B.C. Announces Issue Of Bonds

VANCOUVER (CP) — Premier W. A. C. Bennett Monday announced the issue of $100,000,000 worth of five-per-cent parity development bonds to finance the British Columbia Hydro and Power Authority.

The premier told about 300 representatives of the financial community that hydro development bonds will be issued in the future on a five-year cycle basis.

The bonds are cashable at par at any time.

The issue replaces the $100,000,000 series issued Sept. 1, 1961.

The five-per-cent interest is payable quarterly.

The bonds are unconditionally guaranteed by the province. Half the issue matures Sept. 1, 1969, and the other half one year later.

SUSPENDS LAWS

KARACHI, Pakistan (Reuters)—Pakistan is to suspend its watchdog laws over the country's press for one year, President Ayub Khan announced in Rawalpindi Thursday. The laws, known as the Press and Publications Ordinance, gave the government the power to suspend newspapers and printing presses for various offences including those listed under Pakistan's security laws.

A GENERAL MOTORS VALUE

If you've been sitting tight waiting for just your kind of car, in just your kind of size, with just your kind of power, at just your kind of price — wait no longer! Wait no longer than it takes to work out the fastest route to your Chevrolet dealer's — because he's offering the sort of values you just can't afford to pass up. His Chevrolets — bigger, more beautiful, with the kind of luxury that surprises you in a car so reasonably priced. His Chevelles — with lively looks, spirited power, a softer ride, and a honey of a deal. His Chevy II's — need we say more than that saving money while looking good is a specialty of this one? And his Corvairs — the performance, handling and good looks of the expensive imports, with the reliability of the Chevrolet name. What a line-up of talent! What a great deal! What a time to buy!
