection of judges for Ayrshire cattle at the two big Maritime shows this year was made yesterday. Mr. Gilbert MacMillan, Huntingdon, Que., is the first choice to judge at the Charlottetown Exhibition. He is president of the Dairy Farmers of Canada and is no stranger here as he has judged at our fair in past years. The second choice for the position is Mr. W. R. Retson, Truro, former secretary treasurer of the Nova Scotia Ayrshire Breeders Association. Mr. W. E. Rodgers, LaChute, Que., has been named first choice to judge the breed at the Maritime Winter Fair at Amherst, with Mr. R. O. Begg, Dundas, Ont., as second choice.

To "Keep The Peace" In Strife-torn Egypt

Aiy Maher Pasha, twice ousted from office and once jailed as a pro-Nazi, is again premier of strife-torn Egypt, now under martial law. With an independent cabinet behind him, he has taken over Nationalist policy in Suez crisis following the ousting of Premier Mustafa Nahas Pasha, by King Farouk for failure to keep peace in country which has been torn by sporadic fighting since last fall when Egypt abrogated its long-standing defence treaties with Britain.

Wins Allan Blair Memorial Fellowship

Dr. H. Terry Van Patter, husband of the former Helen Elaine Porter of this city, has won the \$8,000 Allan Blair Memorial fellowship for 1952-54, according to recent reports from Montreal.

Dr. Van Patter, 26-year-old Montreal pathologist, and his wife, the daughter of Mrs. Lockie Porter, Charlottetown, were married here last summer at St. James Church.

This award, offered on a strict competitive basis, will enable Dr. Van Patter, to gain a year's advanced study in pathology under the guidance of the eminent Dr. Fred W. Stewart of the Memorial Centre for Cancer and Allied Diseases, New York. The other year will be spent at leading British cancer centres.

Though winning the Quebec entrance scholarship to Queen's University at the age of 17 he had to decline the honor as he had joined the army. In 1947 he completed the Canadian Army Course at McGill obtaining his B.Sc. with honors and winning first place in high aggregate standing.

He won the Joseph Morley Drake prize in pathology, the Wood Gold Medal for excellence in clinical subjects the Walter W. Chipman Gold Medal for highest standing in obstetrics and gynaecology, and first place in both medicine and surgery in examinations by the National Board of Medical Examiners (United States), during his medical course.

Dr. Van Patter is the son of Mr. and Mrs. H. S. Van Patter, of Westmount, Quebec.

New Rector For All Saints' Cathedral

QUEBEC, Feb. 4 — (CP) — Archdeacon W. W. Davies, rector of the St. Matthew's Anglican Church, has accepted the appointment as rector of All Saints' Cathedral in Halifax and dean of the diocese of Nova Scotia. It was announced here today. He will take over his duties Aug. 1.

Born in Woodlawn, Ont. in 1906, he married Miss K. Aubrey Acheron, granddaughter of W.D. Morison, onetime Ottawa mayor. Both graduated from Bishop's University. He is editor of the Quebec Diocesan Gazette and chaplain of Army, Navy and Air Force Veterans' Association, Quebec branch.

Three Killed In Crossing Accident In Ottawa

OTTAWA, Feb. 4 — (CP) — Three men were killed tonight when the automobile in which they were riding was struck by a Canadian Pacific Railway passenger train at a level crossing in the west end of the city.

Identity of the victims was not immediately known. Two were killed outright in the crash and the third died en route to hospital.

Their automobile was crossing the railway tracks at Scott Street when it was struck by the fast-moving passenger train from Toronto which was due in Ottawa at 10 p. m. EST.

The car was demolished. Major MacRae is well known among cattlemen, especially in Eastern Canada where he has frequently been a judge of the breed in past years. Some of the fairs where he officiated include the Central Nova Scotia Exhibition at Truro and the Ormatown, Que. fair.

Is Presented With Decoration

Believed to be the first time presented here, the Canadian Forces Decoration has been awarded to WO 1 Eugene G. Lewis, Regimental Sergeant Major of 21st Armored Brigade Headquarters here. The presentation was made by Major J. T. Davies, of the Headquarters staff, in the absence of Brig. W. W. Reid who was out of the Province.

The award to WO 1 Lewis was based on his 12 years service with the Reserve Army force and his excellent record during that period.

Issue Second Warant In Murder Case

WELLAND, Ont., Feb. 4 — (CP) — Provincial Police said today they have issued a murder warrant for the arrest of James Kelsey, 27-year-old brother of a man already held for the slaying of a Welland taxi-driver two years ago.

Lloyd Frank Cross, 34-year-old former Welland resident, was arraigned today on a charge of murdering Sam Delibashi. Later Provincial Police Inspector Charles Wood said Cross' brother also would be charged with the slaying.

