AROUND THE WORLD.—Mr. D. W. Campbell of Ontario, having lately returned from a voyage around the world, will give a very interesting entertainment under the auspices of the Young Men's Christian Association of this city, in their Hall, on Monday evening the 9th inst. The entertainment will consist of two parts, the first, a lecture descriptive of his tour around the world, which, of itself, ought to give the lecturer a full house; the second, a brilliant exhibition of dissolving views embracing beautiful pictures of places and sights referred to in the lecture. Mr. Campbell is spoken very highly of by the press of Canada, and we have no doubt the friends of the Charlottetown Y. M. C. A. will give him a full house.

DOMINION DAY.—Yesterday, the city was almost deserted. After the departure of morning trains and steamers, and the complete cleaning out of Livery Stables, but very few citizens could be seen in the streets. All who had horses and carriages of their own, also took their departure to visit country friends, or enjoyed a pleasant drive around Victoria Park or the Royalty. Here and there, flags floated from private residences and business places. The Provincial Building also floated the Canadian Ensign. But from the top of the Dominion Building, which contains the Post Office, the Custom House, the Savings Bank, the Marine and Fisheries Department, etc., nothing but a bare pole was to be seen. This demonstrates the fact that ingratitude prevails to an alarming extent within the walls of that building. This lack of due observance for our Natal Day, was, however, made up by the Railway officials who had all their buildings, from the Round House to the Depot, appropriately decked with bunting.

THE Presbyterian Tea Party and Fancy Sale, held in the Drill Shed, Summerside, yesterday, was well patronized. WE have to thank Mr. F. Herbert Hazard for the fine assortment of delicious strawberries presented THE EXAMINER this forenoon. There were four varieties—the "Red Jacket," the "Champion," the "Wilson," and the "Crescent Seedling;" and it would take a connoisseur to say which variety was the finest. Mr. Hazard has made a specialty of strawberry culture; and has, we believe, the finest assortment of plants to be found on the Island.

THE tea party held at Summerside yesterday, in aid of the new Convent building, was quite a successful affair. The tables were well arranged in tents alongside the beautiful church. They were well supplied and well attended. Everything in connection with the affair passed off pleasantly.

LETTERS TO THE EDITOR.

Some Questions.

Sir,—There seemed to me to have been one or two anomalies connected with the celebration of Dominion Day, yesterday, that require explanation at the hands of the authorities.

- 1. Why was no salute fired?
2. Why was not the proper official flag hoisted over the Provincial Building?
(3) Why did only the halyards swing to the breeze upon the Dominion Building, when a flag was flying there a week before upon the day of the Masonic celebration.
(4) Why were the mechanics in the Railway workshops forced to observe the holiday, yet be docked of their day's pay? PUNCH.

Summerside Correspondence.

The Teachers' meeting in Ludlow Hall, Summerside, on Thursday night, was a grand success. The programme was varied and extensive. The singing was all good, and the addresses earnest and spirited. The first speech was by Professor McLeod, on "Sam Johnson." It showed marked research and was well delivered. Dr. Gillis's address on "Sanitary Legislation" was to the point and threw out many useful hints. The Dr. is a practical man and received well on the platform. Hon. W. G. Strong took the theme of evangelical union and spoke earnestly and well. He illustrated his subject by referring to the contemplated union of the Methodists which he said was highly desirable as a Christian union would be productive of good results. The "Scott Act" was ably handled by the Rev. Neil McKay, and the question of political morality received from the Superintendent of Education, a careful and vigorous analysis. The whole proceedings were gone through with and reflected great credit on all concerned. We hope to hear of more of these entertainments in the future. Summerside, July 3, 1883.

MARRIED.

At St. Dunstan's Cathedral, in this city, on Monday, the 2nd July inst., by His Lordship the Bishop of Charlottetown, uncle of the groom, assisted by the Rev. James E. Macdonald, Peter Conroy, M. D., eldest son of the late Nicholas Conroy, Esq., to Emma, fourth daughter of the late John Fenton Newbery, Esq.

DIED.

At his late residence, Argyle Street, Lot 30, on the 8th of June, after an illness of two months, which he bore with Christian patience and resignation to the Divine Will, John McDougall, Elder, in the 63rd year of his age. The deceased was converted in the year 1850, under the ministry of the late Rev. Donald McDonald, and in the year 1863 he was ordained into the eldership, which office he discharged with faithfulness. The deceased was a pious, unassuming Christian of exemplary life. His end was peace. He leaves a sorrowing widow, three sons, five daughters, with numerous relatives and friends to mourn their loss. "Mark the perfect man, and behold the upright man,—for the end of that man is peace."
