

BUSINESS SOCIETY

Well, the 1980 term has gotten off to a slow start, due to a slight case of procrastination and an early Winter Carnival. But now we are ready for some action.

Keeping you business people up to date, you will be happy to know that we have decided to order Business Society mugs this year instead of the shirts. Everyone seems to be very enthusiastic about this idea. In fact, the mugs even have a genuine new Business Society insignia. We thank Karen MacDonald for her artistic ability. There are 150 mugs on order, and they should be here in about 4 weeks. The price will be very low, probably under \$5. Don't panic if you don't think there will be enough. We have time to reorder if we have to. When everyone has their mug, there will then be a 'mug party'. So that's something to look forward to.

The Businessman's Dinner plans are in the making. Although a speaker has not been confirmed as yet, the dinner will take place at the Cascade on one of the nights of March 26, 27, 28, or 29. For those of you who are not familiar with the UPEI Annual Businesspersons Dinner, it is a popular event where the business students get a chance to familiarize themselves with the many Businessmen and Businesswomen in the P.E.I. area and vice versa. The dinner seats about 220 people comprised of 50% students and 50% faculty and Businesspeople. It is an excellent way for these three parties to share an informative and interesting evening with a well-known speaker and a full course meal. Last year's dinner was very successful and we hope to repeat that performance. Note, freshmen and sophomores, that's your chance to get involved!!!

Well, I think we have taken long enough to recover from our last WAMO

"4 p's Pub", and now we will christen the '80 term with the FIRST ANNUAL "POOR MANS HOLIDAY PARTY". Yes, fun, sun, sensuous, beautiful bodies, exotic drinks, muscles, body-building contests, wet T-shirt contests (male)*!!, bum contests (male), or whatever, hula-hoop and limbo contests. I can see it now, green grass tickling your tootsie toes, then a quick hop in the pool to cool off, a game of golf? No - wait - lets have some of that Hawaiian Punch before we lie down on those lawnchairs or should we cool off under the palm trees!! I think we had just better slip into something more comfortable, maybe shorts, swimsuits, bathrobes, grass-skirts or whatever! Yes, have a gorgeous holiday on Tuesday night Feb. 12, at the Barn.