He is James Kelsey, now being held in Buffalo on a charge of entering the United States illegally in June, 1951. Kelsey, also a former Welland resident, who changed his name when his mother married for a second time, was arrested in Niagara Falls, N.Y., and turned over to immigration authorities Jan. 29.

Immigration officials in Buffalo said today they will deport Kelsey to Canada this week.

British Protest Shots Fired At Survey Ship

BUENOS AIRES, Feb. 4 — (Reuters) — A British note protesting against shots fired at the survey ship John Biscoe at Port Hope in Antarctica was handed today to Foreign Minister Jeronimo Remorino of Argentina.

After a 20-minute audience with the British charge d'affaires, Richard Allan, Remorino had an interview with President Juan Peron.

An Argentine naval auxiliary vessel fired over the heads of a party from the John Biscoe trying to land at Hope Bay last Friday to re-establish a base evacuated in 1949.

The display of handcrafts from Nova Scotia, New Brunswick and Quebec opened in the south concourse of the R.C.A. building in midtown Manhattan. The two stores housing the exhibits, ranging from plaids and tweeds woven in Cape Breton Island to delicate wood carvings from Quebec, caught the eyes of hundreds of passers-by.

The internationally famous pottery of Kjeid and Erica Diechman of Clifton, N.B., took up a good part of the exhibit. Examples of Eskimo handcrafts were displayed by James Houston and his wife, the former, Alma Bardon, a Halifax newspaper woman. They brought back sculptures of animals and birds carved from stone and walrus tusks from Canada's Eastern Arctic.

Dr. Ivan H. Crowell, director of handcrafts for New Brunswick, said that during the eight-week show various craftsmen from Canada will give demonstrations of their work. A loom will be set up for Quebec weavers to show New Yorkers how their work is done.

The display is sponsored by Canada's Department of Trade and Commerce with handicrafts officers of each province on the organizing committee.

Government officials, pleased with the response on the show's opening day, said they are hoping to interest United States wholesalers in the work of the Dominion craftsmen.

N. B. Drama Festival Continues

ST. STEPHEN, N. B., Feb. 4 — (CP) — The Anglin Players of St. Stephen presented "The Philadelphia Story," a comedy by Philip Barry, as the New Brunswick Regional Drama Festival followed three productions at Sackville.

ICMz huzyl emfwp emfwypp Adjudicator Pierre Lefevre praised the players for a "very entertaining and enjoyable" presentation. They had chosen a difficult play but made a good decision.

The play was well directed as far as movement on the stage was concerned, but it should have struck a faster note, especially in the first act.

Mr. Lefevre said the leading roles were well played. Paul Smith, as "Mike Connor," made the closest approach to the style of the play.

The cast worked well as a team, and more speed would have made considerable improvement. The setting was well arranged,

IN MEMORIAM

FREDERICK WILLIAM ANDREW

The death occurred at the Prince Edward Island Hospital on December 16th, 1951 of Frederick William Andrew of Charlottetown, formerly of East Royalty, Prince Edward Island, age 73 years, son of the late Mr. and Mrs. Francis William Andrew, East Royalty.

Mr. Andrew entered the hospital on August 5th, 1951, for an operation and appeared to be well on the way to recovery and looking forward to coming home for Christmas when other complications set in and in spite of the best care and medical attention he passed peacefully away on the above date surrounded by his wife and family.

His passing has brought to the memory of many, one whose fine qualities through life caused him to be highly esteemed and respected by all who knew him.

A veteran of the First World War, he went overseas with the 105th Battalion holding the rank of Quarter-Master Sergeant. He was wounded in the battle of Arras, France, on August 26th, 1918, spending considerable time in the hospital overseas, and suffered from the effects of it all his remaining years, but never complained. He was manager of the McLure and MacKinnon Fox Farms for almost thirty years, moving with his wife and family to Charlottetown three and one-half years ago. He also lived in that community the greater part of his life.

He leaves to cherish his loving memory his wife, formerly Florence Jean Scott of Marshfield, two sons, Scott of Toronto, who came home for funeral services, Alvin of the Maritime Electric Co., City, and two daughters, Louise and Velma of this city; also three sisters, Elizabeth, Margaret and Viney (Mrs. Timmons) all of Minneapolis, U. S. A., and one brother John B. Andrew of East Royalty. One sister Annie predeceased him several years ago.

