An Hoanna meeting will be held previous to the sale. All contributions will be thankfully received. Offerings taken at the door. 2i

Disturbing Religious Worship.

SYNOPSIS OF THE JUDGMENT IN THE MOORE CASE.

THIS forenoon, R. R. Fitzgerald, Esq., J. P., gave a lengthy written judgment in the case of John Moore, charged with disturbing religious worship. In this case, said he, there are two charges against the defendant: (1) that in the singing of the canticles in the morning and evening services in St. John's Church, Crapaud, he so rendered them as to disturb the order and solemnity of divine worship; (2) that at the office of Holy Communion his conduct has been such as to prevent its due and reverent celebration. The Magistrate found both these charges conclusively proven. The evidence as to the first charge was in effect that the defendant persisted in singing according to the manner taught by Mr. Friese four years ago, while the rest of the choir sang in accordance with instructions more recently given by Rev. Thomas Lloyd. This caused great discord in the singing, occasionally breaking down the choir. The defendant persisted in acting in this unseemly and indecent manner for over six months, telling the rector, when remonstrated with, that if they did not sing the canticles his way, he (the rector) would have to read them. As to the second charge, the evidence showed that the defendant while persisting in so disturbing the congregation by his singing, presented himself for communion. This the rector refused him. The defendant, not satisfied with this refusal, presented himself at several subsequent celebrations and conducted himself in such a manner as to cause a most unseemly disturbance in that service. On the last communion service of the 1st January, he behaved himself in such a manner as to prevent the rector continuing the service, and the congregation were dismissed before the service was concluded. The facts in this case were practically undisputed by the defendant. His defence, apparently, was that as leader of the choir he had a right to sing as he did, that the rector had no right to refuse him the sacrament, and he had a right to constantly present himself. The concluding part of the Magistrate's judgment reads as follows: "I have gone over the evidence carefully. I find the defendant guilty of both charges. I find that he had no excuse for his persistent, deliberate conduct. His counsel suggests that his case might be met by a nominal fine. To inflict such a fine would be to acknowledge all that the defendant has contended for. It is my duty to prevent him repeating his illegal conduct. The law limits me to \$20. This fine I deem a small one for the defendant's offences, committed apparently without a shadow of regret. Regrettably I perceive that only the deterrent of adequate punishment will compel in him a decent and reverent behavior in a church which he apparently desires to rule over rather than worship in. I therefore adjudge that the defendant pay a fine of \$20 and costs, and in default of payment that he be imprisoned for one month. Mr. H. James Palmer, counsel for the prosecution, intimated that it was the wish of Rev. Mr. Daniel, if the court saw fit, that the fine be not exacted if the defendant behaved himself in a proper manner in the future. We learn that Mr. Moore has decided to appeal his case to the Supreme Court.

City Council.

The regular monthly meeting of the City Council was held yesterday afternoon at three o'clock, Mayor Haviland in the chair. Councillor McKay was the only absentee. The returns of the recent elections for Water Commissioners were read by the clerk. Mayor Haviland explained that the commissioners elected, Messrs. Halloran and Laird, had each furnished the security required by law. The sureties for Mr. Halloran are Maurice Blake and Charles Lyons, and for Mr. Laird John McPhail and J. D. McLeod.

Mayor Haviland presented the estimates of the City School Board for 1893, which were referred to the Finance Committee. The Board asks for \$10,500 this year. A memorial from the City Clerk, asking that his salary be increased, was referred to the Finance Committee.

Councillor Crabbe moved that the appointment of all standing committees be cancelled. Carried.

Councillor Crabbe moved the following resolution, which was seconded by Councillor Hogan and carried:—Resolved that the Assessors are hereby instructed and required to send in and make similar returns as heretofore required of them, of the values of all real estate in this city omitted by them in their previous returns or which have changed ownership or occupancy in the meantime; also the value of all personal property so omitted as aforesaid, or which has since their last return come into the city, or which has changed ownership in the meantime; also of all persons liable to poll tax, who have been so omitted as aforesaid, or which has since their last return come into the city or which has changed ownership in the meantime; also of all persons liable to poll tax who have been so omitted as aforesaid or who have been liable to be assessed therefor since the last return of said assessors, such return to include that required under the Charlottetown Water Works Act, 1887.

Councillor Beer brought up the matter of Dr. Johnston's claim for collecting the mortality statistics for 1892. After some discussion it was decided to let the matter stand over for the present. Council adjourned to meet again on Wednesday afternoon at three o'clock.

Tickets can be obtained at the door for the hockey match this evening. A good game is expected.

A GREAT

—AND—

Mighty Sale!

We have bought the entire Stock of MESSRS. PATTON BROS., consisting of General Dry Goods and Carpets.

The Pattons are hard workers, energetic and obliging, honest as the sun; but through the desire of the strong to crush the weak they have had to retire, not, however, before they were the means of revolutionizing the prices on several lines of goods, for which the public should ever be grateful to them.

They did not intend to close up so soon, but through the misfortune of Messrs. Geo Carter & Co. by the late fire, they have sold out and rented the store to them, in order that they may at once resume their Seed business, which is so important at this season of the year, thus showing their big-heartedness and kindly feeling towards the unfortunate.

The Stock is one of the largest ever thrown on the market, and must be sold, so everyone may be sure of getting bargains.

The Stock includes 30 pieces Black Cashmere and Merinos, 200 pieces Colored Dress Stuffs, 80 dozen Shirts and Underclothing, Carpets, Curtain Poles, House Furnishings of every description, Fancy Goods, Men's Felt Hats, Fancy Ties, and a good assortment of all kinds of goods found in a first-class Dry Goods establishment.

We most respectfully request everybody to call and have a look through. No trouble to show goods, and if you do buy it won't cost much. One man's misfortune is another man's gain.

Mr. Charles Patton is now in our employ, where he will be happy to see all his old friends, and bring your friends with you.

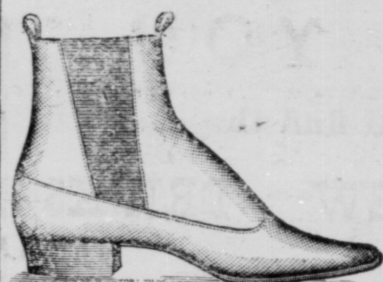

Remember, it is very seldom you can get such a chance to secure Dry Goods, Carpets, Clothing, etc. The goods are all fresh, as the boys have only been in business for about one year and a half. Come one and all to the Great Bargain Sale.
