EIGHTEEN MONTHS' PAIN

Ended Effectually and Permanently by Dodd's Kidney Pills

Central Waterville, N. B., Nov 14—These dull and damp days of November are terrible hard on the Kidneys. Not one person in a oundred escapes. Backache, pains in the loins, Lumbago, and similar Kidney troubles are as plentiful as fallen eaves.

Dodd's Kidney Pills are the only sure and certain cure for kidney complaints. They never fail to cure.

In proof of this read what Mr F W Harris, of this place says: "After having suffered for eighteen months, with kidney disease, being unable to work, most of the time, and having grown worse while taking other medicines, I used three boxes of Dodd's Kidney Pills, which effected a complete and permanent cure.

The Danish Government has negotiated a loan of 10,000,000 krones (about $1,000,000) for military purposes.

Mr. Dewar tells us that there is now in Scotland a reserve stock in bond of over 89,000,000 gallons of whiskey, and that the annual output is 12,500 000 gallons more than the consumption. This disposes of the legendary contention that the Scotch can consume more whiskey than Scotland can produce.

Mr. Montague, of Dunnville, Cured of Ulcerated Itching Piles.

Mr. Robert Montague, of Dunnville, Ont., writes:—"Was troubled with Itching Piles for five years and was so badly ulcerated, they were very painful, so much so, that I could not sleep. I tried almost every medicine known when I was recommended to use Dr. Chase's Ointment. I purchased a box and from the first application got relief. Have used two boxes and am now completely cured"

EMINENT PHYSICIAN.

Recommends Dodd's Kidney Pills for Kidney Diseases.

They Have Saved Thousands of Lives—New Brunswick People Need Dodd's Kidney Pills as Kidney Complaints are Common Among Them.

ST. JOHN, N B, Nov 16.—Some startling statements were made, yesterday, by an eminent American physician, who is spending his vocation here.

The doctor was interviewed by a reporter to obtain his views on sanitary matters.

"I cannot speak on local sanitary affairs," said the doctor. But I shall give you, if you wish, some observations, from a medical standpoint, regarding the people of this province, and medical matters that deeply concern them.

"I have been forcibly struck by the evidences of Kidney Diseases among your people. Nearly every adult that I meet on the streets, shows plainly to the medical eye, the symptoms of Kidney Disease in some form.

"I am prepared to assert positively that such ailments as Bright's Disease, Diabetes, Dropsy, Gout, Rheumatism, Heart Failure, Lumbago, Gravel, Stone in the Bladder, Female Complaints, and other Kidney troubles are prevalent here.

"Looking over the records, I find that ninety per cent of the deaths are caused by these diseases.

"What your people need most is a sterling Kidney medicine—one that will cure such complaints."

"Is there such a medicine?" asked the reporter.

"There is. But there is only one. It is known as Dodd's Kidney Pills and will cure the worst case of Kidney Disease.

"Dodd's Kidney Pills, have to my own knowledge, saved thousands of lives. They are an absolutely certain cure for all forms of Kidney trouble.

"The case of Mr. W. H. Bowser of this city, illustrates their efficacy. He was a continual sufferer from Lumbago, till he began to use Dodd's Kidney Pills. Now he is sound and well.

"If the people will use Dodd's Kidney Pills, Kidney Diseases will soon be banished from the country."

A Story of Winnie Davis.

There is a story told of her by a resident of Philadelphia which shows why Winnie Davis was held so dear by the veterans of the Confederate army. The man who tells it was a colonel under the stars and bars and is now a rich man. "But five years ago I wasn't," he says. "I'd lost every penny I'd had before the war, and I had not made many since. A big slump in the west had done for me, and I put up at a New York hotel with just enough to pay my bill and no more. My nerves gave way, and I was taken ill. The doctor said I must have a long rest and a complete change of scene. I said I might rest in the grave and change this scene for that of the next world, but that I had no money or friends and would never leave the city any way but feet first. Well, Miss Davis was stopping at that hotel. She knew I wouldn't accept money from her, so she got the doctor to pretend he was lending me his own. I went abroad and came home cured and already on the way to wealth. It was only then that I found out whom I owed my life to. You know her book, 'The Veiled Doctor?' Well, for me there is in an equivocal significance in that name."—Philadelphia Press.

Protecting Boiled Ham.

After a ham has been boiled and before getting entirely cold it will be found a good plan to wrap around it a long strip of thin old muslin, tying it on with a string. This may be turned back as fast as the ham is sliced. In the meanwhile it keeps the edible from the intrusion of would be familiar flies.

The latest cure for a rattlesnake bite is coal oil. When bitten upon the hand, place it in a vessel filled with oil, and the poison will come out and rise to the surface of the liquid.

According to the best authorities, there has never been a race of men that was ignorant of the use of fire.