The funeral, which was largely attended by his many relatives and friends despite the weather conditions, was held from Trinity United Church, Charlottetown and was conducted at the church and grave by Rev. H. E. D. Ashford and Rev. J. T. Irwin, who had visited him frequently during his lengthy illness in the hospital. The Legion funeral service at the graveside was conducted by Arthur H. Peske, President, Provincial Command, and the Last Post was sounded by Bugler Wilfred Smith. The pall-bearers were Messrs. Percy Worth, Alex MacNevin, Herbert Love, Arthur Robertson, Wendelin Morrissey and Neil Darnach.

The many beautiful floral tributes and messages of sympathy testified to the high esteem in which he was held.

Huge Marine Boilers Shipped By Rail

MONTREAL, Feb. 4 — (CP) — Two marine boilers, believed to be the largest freight shipment ever handled by a railway in North America, left Montreal today by special train. Measuring 19 feet high from the rails and 13 feet six inches wide, they are en route over Canadian National lines from Collingwood, Ont., to Saint John, N.B.

Because they are more than three feet wider than the cars, a number of switch stands and signals have had to be removed along the route to give the boilers clearance. A crew of section men and signal maintainers are riding the train to replace stands and signals as the shipment proceeds.

On arrival at Saint John, the boilers, owned by the Atlas Maritime Corporation of New York, will be loaded aboard ship for delivery to Argentina via New York. A huge harbor crane will be required to lift them from the train into the ship's hold.

Find 'Copters Useful On Hospital Ships

TOKYO, Feb. 4 — (AP) — Delivery of 400 patients via helicopter to the hospital ship Consolation has convinced Far East naval headquarters that all hospital ships should have a flight deck and copters at standard equipment. Capt. John W. Way told a press conference today the 'copter deliveries were made in 41 days without an accident.

The adjudicator said. The festival will continue here tomorrow and Wednesday.

Special Course In Agriculture

A special course in general agriculture covering a wide range of subjects will start next Monday at the Vocational School. The course will be given under the direction of Mr. Bud McMurtry of the Provincial Department of Industry and Natural Resources and will have thoroughly trained teaching personnel.

Mr. McMurtry said yesterday it was the desire of the instructors to stress the practical side of the work and to this end the ordinary classroom routine will be split up with frequent field trips to nearby farms. Wherever possible those attending the course will be taken to the farms of outstanding cattle breeders and given an opportunity of seeing the work carried on by experts. They will also have a chance of talking to the owner of the farm and learning from him some of the finer points of breeding or growing the various crops.

It is felt that this method of teaching will have a further reaching effect than ordinary class lectures. Most of those attending will be young farmers themselves and will understand the language used by other farmers and thus get more from the course.

Shorter Periods

It is fully realized by those in charge that many of the students attending will not be able to remain for the full period of instruction which will run to March 22. For this reason they have broken the courses into week long periods which will permit attendance for one week if wished in order to be present when a subject of particular interest is being taught.

The first course next week will deal with Livestock First Aid, while the following week the course will be on Animal Husbandry. A course dealing with

Forestry and the management of woodlots will be given February 25 to March 1 by Mr. Frank Caudet and Mr. Wendell Proffitt, foresters of the Department of Industry and Natural Resources.

Third course to be offered will open March 3 and run through March 12. It will deal with Field Crops and Soils. Last of the courses to be offered will be on Horticulture. It will start March 17 and conclude on March 22.

Dorothy Dix Left \$2,316,398 Estate

NEW ORLEANS, Feb. 4 — (AP) — Mrs. Elizabeth Meriwether Gilmer, better known to newspaper readers as Dorothy Dix — left an estate valued at \$2,316,398, an inventory in civil district court showed today. Stocks totaled \$1,784,761. The remainder of the estate was in bonds, bank accounts, real estate and jewelry. Mrs. Gilmer died here Dec. 16 after writing her advice column for 50 years.

med it. Both planes burst into flames. The Mustang pilot, FO. W. C. Veales of Edmonton, ran to the wreckage of the other plane, pulling out student pilot Mike Harrison, 21, of Edmonton. Leitch was trapped in the wreckage.

Harrison was reported in serious condition at a city hospital tonight. Veales was taken to the R.C.A.F. base hospital suffering from shock.

In Thick Fog

The Manitoba plane, feeling its way through thick fog, struck the guy wire support for the 500-foot broadcasting tower of the Canadian Broadcasting Corporation's station CBOW.

A passing farmer and the station engineer were unable to rescue the plane's three occupants after running to the wreckage with firefighting equipment from the station.

Forestry and the management of woodlots will be given February 25 to March 1 by Mr. Frank Caudet and Mr. Wendell Proffitt, foresters of the Department of Industry and Natural Resources.

Third course to be offered will open March 3 and run through March 12. It will deal with Field Crops and Soils. Last of the courses to be offered will be on Horticulture. It will start March 17 and conclude on March 22.
