IN MEMORIAM

A wave of sadness passed over the town of Montague and the surrounding communities when it was learned on Monday January 15th, that Russell G. McDonald had passed away at his home.

Mr. McDonald was a son of the late Michael McDonald and his wife Margaret Gordon of Whim Road and was born there 65 years ago.

He was one of the pioneer members of the potato inspection service. He retired from active duty last October 30th, when he was presented with a gilt in appreciation of his many years of service.

He was twice married. His first wife the former Marjorie Beer predeceased him in 1938. His second wife was the former Vera Andrew, whom he leaves to mourn, besides two sisters, Mrs. Angus MacBeth, Whim Road and Mrs. Angus Martin (Reubina) in U.S.A. and two brothers George and Angus also in U.S.A.

He was a member of Trinity United Church, Montague from which the funeral was held on Wednesday afternoon January 17th. The service was conducted by Dr. A. D. MacKenzie who spoke words of comfort to the bereaved family, basing his remarks on Alfred Tennyson's "Crossing the Bar", one of the favorite hymns sung by the choir were "The Lord's My Shepherd" and "What a Friend We have in Jesus."

The floral tributes were many and beautiful, testifying in their own silent way to the love and esteem in which he was held. Interment was in Lower Montague Cemetery where the service was conducted by the members of Hillside Lodge, I.O.O.F. The following members of Hillside Lodge acted as pall bearers, Chessel Anear, Jack Anear, Colin McDonald, Mont Wright, Harry McGregor, and Henry McLaren.

New School At Alberry Plains

The handsome new public school building at Alberry Plains, recently completed, is the centre of attraction in the community and is drawing many favorable comments from visitors.

The official opening of the school took place on January 22, and was largely attended. The speakers included Hon. F. A. Large, Minister of Education, Dr. L. W. Shaw, Deputy Minister and Director of Education, Rev. J. MacKay, Mr. Willard Brehaut, supervisor of schools for the area, Mr. C. B. Jelly, supervisor of schools for the Summerside area and Mrs. Norman MacMillan. The visiting speakers warmly congratulated the community upon the building, which was constructed with Provincial Government assistance.

Dr. Shaw pointed out that there are now approximately forty-five districts which, within the past few years, have erected new school buildings under the Provincial Government assistance plan.

He recalled that a few days ago, a gentleman who had travelled by car from Western Canada remarked upon the fact that while we have not the large schools in big centres, so far as rural schools are concerned they compare favorably in this Province, and are even superior to the rural schools in Saskatchewan.

Mr. Shaw MacMillan expressed regret that an esteemed citizen, now ninety years of age (Mr. Edward Collins) was not able to be present as he could have portrayed the educational advancement in the community over a great many years. "Now we are obliged to allow the past to slumber in the minds of the few," he added.

The chairman also paid warm tribute to the school secretary, Mr. Brenton Curran, without whose untiring efforts the new school building would not have become a reality.

The new building comprises a large classroom, well lighted and ventilated, with 11 ft. ceiling, also a teacher's room, two cloak-rooms, a work-room which can be used as a kitchen, and a spacious basement. The old school building nearby has been taken over as a hall by the Women's Institute of the district.
