WE WANT YOU!!!!**

We want people who are interested in the World, Development and Adventure to check out our local UPEI student organization of WUSC, World University Services of Canada, in the BREEZE-WAY on Wednesday, Jan. 29.

Wanted

Roommates to share 4 bedroom duplex -- like dwelling in central Charlottetown. Rent is \$550 divided amongst the number of "roomies" (logically, if 4, then the rent is \$137.50 each). Heat is included and the utilities total between \$30-35 per month per person (based on a year average). We are near two laundramats (and I mean close), a mall (a block and a half away), it is a five minute walk to downtown and fifteen minute walk to UPEI.
